VERY SUDDEN DEATH.

John Anderson, a Blacksmith, Passes Away Under Sad Circumstances.

Mr. John Anderson, the well known blacksmith who has been carrying on business in the Barker House Alley, died very unexpectedly at his home, Carleton street, yesterday afternoon. The weather during the afternoon was usuaually hot and close and it seems that he was overcome while shoeing a horse. He made the mistake of drinking a large quantity of ice water, and feeling badly shortly afterwards went to the Barker House stables and summoned a physician.

Dr. Irvine responded to the call, and found the man in a rather serious condition, his heart action being considerably weakened. The doctor applied water to his face and chest, and he seemed to revive under the treatment. He was strongly advised by the physician to return home and rest until such time as he felt better. Instead of acting upon this advice, Mr. Anderson returned to his shop and resumed work. Shortly afterwards he had a second attack, and was assisted to his home. Drs. McGrath and Irvine were soon upon the scene and did all in their power to revive him but to no purpose. He passed away in less than an hour from heart failure.

The deceased was forty years of age and is survived by a widow and two small children. Mrs. Anderson and children were at Springfield visiting friends, when the news of her husband's death reached her and started at once for home, arriving here at four o'clock this morning. She is almost prostrated with grief and is receiving many expressions of sympathy. The deceased was a member of Graham Lodge, L. O. L. and the funeral will take place under the auspices of that organization, at three o'clock Sunday afternoon. Rev. J. H. MacDonald will conduct the services and interment will be made in the rural cemetry.

It is understood that Dr. Currey's counsel will attempt to offer rebuttal testimony.
