A very pleasant meeting was concluded in a very pleasant manner.

Colonel Maunsell Ill.

The many friends of Lieut. Colonel Maunsell, formerly D. O. C. for New Brunswick, will regret to learn that he has not been enjoying good health of late. He had an attack of heart trouble some months ago, which confined him to the house for a time, but late reports are to effect that he is slowly regaining his accustomed health and vigor. The Colonel is at present making his home at Devonshire, England, and expects to remain there for the summer. His wife and daughter and son, Edward St. John Maunsell, are with him. The latter, who is a civil engineer by profession, is suffering from lung trouble and lately gave up a lucrative position in British Columbia, on that account. His condition is reported to be quite serious.
