Mr. T. C. Burpee of the L. C. R. staff, Moncton, and Mrs. Burpee are among the guests at the Queen.

TROUBLE FOR THEM.

Charlottetown Hockeyists playing here will get a Cool Reception at Home—Charged with Ungentlemanly Conduct and request for their Suspension.

CHARLOTTETOWN, P. E. I. Jan. 23—(Special)—The Victorias of Charlottetown were defeated in the second hockey game of the Island League series last night at Summerside by the Crystals of that place, with a score 5 to 1, all made in the first half. The Charlottetown team was weakened by a number of its best players who were absent in New Brunswick. When the team left here on the main land trip they pledged themselves to return in time for the Summerside game. This pledge they disregarded except one player. The club here is very indignant and yesterday wired President Lithgow of the M. P. A. A. and asked to have them suspended for their ungentlemanly conduct. It is likely they will be asked to leave the club on their return home.

BIG SKATING PARTY.

St. John Star Entertained 4,000 Children. Property Sale—Empress' Big Passenger List.

ST. JOHN, Jan. 23—(Special)—Fully four thousand children under eighteen attended a skating party given by the Star newspaper in the two city rinks today. The Almon building on Prince William Street and the land whereon it stands were sold today at auction to Henry Carson, a Jew for \$7,425 which is considered a remarkably low price. The Steamship Empress of Britain docked at eleven today landing six hundred and seventy passengers who were despatched westward shortly afterwards.

STEAMSHIP RUN DOWN.

Lives of 500 Passengers Endangered in Collision off New York.

NEW YORK, Jan. 23—(Special)—The captain sent wireless messages everywhere and several steamers promptly responded. The cruiser Acushnet is now standing by but the Baltic is in no danger of sinking.

VICTORY FOR FREDERICKTON.

Local Hockeyists Took Charlottetown Victorias Into Camp Last Evening.

Frederickton, 3, Charlottetown, 2. The victory of Frederickton over Charlottetown in the hockey match at the Arctic rink last night between the Victorias of Charlottetown and a team composed of Frederickton and Marysville players. Although the hockey was not of the gilt edge variety, at times it was very fast while again it was slow and seemed to be lacking the swiftness and combination work of former years.

The line up was as follows:
Frederickton goal: Fullerton
point: Brogan
cover point: Babbitt
rover: Barden
centre: Stuart
right wing: Robertson
left wing: Hughes
Cornfoot
The officials were: Referee—Sandy Staples. Goal Judges—Messrs. Toner and Carver. Timers—T. M. Fullerton and Archie Sterling.

SUMMARY.
First Half
1 Stuart, Frederickton, 23 minutes.
2 Babbitt, Frederickton, 24 minutes.
Second Half
3 Ramsey, Charlottetown, 5 minutes.
4 Ramsay, Charlottetown, 8 minutes.
5 Hughes, Frederickton, 52 minutes.

THE GAME.
At 8.40 the game started and was quite snappy for a while but soon slowed down and got rough towards the last. The features of the game were the famous rushes of Musick and the excellent stops of both goal keepers—Campbell proved himself a star in that position and made a good many hard stops, which were almost sure. Fullerton also made some brilliant stops. Brogan and Babbitt were both suffering from injured knees. The game had been in progress only two minutes when Stuart from a log shot netted the puck. Two minutes later Babbitt carried the puck the entire length of the rink and scored. With one minute to play Archie Babbitt was knocked out and the visitors layed a man off for the remainder of the first half. Frederickton 2, Charlottetown 0.

The second half started out with more of a rush than ever. "Bunkey" Robinson played rover from Frederickton while Barden went to cover point. Babbitt had to stay out on account of his knee. The game grew faster as it proceeded and the visitors began to awaken and went at it hammer and tongs. In 8 minutes Ramsey scored twice for his team, whose play was repeated 4 minutes later when Hughes shot N. 3 for the home team. This ended the scoring although the visitors played hard to win especially when Robinson was off the ice for tripping. Dovey of the Victorias was also off or side checking. The game ended three to two in favor of the home team. During the last half Frederickton had four Marysville men playing the game.

The receipts of the Sunday school, including the Spurgeon class for men and the Home department were \$235.93; expenditure, \$189.04; total balance on hand, \$46.89.

Mrs. Havlock Coy, secretary of the Women's Missionary Aid society, reported for that organization, and Mrs. George O'Neill read the treasurer's account, which showed receipts of \$305.63, which was devoted to missionary purposes. Mrs. J. H. MacDonald, leader of the Senior Mission Band, reported receipts for missionary purposes of \$125, and Mrs. Coy, superintendent of the Junior Mission Band, \$54.59. The membership of the Mission Bands is 96, and that of the Aid Society, 90.

Miss A. P. Moore, treasurer of the Ladies' Auxiliary, gave the financial statement of the Auxiliary as follows: RECEIPTS.
Cash on hand \$733 21
Receipts for year 194 15
Interest 23 02
\$950 38
Disbursements 138 76
Balance on hand \$811 62

Mrs. H. C. Creed, treasurer of the Benevolent fund of the Auxiliary submitted her report, which showed a balance on hand at the beginning of 1908 of \$62.62, receipts of \$40.67, and a present balance of \$52.51. Mrs. E. O. Perley, secretary of the society reviewed the work of the year, and among other interesting features was the decision of that body of ladies to increase their subscription for church extension from \$1,000 to \$1,500.

ADDITIONAL BUSINESS.
Mr. J. W. Spurden reported for the choir and for the committee on organization.

Mr. W. G. Clark presented the report of the committee on church extension, which showed a subscription list of \$7,782, of which amount \$1,452 has already been paid. The name of H. Dean Creed was added to the finance committee.

The missionary activity of the laymen of the church called for the appointment of a treasurer of denominational funds. Mr. J. W. Spurden was elected to that office. During the progress of the business Deacon J. T. Clark was called to the chair, and upon the recommendation of the finance committee \$100 was added to the pastor's salary.

The church and its organizations contributed to missionary and benevolent work for 1908 the sum of \$832.48. According to the estimates \$1,500 has been set as the mark for 1909. The church voted to unite with the Spurgeon class in the purchase of a piano, to be used in the audience room. Rev. D. Hutchison of St. John, gave a lively and helpful message on Fruitfulness. Mr. Hutchison is always heard with deep interest on the part of his Frederickton friends. At the close of the first part of the program the audience repaired to the lecture room, where a social hour was spent. The social arrangements were in charge of the Ladies' Auxiliary.
