MARYSVILLE NEWS

(Special correspondence to the Herald.)

Jan. 29—Mrs G W Foster, who has been confined to her house for the past three weeks suffering from a severe attack of rheumatism, is much improved and able to get out again.

Frank L. Robinson returned home Saturday night from a business trip to St. Stephen, having gone there Thursday morning.

Our popular tonsorial artist has been laid up for the past few days, the result of vaccination.

The tea and concert given last evening in the Town hall under the auspices of the Methodist Parsonage Aid Association was very well attended, considering the unfavorable state of the weather, the side walks being just a mass of ice. A most sumptuous, tea was served by a number of young ladies, and consisted of turkey, different kinds of cake, etc. Most delicious home made candy found a ready sale during the evening. The musical portion of the entertainment which began after the tea, was well rendered. Wm E Cadwallader played the accompaniments for songs which were given by Mrs. Merritt, Miss Alice Day, Miss Eno and Will E. Cadwallader, etc. The sum realized was $35.00.

Special Notice.

I wish to thank my numerous customers and the public generally for the very liberal patronage bestowed upon me during the past sixteen years, and I earnestly solicit a continuance of the same liberal patronage for the future. I also wish to announce that I have secured the services of Mr. J. Robert McKenzie, a cutter of first class ability, he having cut in a number of large cities in the United States. This gentleman's experience together with my own twenty-five years knowledge of the tailoring trade places me in the front rank of merchant tailoring. I guarantee all customers who patronize me the very latest styles, and first class workmanship at reasonable prices. We ask you to call and give us a trial and be convinced that we mean what is stated above.
