

GREAT BENEFIT FOR THE PUBLIC !

WILL BE OUR FIFTH ANNUAL

Stocktaking Cheap Sale

which
started at
our stores
on . . .

FRIDAY, Jan. 3rd,
1902.

It will last for 15 days, every article in every department will be reduced in price to our actual cost, to enable us to reduce our immense stock on hand before the usual stock taking season comes on. Owing to the soft spell we have been left with more Winter Goods than usual and we do not care to give store room to unseasonable merchandise. We will make this 5th Annual Stocktaking Cheap Sale so interesting to keen cash buyers that they will take advantage of the losses we are ready to sustain in selling our stock at cost and under. This will be a genuine and very important sale. A full list of useful Goods at extraordinary low prices will appear in this space on Thursday, Jan. 2. Let every one read it and prepare for this great event that will be in full swing on Friday, Jan. 3, 1902, at
