

HER HUSBAND WAS A DRUNKARD

A Lady who cures her husband of
His Drinking Habits Writes
of Her Struggle to
Save her Home.

A PATHETIC LETTER.

"I had for a long time been thinking of trying the Tasteless Samaria Prescription on my husband for his drinking habits, but I was afraid he would discover that I was giving him medicine, and the thought unnerved me. I hesitated for nearly a week, but one day when he came home very much intoxicated and his week's salary nearly all spent, I threw off all fear and determined to make an effort to save our home from the ruin I saw coming, at all hazards. I sent for your Tasteless Samaria Prescription, and put it in his coffee as directed next morning and watched and prayed for the result. At noon I gave him more and also at supper. He never suspected a thing, and I then boldly kept right on giving it regularly, as I had discovered something that set every nerve in my body tingling with hope and happiness, and I could see a bright future spread out before me—a peaceful, happy home, a share in the good things of life, an attentive, loving husband, comforts and everything else dear to a woman's heart; for my husband had told me that whiskey was vile stuff and he was taking a dislike to it. It was only too true, for before I had given him the full course he had stopped drinking altogether, but I kept giving him the medicine till it was gone, and then sent for another lot, to have on hand if he should relapse, as he had done from promises before. He never has, and I am writing you this letter to tell you how thankful I am. I honestly believe it will cure the worst cases."

MARYSVILLE NEWS.

(Special Correspondence to the Herald.)

Feb. 17.—The annual drive given by the Temperance Lodge, and which is always looked forward to with much pleasure by the members took place last Saturday evening. About twenty-five drove up to Tay, where they were very heartily welcomed by their friends, and a most enjoyable time was spent by all.

An interesting and lengthy program of vocal and instrumental music, and recitations had been arranged, after which before starting on their homeward journey a supper was served to the happy party who arrived shortly after midnight.

Miss Maggie Clayton, has been spending the past week with friends at Scotch Settlement.

Mrs Dunphy, has been visiting among relatives at Douglas, recently.

The Knights of Pythias are to be congratulated on the success of their delightful reception which they held in the town hall last Saturday evening. A very large number of invitations had been issued, nearly all of which were accepted. At eight o'clock the chair was taken by Mr. Handley who welcomed all present on behalf of the society. Rev. A. Rideout then made a few remarks appropriate

to the occasion, after which about an hour and a half was devoted to vocal and instrumental music. Songs were given by Miss Eno, Misses McConnell, Day, Robertson and Cochrane and Mr. Charles Hatt. Archie and Roy Moore rendered a piano duet which was greatly enjoyed. Little Miss Effie Handley recited, "When Father Rode the Goat," which provoked much merriment, as did also the recitation, "The Editor's guests," was given by the Rev. Mr. Rideout. Miss Cooper gave a violin solo, and the singing of the National Anthem, Miss Edith Crisp presiding at the piano, was the concluding item of a very good program, at the end of which a bounteous supply of refreshments of various kinds were passed round by the hosts of the evening.

PAINE'S CELERY COMPOUND

Is The Fountain of New Life for Aged
Men and Women.

It is the Only Medicine That
Can Keep Them Happy
and Well.

It Feeds the Nerves, Nourishes the
Blood and Regulates Digestion.

Men and women advanced in years should remember that the infirmities and ailments of old age are due to a weakened nervous system. One of the most prominent medical writers of the day says: "The various pains, rheumatic or otherwise, which old people complain of, and which materially disturb their comfort, result from disordered nerves." When you feel old, whether you are twenty or eighty, use Paine's Celery Compound, as it will assuredly strengthen and build you up. The great medicine has added years of peace, free from the infirmities of old age, to thousands of lives.

Old people should bear in mind that Paine's Celery Compound purifies the blood when it moves slowly and sluggishly, removing rheumatism, neuralgia, heart palpitation, nervous weakness, sleeplessness, and troubles with liver, kidneys and stomach. In a word, Paine's Celery Compound makes the old feel young and vigorous.

A NEW ANTIDOTE FOR ALCOHOL

(From the "Times and Opinion," London, England.)

A recent remarkable discovery in medicine which has been found to annihilate all appetite for alcoholic drink in a few hours, even in the most hopeless cases, is attracting a good deal of attention among those interested in temperance work. The medicine is purely vegetable, perfectly harmless, and absolutely free from narcotics. Many well known physicians who carefully watched several patients while being treated during a demonstration given by the discoverer, Mr. A. Hinton Dixon, of Toronto, Canada, under the auspices of a number of clergymen, philanthropists and others, are endorsing this new product as being the only physical cure for alcoholism yet discovered which leaves no evil after-effects. The morphine and similar drug craves also yield to this new medicine, and the beneficial results from its use in aggravated cases are extremely satisfactory. A strong argument in favor of this welcome help to unfortunate victims of these troubles is that the medicine can be carried in the pocket and taken in absolute privacy, thus dispensing with the publicity, loss of time and expense of an institute treatment. A report of the results of above mentioned demonstration and full particulars regarding this medicine can be obtained by addressing Mr. Dixon, 81 Willcocks Street, Toronto, Ontario.
