## AT THE JAIL DOOR.

### Doctor's Certificate Saved Scott Act Violator--Thieves Sentenced.

MONCTON, June 22.—(Special)—Three boys, Roscoe French, James Bell and Harry Rhodes, aged eleven, twelve and thirteen years, were this morning before the court, charged with stealing money from the collection plate in the West End Baptist church Sunday evening. All confessed to the crime, and were fined ten dollars or one month in jail. Although Policeman Crossman had the commitment papers and the prisoner, George McSweeney, proprietor of the Brunswick hotel, at the jail door at Dorchester, last evening, Sheriff Willett, with a doctor's certificate in his hand, stating that McSweeney was not in a fit condition to go to jail, refused to allow the officer to enter with the prisoner. Consequently the prisoner was released, and returned to Moncton the same night. The affair has created more than usual interest here, and it is probable that some action will be taken in connection with it. Officer Crossman, when interviewed, told of taking McSweeney to Dorchester, and of Sheriff Willett not allowing him to enter the jail. Ald. P. N. Crandall, chairman of the police, says he will do all in his power to have the law take its course, while City Solicitor W. B. Chandler, does not know just what action will be taken. The case may be placed in the attorney general's hands. Herbert Morrel, a brother of Oliver, who has been missing for some months, started out to look for his brother, and is also missing. His wife has started a search for him, and is advertising for information. Some eighty employees of the I. C. R. shops and offices, received notice this morning of their dismissal, while about one hundred and twenty-five are to be discharged at Halifax.

## CARLETON STREET EXTENSION.

### City Engineer Appointed to have Charge of Street Opening--Some Hot Shot for Roadmaster and City Clerk.

The matter of Carleton street extension is still before the city council, and was advanced one more step yesterday, when City Engineer Grimmer was appointed to take charge of the work of placing a highway through the property between Charlotte street, and what was formerly Needham street, and is now known as Saunders street.

When the matter came up at a meeting of the council yesterday afternoon, Ald. Burchill said that the gentleman who owned the property through which the proposed street would pass, certainly would not give in to the city putting any street through his place. The gentleman in question would not listen to argument in the matter, as he claimed the city had no right to interfere. He claimed the street would not be an extension of Carleton street as it was not on a direct angle with that street. The alderman thought the city should take some action towards opening up the street.

Ald. Farrell put some hot shot into the ears of a couple of city officials. He said there seemed to be a tendency on the part of some city officials to block the work of the aldermen. This street extension was an instance of that tendency. The city clerk and the roadmaster have not shown a desire to do the work of the council in this regard. If the roadmaster or city clerk have not done anything in this matter, it was up to the council to appoint some one else to do so. The roadmaster was opposed to the opening of the street, and has taken no interest in it up to the present time. He suggested that the city engineer be authorized to take up the work and carry it to a successful conclusion. Ald. Winslow thought it was useless to bother with the owner of the land, and the city should expropriate. Ald. Ed. Moore was in favor of opening up the street, as he thought it was necessary. The city clerk stated that the petition presented to the council recently, to have the street opened up was not sufficiently legal, as it did not define the streets to be opened up. Ald. Burchill—"Why did you not tell us that before?" After further discussion the city engineer was appointed to take charge of all the streets, and he was instructed to take the necessary steps to have Carleton street opened.

## THE STOCK MARKET.

## POLITICS AND LABOR.

MONTRÉAL, June 22.—(Special)—Politics in the labor movement are responsible for the resignation of Joseph Ainey, business agent of the Carpenters' and Joiners' Union, and a labor official of 23 years' standing. At the last municipal election, the trades' council decided to support Vandaele against Proulx. The Proulx crowd resented this, and as they won, have been after Ainey's scalp ever since. They have it, and Ainey goes to the bench with hammer and saw.

## LATE MRS. LOUNSBURY.

The remains of the late Mrs. Annie Lounsbury arrived here from Malden at noon today and were taken to her residence corner of St. John and Brunswick streets from which place the funeral will be held at two o'clock on Wednesday afternoon. Service will be conducted at the late home of the deceased lady by Rev. J. H. McDonald and interment will be made at the Rural cemetery. Mrs. H. B. McDonald, G. Holland Lounsbury and Mrs. W. G. Clark accompanied the remains to this city.

## JURY DISAGREED.

The defendant was bound over on his own recognizance for the next term of the court. Peck is Stenepidary Magistrate of Hopewell, having been appointed by the Hazen government.

## SERVICE IN JAIL.

## SNOW IN QUEBEC.

QUEBEC, June 22.—(Special)—Two inches of snow fell at Ste Etienne, St. Maurice county yesterday.

## MR. PETERS DISMISSED.

### Faithful Official Decapitated to Make Room For Ex-Organizer Hubbard.

The Tory St. John Standard announced under flaring headlines today that the provincial department of agriculture is to be re-organized, with Mr. W. W. Hubbard as secretary, and that Mr. T. A. Peters, the present deputy commissioner, is to be retired. Stripped of verbiage, the Standard article means that the government has decided to decapitate Mr. Peters in order to find a billet for Mr. Hubbard, and incidentally reward him for services rendered the party prior to the last general election.

The Standard article, which emanated from a source very close to Mr. Hubbard, promises great things for the department in the future. The recommendations of the agricultural commission are to be carried out, and no doubt under Mr. Hubbard's guidance "the desert will be made to blossom as the rose."

Mr. Peters is to be got rid of by abolishing the position of deputy commissioner, and Mr. Hubbard will take office as secretary of agriculture. This is a distinction without so very much of a difference. It is the usual Hazen method of getting rid of an official to make room for a man with claims on the party. Mr. Peters has been in the employ of the department for twelve years; he has discharged his duties faithfully and well, and no charge could be trumped up against him, which would justify his dismissal. Therefore in order to let Mr. Hubbard in, it has been found necessary to do away with the office of deputy commissioner.

## MAY COME HERE.

### Prospects Bright for Securing Another Industry.

Messrs Harcourt and Huyck, of the Canada Loose Leaf Ledger Company of Montreal, who have been here for some days looking over the ground with a view to moving their business, presented a memorial to the city council yesterday afternoon. The memorial stated that the company's representatives had been looking at the Hoegg property owned by Mr. John Palmer and had been offered the place for \$3,500. Mr. Palmer to take \$1,000 in stock of the company. They would like exemption from taxation for five years and a prospect of a renewal of these terms for another five years at the end of this term. They had a capital stock of \$49,000 of which \$25,000 was paid in cash. The council was of the opinion that the proposition was an important one requiring much consideration and it was turned over to the finance committee who were asked to consider the matter and report back to the council. It was felt the members of the finance committee were entirely capable of dealing with the matter.

The finance committee held a meeting at the Mayor's office this morning and discussed the matter with Messrs Harcourt and Huyck. A member of the committee stated at noon that the committee would decide the matter some time this afternoon but it would be submitted to the council.

## LOGAN-McDONALD.

### Gibson Man Principal in Nappy Event at Chatham.

CHATHAM, N. B., June 22.—(Special)—A pretty wedding ceremony took place this morning at 8:30 o'clock in St. John's Church manse, when Rev. J. M. MacLellan united in the bonds of matrimony Miss Della B. McDonald, daughter of the late James McDonald, of Chatham, and Harold R. Logan, son of George A. Logan, of Gibson. The parties were unattended. The bride wore a beautifully tailored costume of grey with hat to match. Mr. and Mrs. Logan left this morning for Prince Edward Island where they will spend the honeymoon. They will reside at Gibson. The bride has a large circle of friends here who wish her every happiness but regret her departure from Chatham.

## THE RACES.

The directors of the Park Association held a meeting last evening and arranged on their part of the program on the list of entries for next week's races. All of the seven classes have filled, and there will be about sixty horses competing.

Rev. J. H. McDonald, who has been at Margaree, Cape Breton, attending the funeral of his father arrived home today.

Rev. Father Hayes, Mr. Geo. Hayes, and Mr. Hayes Doone have gone to Nashwaak for a few days fishing trip.

## MUNICIPAL HOME.

### A Joint Committee from City and County Councils Will Consider Changes--City and County May Unite.

A committee from the county council, consisting of Councillors McNally of Kingsclear, and Pond of St. Mary's, met the city council at the Mayor's office on Monday afternoon, and talked over the matter of the city and county uniting for the support of the poor. The county men had no particular scheme to suggest, but merely wanted to get the idea of what the city representatives thought about the matter.

Councillor Pond pointed out that at St. John the city and county were united for the support of the poor, and good results were obtained.

It came out in the discussion that the Alms house here has four inmates, and that the keeper gets a salary of \$350, with house rent, wood, etc., and has the proceeds of the farm produce besides.

An alderman present stated that it would be cheaper for the city to board the inmates at the Queen hotel.

It was the general opinion that a change in the arrangements of keeping the poor would be a good thing. It was also suggested that the present place be done away with, and a poor farm purchased outside the city, having a larger acreage.

The Alms house committee of the city council, and also a committee from the county council, will procure further information regarding the matter and report back to the council meeting in July.

## PRETTY MEAN THIEVES.

### Boys at St. John who Robbed Poor Box are now in Jail.

ST. JOHN, June 22.—(Special)—Bart Rogan and Wm. Rogers, each 16 years old, and from Boston, were arrested this morning while in the act of breaking open the poor box which they had stolen from St. Peter's Catholic church.

The two youths were seen to go under a saloon, and when the policeman caught them, they had the box broken and the contents, amounting to seven dollars, extracted.

Yesterday the poor boxes in the Cathedral and St. John the Baptist Catholic churches were broken open, and the contents stolen, and it is believed that Rogan and Rogers are the thieves.

## SLIGHT FIRE.

The firemen were called out at one o'clock today by an alarm from box 46. The fire was caused by a few sparks on the roof of a residence on Charlotte Street above St. John Street and only very slight damage resulted.

Rev. Mr. Cahill, of Florenceville, was in the city yesterday.
