Miss Bridges was presented with a gold watch and chain, and Mr. Bridges with a handsome silver candelabra.

Fraser Electric Company.

In the legislature Friday afternoon, Mr. Allen committed a bill to incorporate the Fraser Electric Company. The measure asks that Donald Fraser, Archibald Fraser and Donald Fraser, jr., all of Fredericton and their associates and successors, shall be declared a body politic under the name of "The Fraser Electric Company" for the purpose of generating, selling,

leasing and using electricity for lighting, heating and mechanical purposes in the city of Fredericton, and supplying the said city with light, heat and power and managing all necessary works in connection therewith. The capital stock shall be \$48,000, divided into 480 shares of \$100 each.

Enjoyable Concert.

The concert at the Opera House last evening under the patronage of Premier Tweedie and Speaker Robinson, was attended by a good audience and greatly enjoyed. The programme, which was a most excellent one, included vocal solos by Harry McClaskey and Miss Tonge of St. John, and Mrs. John Black and W. D. Saunders of this city, and selections by a quartette composed of Messrs. F. L. Cooper, A. R. Tibbitts, A. E. Maesie and Robert Seely. Each number was enthusiastically encored by the audience. Mr. McClaskey, who made his initial appearance before a Fredericton audience, more than sustained the high reputation which had preceded him. He possesses a magnificent tenor voice, and his selections fairly took the audience by storm. The solos by Mrs. Black and Miss Tonge were also listened to with much pleasure, and the quartettes were much enjoyed. The piano accompaniments were played by Mr. Saunders.

Looking For Recruits.

Supt. P. C. H. Primrose, of the Northwest Mounted Police, arrived here from Pictou, N. S., this morning, to enlist men for the Northwest Mounted Police. He has a large number of applicants but as only twenty-five men are wanted from the whole province he is not likely to accept everything that offers. Recruiting will likely commence on Monday morning at ten o'clock. Dr. Atherton has been engaged to conduct the medical examination, which will be a very rigid one.

Hope it is True.

It is rumored about the city that Z. R. Everett has been appointed fishery inspector in room of H. S. Miles, deceased. No official announcement has yet been made, but it seems to be the general opinion that the rumor is well founded. There are a large number of applicants for the position, but none with stronger claims than Mr. Everett, and his appointment would give general satisfaction in the community.

Entertained at the Manse.

The young people of the Presbyterian church were pleasantly entertained at the manse on Monday evening, by Mrs. Baird, (formerly Miss Sara McKee of this city). A feature of the evening was an interesting programme of readings, solos and instrumental music. Ice cream and cake were served during intermission in the programme. In all over sixty young people were present.—Sussex Record.

The Boston Sportsmen's Show will be brought to a close this evening and the New Brunswick exhibit will likely arrive here by the noon train on Tuesday. It has been a splendid advertisement for the province and the results cannot fail to prove beneficial.
