### Major's Hill Park Site Granted.

Ottawa, May 29.—An order-in-council was passed at yesterday afternoon's Cabinet meeting, finally ratifying the agreement for the transfer of the southwest corner of Major's Hill Park to the Grand Trunk Railway Co. as a site for its new million-dollar hotel. After over a year's delay the company has at last started work on the hotel.

### WHICH LINIMENT IS BEST?

For muscular pains and aches a thick oily preparation can't penetrate—that's why Nerviline beats them all—it sinks right in. "I wouldn't live without Nerviline in my house," writes J. B. Cotton, of Mastown, N. S. "If you have rheumatism or soreness in the muscles or in fact any need of an honest liniment, Nerviline fills the bill. I can recommend it highly because I have proved that in one application of Polson's Nerviline there is more virtue than in a whole bottle of ordinary liniment." Try one of the large 25c bottles.

### PROPERTY FOR SALE

I am instructed by a client to offer for sale his property, situated on the old Springhill Road, just beyond Fredericton City limits, containing four hundred and fifty acres, of which approximately fifty acres are cleared or cultivated land; upon the remainder of the property there is a valuable growth of wood.

The buildings upon the property consist of a good dwelling house of twelve rooms, heated by furnace and hot water, and containing a bath room with modern plumbing and hardwood floors.

A laborer's cottage containing nine rooms. A large barn having water supply and capacity for thirty cows. A smaller barn containing horse stables, and other out buildings. There is also a good stone quarry upon the property.

The owner's reason for selling is that his business calls him to the west.
