

The Watchword of Women.

Modesty is woman's watchword. What ever threatens her delicate sense of modesty, frightens her. For this reason many a woman permits diseases of the delicate womanly organs to become aggravated because she cannot bring herself to submit to the ordeal of unpleasant questionings, offensive examinations, and obnoxious local treatment, which some physicians find necessary. Doubtless thousands of the women who have taken advantage of Dr. Pierce's offer of free consultation by letter have been led to do so by the escape thus offered from a treatment repugnant to modesty. Any sick woman may write to Dr. Pierce, Buffalo, N. Y., in perfect confidence; all letters treated as strictly private and sacredly confidential, and all answers being sent in plain envelopes with no advertising or other printing upon them. Dr. Pierce's Favorite Prescription has been long hailed as "a God-send to women." It makes weak women strong and sick women well. "Favorite Prescription" contains no alcohol neither opium, cocaine or other narcotic.

MOUTH OF KESWICK.

(Special correspondence to the Herald.)

Jan. 4.—Christmas passed off very quietly, the roads were in such a condition as to prevent much travelling.

A wedding was celebrated at the house of Mrs. Annie Williams on Christmas day, when her daughter, Maggie, was united in marriage to Alfred Williams. The ceremony was performed by Rev. G. W. Foster in the presence of quite a large number of invited guests.

Mr. and Mrs. Wm. Barker entertained a large number of their young friends on Monday evening last. The evening passed quickly with games and music and all agreed that it was the most enjoyable evening they had spent for a long time.

Mr. and Mrs. Alex. Mitchell, of Fredericton, spent Sunday last with Mrs. Mitchell's parents, Mr. and Mrs. Zapher Dunphy.

Mr. and Mrs. Seymour Barker are rejoicing over the arrival at their home of a boy.

We have a new station agent here, Mr. B. Daggett, and we hope he has come to stay.

Mr. and Mrs. Russell Gillis, of Fredericton, spent New Year's day with Mrs. Gillis' parents, Mr. and Mrs. H. F. Dunphy.

Mr. Chas F. Merritt, of Grand Falls, who has been spending his Christmas vacation at Mr. Wm Barker's, returned home on Thursday.

Miss Flossie Merrithew has returned from a visit to her sister, Mrs Wm Kennedy, of Woodstock.

Most of the young people of Keswick drove over to Macnaquac to a concert in the Baptist church on New Year's eve and all enjoyed it very much.

Rev F H Knollin, of this place, spent Christmas at his home in Sussex.

John DeLong, of Fredericton, spent a few days with his sister, Mrs George Hawkins, of this place.

We have had lots of skating lately, which has helped to make the young people enjoy the Christmas holidays.

A T. Currie, book agent and politician, was in Keswick yesterday.

Mr and Mrs Chas Yerxa attended the wedding of Miss Lena Slipp and Mr Leverett Gunter at Queensbury on New Year's day.

Archibald Barker, who has spent his Christmas holidays at his home here, is returning to Gibson tonight to take charge of his school there.

Prisoner's Release

A Bright Youth of Eighteen Suffer so Badly from Asthma and Bronchitis that he was Forced to Remain in the House for Months at a Time.

DR. CLARKE'S KOLA COMPOUND CURED.

Mr. L. O. Lemieux, C. P. R. Engineer, 555 Alexander Street, Winnipeg, Man., writes: "My son who is just eighteen years of age has been a terrible sufferer from asthma and bronchitis during eighteen years. He became worse each year in spite of the hundreds of dollars I spent on doctors and many remedies. For several years he has had to remain in the house during the winter months, and for hours at a time treated with poultices and mustard plasters to keep him from chinking. Time after time we thought each attack would be his last. About the first of September, 1898, we heard of Clarke's Kola Compound and purchased in all seven bottles. While taking the first four bottles the change was gradually for the better; soon after taking the fifth bottle he could go out any day without any sign of his trouble whatever, and since completing the treatment has been completely cured. This grand medicine certainly has been a blessing to him. During the last year, since being cured, he has developed wonderfully physically and is altogether a changed boy. I give you this letter that it may bring the light of this wonderful medicine to some other sufferer, as I have every reason to thank the gentleman in Vancouver, whose testimonial I read."

Don't take any substitute for Clarke's Kola Compound. All druggists or from The Gr. Smith & Macpherson Co., Limited, Toronto, Can.

BEAR ISLAND.

(Special correspondence to the Herald.)

Jan. 6.—Gilman Bros. & Burden, of Pokiok, have about completed yarding lumber for the winter. Although snow is rather scarce for hauling they have sent about a score of teams to work hauling from the yards to the mill. They are also carrying on extensive operations on the Wolverson farm in Northampton, near Woodstock.

Miss Verna Murch and Charles and Sterling Heustis of this place have returned to their studies at the Normal school.

The REV. C. F. WELLS, of Villa Ridge, Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and Asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, Asthma, and thought you had overspoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full-sized bottle."

DR. TAFT BROS. MEDICINE CO.

Gentlemen: I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene, for the cure of Asthma. My wife has been afflicted with spasmodic asthma for the past 12 years. Having exhausted my own skill as well as many others, I chanced to see your sign upon your windows on 130th street, New York, I at once obtained a bottle of Asthmalene. My wife commenced taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her Asthma has disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease.

Yours respectfully,

O. D. PHELPS, M. D.

DR. TAFT BROS. MEDICINE CO.

Gentlemen: I was troubled with Asthma for 22 years. I have tried numerous remedies, but they have all failed. I ran across your advertisement and started with a trial bottle. I found relief at once. I have since purchased your full-size bottle, and I am ever grateful. I have family of four children, and for six years was unable to work. I am now in the best of health and am doing business every day. This testimony you can make such use of as you see fit. Home address, 235 Rivington Street.
