GAINED ONE SEAT.

Government Came out of the Bye-Elections With Flying Colors.

REDEEMED WEST YORK AND WEST DURHAM BUT LOST LAVAL.

Late Clarke Wallace's Seat Goes Liberal.

A GREAT DAY FOR LAURIER.

Montreal, Jan. 16.—The bye-election in this city yesterday passed off very quietly and resulted as had been anticipated in an easy victory for Ald. Brunet the Liberal candidate. The Conservatives had built great hopes upon the fact that there had been some difficulty in the Liberal ranks over the selection of the government candidate and they very quietly used this fact among the friends of Mr. Drouin.

Mr Bergeron put up a strong fight and employed every kind of argument to obtain votes. Promises did not count with the Conseraative candidate, as he was willing to do anything to get back to parliament. He condemned the sending of the contingents to South Africa, the preferential tariff, imperialism and in fact everything British. During the past two or three days he was pleading to be sent to parliament because he was a Frenchman and a good speaker and he would thus be able to strengthen the hands of Sir Wilfred in advancing the cause of the French-Canadians. The Conservatives are considerably surprised at the result as they did not expect that Mr Brunet would have such a large majority. Ald Brunet's majority is 750.

The complete returns from L'Islet give Charbonneau, the government Liberal candidate, one of a majority. His Liberal opponent, Caron, polled a large vote.

For sometime last night it looked as if the Liberals had succeeded in electing their candidate, Mr Wilson in Laval. However, the complete returns show that Mr. Leonard, the ed by 16 of a majority. Conservatives has been elect-

Ottawa, Jan. 16—There was much interest taken here in federal elections. The great surprise to the Conservatives was the victory of Archie Campbell in West York. He pulled down a Conservative majority of over 800 to a Liberal majority of about 200. West Durham, which had also gone Conservative at the last general election, has turned Liberal again.

The result of yesterday's voting in the nine constituencies is that six have gone Liberal and three Conservative, the opposition having lost two ridings, of which West York has been one of their strongholds.

Two Ontario Seats Redeemed.

Toronto, Jan.16 —The Conservatives of this city and district have received a blow which has completely stunned them. The defeat of Thos. F. Wallace in West York by Archibald Campbell was most unexpected and the Conservatives have failed to explain the result. Probably no by-election was so keenly contested, as the Conservative stronghold of West York. For the past three weeks joint meetings have been held almost nightly in the constituency, each candidate being assisted by some of the leading speakers of the party. Feeling towards the close of the contest was running very high and on one or two occasions the speakers had difficulty in being heard. Campbell was assisted in the contest by Senator Landerkin, W S Calvert, M P, W Hill, M L A, T C Robinette and others, while Wallace hdd Hon George E Foster, A Wright, St John, ex-M L A Blain, M P, and others. Many personal attacks were made upon Campbell and an effort was made to drag Hon Mr Tarte's name into the contest, the Conservatives proclaiming that Mr Campbell and Tarte's candidate. The Liberals are jubilant at capturing the Tory stronghold of West York and Campbell and his workers are the heroes of the hour. The late Hon. N. Clarke Wallace had a majority of over 800 and now Archie Campbell is elected with a majority of nearly 200.

In West Durham Robert Beith defeated Thornton, Conservative, by 22 of a majority. This is another Liberal gain.

Porter, the Conservative candidate, is elected by a majority of 725 in West Hastings. The Addington returns are not complete, but it is probable that Avery, the Conservatfve, is elected by a good majority. With 31 polls out of 49 he has a majority of 390

Hon. Wm. Harty was elected over Jas. Metcalfe in Kingston by 753 majority.

Charlottetown, P. E. I., Jan. 16.—The election in West Queens passed off very quietly yesterday. The weather was fine, but notwithstanding this fact the vote in the country districts was light. Farquharson had a majority of 222 in this city, which is 11 more than Sir Louis Davies had at the last election. Full returns give Farquaharson 493 majority.

Montreal, Jan 16.—Liberals concede Laval county to Leonard, Conservative by sixteen of a majority.

He Was Satisfied.

A farmer entered an office in central New York and sent this message to a woman in Canada: "Will you be my wife? Please answer quick by telegraph." Although he waited the rest of the day, he got no answer, but the next morning he got a night dispatch, sent collect, but favorable. The operator in expressing his sympathy said, "Little rough to keep you in suspense so long."

"Look a-here, sonny," the farmer remarked, "I'll stand all the suspense. Any woman that'll hold back her answer all day to a proposal of marriage, jest so thet she kin send it half rate at night, is economical enough to make up after I git her for all the loss of time and injury to feelin's I've suffered waitin!"

Icebergs.

The captain of an ocean steamer is often warned of the proximity of icebergs by the men in the engine room. When a ship enters water considerably colder than that through which it has been going its propeller runs faster, and as such water surrounds the vicinity of icebergs for many miles the engineers know when the propeller's action is greatly accelerated without any increase of the steam power icebergs may be expected. Of course the thermometer is the most useful indicator of icebergs.

THE KING'S SPEECH

At Opening of Parliament Acknowledges Colonial Assistance in the War.

(Special to the Daily Herald.)

London, Jan 16.—Parliament was opened with the usual ceremony today. The procession to the house was similar to that of last year.

The Queen accompanied His Majesty to the house of peers.

The speech from the throne referred to the Prince of Wales' tour of the Colonies, and expressed regret that the war in South Africa was not yet concluded.

Great Britain's relations with foreign powers were described as satisfactory.

The King made the following reference to the colonies and the war: "The necessity of relieving those of my troops who have most felt the strain of the war has afforded me the opportunity of again availing myself of the loyal and patriotic offers from my colonies, and further contingents will shortly reach South Africa from the Dominion of Canada, the commonwealth of Australia and New Zealand.
