

Catarrh can be Cured.

Japanese Catarrh Cure is the only Permanent Cure ever discovered for Catarrh.

SAMPLE TREATMENT FREE.

There are a thousand and one so-called cures for catarrh. Most of them contain dangerous narcotics. They relieve at the time, but it does not last. Now that is just where Japanese Catarrh Cure differs from all other so-called catarrh remedies. It cures and the patient stays cured. It performs when others promise. Japanese Catarrh Cure is absolutely certain in its effects and has never yet failed to cure any case of catarrh, when persistently used. It is a soothing, refreshing and healing ointment, which is inserted up the nostrils, when it is quickly breathed up to the seat of all the trouble, purifying, healing and vitalizing the diseased membrane, and the trouble won't return. We do not ask you to take our word for this. We can prove it by recommendations from physicians and thousands of testimonials. We want you to prove it by sending for a sample box, which you can have absolutely free of charge. Send 5 cents for postage, etc., to The Griffiths & Macpherson Co., Limited, 121 Church St., Toronto. Sold by all druggists. Price, 50 cents.

NEW MARKET NOTES.

(Special Correspondence to the Herald.)

March 6.—The weather for the past week has been very springlike but the recent snow storm has made our roads in better condition.

A number of our young men have returned from the Maine lumber woods and report times very good in that section.

William Murphy has purchased from F. L. Cooper of Fredericton a handsome new sleigh.

John Foley has returned after a two weeks visit at Rockwood.

Dennis Murphy made a flying trip to Cork Settlement yesterday.

The many friends of Anthony Kennedy of Cork Settlement are pleased to note that he is recovering from his illness at the Victoria Hospital.

John Doohan has returned from Maine looking hale and hearty.

Gertie Forman, the eighteen-year-old daughter of Jos. H. Forman, of St. Mary's, Ontario, asked her father for the use of a horse for a couple of days. The father, refused, and the girl, much disappointed told her father she would poison herself. The threat was not taken seriously. The girl went upstairs, barricaded her door by placing the bed against it, and took strychnine, mixed with apple sauce. Her screams called the household to her. The door was forced and medical assistance summoned, but the girl died before it reached her.

Great Difference in Corn Cures.

Many are destructive to the flesh and dangerous to use, but the old reliable Putnam's Corn Extractor removes Corns, Warts and Bunions without pain in 24 hours. No pain, no failure. "Putnam's" cures.

The grocer who sells UNION BLEND TEA sells something he can recommend to his most exacting customer with a certainty that it will have his approval. Goods of this sort are profitable to both buyer and seller.

The second reading of the prohibition bill carried in the legislature by thirteen majority, Mr. Marter voting with the Government.

To the Weary Dyspeptic.
We Ask this Question:

Why don't you remove that weight at the pit of the Stomach?

Why don't you regulate that variable appetite, and condition the digestive organs so that it will not be necessary to starve the stomach to avoid distress after eating.

The first step is to regulate the bowels.

For this purpose

Burdock Blood Bitters
has no Equal.

It acts promptly and effectually and permanently cures all derangements of digestion. It cures Dyspepsia and the primary causes leading to it.

IT IS IMPOSSIBLE

To Properly Estimate the Usefulness and Worth of Diamond Dyes.

The Diamond Dyes now so universally used in city and country homes do a variety of useful work that no other home dyes can ever successfully undertake. Dresses, skirts, capes, jackets, blouses, stockings, ribbons, feathers, silks and mens' and boys' old and faded clothing can be repaired at small cost and made to look as good as new. Draperies, coverings, reps, damasks and curtains can be restored to new beauty and usefulness. Cotton warps, carpet rags, wool yarns, sheepskin mats, straw goods, grasses, everlasting flowers, hair, bone and wool can be dyed any desired shade.

Send your address on a Postal Card to The Wells & Richardson Co., Limited, 200 Mountain St., Montreal, P. Q., and you will be furnished with sheets of new designs for making up pretty mats and rugs.

Hon. Dr. Borden, minister of militia, is expected to go to New York about the end of the month to review the regiments which will take part in a big military demonstration. The 48th Highlanders, of Toronto, will take part and the troops will be reviewed by Admiral George Dewey, General Nelson A. Miles, Major General Brooks, of the department of the west, Hon. Mr. Root, secretary for war, and Hon. Dr. Borden. The officers from Canada will be quartered at the Waldorf-Astoria.

Pains in the Joints

may be muscular or rheumatic. The joints are hard to get at, and it requires a powerful, penetrating remedy to reach the affected parts. Polson's Nerviline exactly meets the requirements, for it is both powerful and penetrating. The pain is expelled as if by magic, for one drop of Nerviline equals in strength five drops of other remedies. You won't often call the doctor if Nerviline is in the house. Price 25 cents.

At the Quebec drill hall Friday night, before an immense crowd, and in the presence of all the volunteer corps of the city, Lieut.-Colonel R. E. W. Turner was presented with the Distinguished Service Order insignia in recognition of his gallant work in South Africa with the C. M. I. and particularly in the engagement at Klip River, when he, with other Canadians, saved the guns. When the Prince of Wales was here in September last, Colonel Turner received the Victoria Cross, His Royal Highness himself pinning the decorations on the officer's breast. Since then the D. S. O. medal has arrived, and the presentation was made Friday night by Lieut.-Governor Jette.

Nervous and Sleepless.

Two horrors crowded into one life, the product of poor digestion and the poisons that are thereby formed within the body. There's just one method of cure for this terrible condition—plenty of food, but mind, food properly digested. That's the difficulty—the digestive power of the stomach must be improved. Rich, red blood formed, strength given to the organs to drive out poisons; then comes strength, vigor and endurance. Ferrozene does all this and more; it makes sick people well; weak people strong. Sow Ferrozene and you reap health. Sold by C. A. Burchill, price 50c.

How She Helped a Young Man.

A druggist in Memphis was holding forth recently on the difficulties which beset a young man in his first struggle with the world. "I had a hard time when I first started in business for myself," he said, apropos of a remark made by one of his hearers. "The public has good intentions toward you, but it sometimes has strange ways of expressing them. An old lady used to come in to buy postage stamps. I observed to her one day that she was evidently a great letter writer. 'Oh,' she said sweetly, 'I don't really need all the stamps I buy here. It's only because I wish to help a young man like yourself, just beginning to build up a business, that I purchase them.'"—Kansas City Star.

A Pleasure of Memory.

Drolicion bought a phonograph and insisted upon his mother-in-law having her voice registered by the instrument.

As the good woman refused he added maliciously:

"Oh, come, now; just a few words. You can't think how much pleasure it will give me to hear your voice—when you are gone!"

Turquoise mining in New Mexico is of very remote origin. Many of the present mines when located indicated operations by the inhabitants of New Mexico at a time prior to or contemporaneous with the Aztecs.

The first antislavery society was organized in 1775 at Philadelphia.

New Goods at Fire Prices.

Friday and Saturday we will place on sale the following new goods: 158 Men's Spring Suits made of All-wool Canadian Tweeds, dark and medium colors, single and double breasted, worth \$5.90 to \$8.00.
