FIVE DAYS' RACING.

Park Directors Submit Important Proposal to Agricultural Society.

A meeting of the directors of the Agricultural society was held at the city council chamber yesterday afternoon, when matters in connection with the big show to be held here from Sept. 14th to the 23rd were dealt with.

A delegation composed of Messrs. T. H. Colter, Hugh O'Neill, J. D. Black, and Ald. Calder, representing the Frederickton Park Association, were heard in regard to a race meeting for exhibition week. They promised to hold a five days' meeting on condition that the Agricultural society would undertake to guarantee two purses of \$500 each for stake events. The delegation dwelt on the importance of a big race meeting for exhibition week, and felt sure that it would prove advantageous to both organizations. It was pointed out that as the exhibition was to run ten days this year, it was felt that there should be five days racing, but the guarantee of the Agricultural society was needed in order to carry out the program. It was stated that if the society would guarantee stakes for two events, the association would be in a position to offer from \$3,500 to \$4,000 in purses, and put on the greatest race meeting ever held in the province.

After the delegation had retired the meeting discussed the proposal at length, and considerable opposition was manifested towards it. A resolution was finally adopted, offering to make the guarantee asked for on condition that the city council donate \$1,500 to the exhibition.

The Park directors are not any too well pleased with the society's decision, and talk of calling off the races unless the assistance asked for is forthcoming. They contend that the directors have really shelved their proposal, as it is pretty well known that any assistance which the council gives to the exhibition will be in the form of a guarantee.

Mr. J. E. Stocker of Oranmore, has offered to make an exhibit of bees at the exhibition, and the offer will likely be accepted.

THAT RUNNING RACE.

The matched running race between Ald. H. C. Jewett's stallion Cyclist and Garry Herrmann, the ten year old stallion lately imported by the government and owned by Messrs. James McKnight and Charles Forbes will be pulled off on May 24th. Mr. McKnight claims his horse is in the best condition and can easily win the race while Alderman Jewett is so certain of Cyclist that he states he would have no objection to doubling the stake money. The race is for \$100 a side and the money and a signed agreement is now in the Lorne Hotel safe. The race is being looked forward to with interest by a number of sports.

Mr. Harold Hatheway, of the Bank of B. N. A. will drive Garry Herrmann and Mr. George Clydes will probably be in the saddle for Ald. Jewett.
