TO HAVE DRY DOCK.

Montreal Will Have One and Also Quebec-- Only a Handful of Fredericton People Wanted to Hear Tory Orators.

MONTREAL, June 23.—(Special)—Montreal will have a dry dock after all. Hon. Mr. Brodeur and C. C. Ballentyne, Harbor commissioner, died together last night, and the necessity for one for Montreal whether Quebec had one or not, was pointed out, the minister agreeing. The question whether Quebec will have one too will be settled by the admiralty. The government thinks that a dry dock should be built capable of taking war vessels if needed, and the site will be left to them to decide. This means that Quebec will be chosen.

Prof. Workman has entered another action against the Western Theological College for \$5,000. The College in the plea to the other institution for five thousand reiterated their charges, claiming they were true. This is claimed by the professor to be another libel, and he has entered action accordingly.

VERY SUDDEN DEATH.

Newcastle Lady Stricken While Preparing to Start on Long Journey.

NEWCASTLE, N. B., June 23.—(Special)—The sad death of Mary, nee Vaughan, widow of Walter J. Elliott occurred about two o'clock this morning.

Last night Mrs. Elliott had planned to leave on express for Minot, North Dakota, to visit her children there, thence to visit another daughter in Vancouver.

Her ticket was bought, luggage sent to station, where part of her family were awaiting her, and she with hat and gloves on was waiting for a coach.

Suddenly she felt a pain in her breast, and took some potassium bromide to steady her nerves. Two minutes afterwards she took a terrible pain in the head, reeled and exclaimed to her sister, Mrs. Pallen, that she was blind.

She then became unconscious. This was about twelve thirty. She died shortly before two, continuing except for one brief space, unconscious till the last.

Her death was probably due to hemorrhage at the brain, hastened by excitement of the journey. Ten of her thirteen children survive.

NEARING THE END.

Tour of Colonial Journalists Will Be Concluded on Thursday.

LONDON, June 22.—Today the overseas delegates to the Imperial press conference are enjoying a tour of the Scottish lake district. The tour included a visit to Loch Lomond, the Trossachs, Callander, etc., as guests of the city of Glasgow. The delegates go to Edinburgh tonight, where they will be the guests of the lord provost tomorrow.

Thursday the tour closes and the delegates will return to London. On Friday the final session will be held in London, when formal action will be taken in regard to cheaper cable rates and press intercommunication. The Hon. H. W. B. Lawson will preside at this meeting.

Yesterday the University of Glasgow conferred the degree of LL.D. upon Sir Hugh Graham of Montreal, and the Rev. J. A. MacDonald of Toronto.

Mr. MacDonald, in returning thanks to the senate of the university for the honors conferred, said that their work as journalists was in the midst of a crowd, but they felt that when they went back, having been called to the true university ideal, they would also go back to strive for peace and not for strife.

At the banquet last evening, tendered by the lord provost and the corporation of the city of Glasgow, P. D. Ross of the Ottawa Evening Journal was called upon to respond to the toast of "Our Guests."

He said that the colonials had every confidence in Great Britain. The delegates from the overseas dominions believe, said Mr. Ross, that before Great Britain has been called upon to "spend her last shilling and sacrifice her last man" she will find that her foe has the worst of the game. Those across the sea realize that the mother country is carrying a tremendous burden of Imperial insurance, and they feel that the time might come when the burden might prove too heavy. The colonies might compare politically or commercially with those mighty islands, but they had unlimited confidence in the future possibilities.

MR. HUBBARD'S JOB.

What Hiram Hornbeam Thinks of the Reorganization.

(Times' New Reporter.)

"Well, well, well!" ejaculated Mr. Hiram Hornbeam. "So Hazen's got another job for Hubbard. Good pay—I s'pose. I thought on time W. W. was goin' to be one of the richest farmers in New Brunswick. I s'pose he took 'ees own advice, an' last settled it. Now Hazen's got 'em to advise the rest of us. Hey—what? I been waitin' this long while for the report o' that commission. I bet ten dollars I've heard Hubbard say everything in it over an' over agin, when he was stumpin' around among the societies for 'ees paper—or fer somethin' else. He's a nice feller. I like 'em frustrate. But if I wanted a job done in a hurry—I'd do it myself. I s'pose he'll be chief adviser to that doctor feller they got fer commissioner. I call 'late between 'em they'll make the weeds fly. I been waitin' ever sence Hazen got in to see what his government knowed about farmin'. I know now. They know jist what Hubbard knows—an' that's all. He's the chief priest an' high cockalorum. Now that pint's settled I wish they'd git busy on the roads. It's as much as a man's life's wuth to ride over most of 'em out our way. I never seen 'em wuss—By Hen!"

A GREAT CAMPAIGN.

Montreal Subscribes Over \$320,000 for Y. M. C. A.

MONTREAL, June 22.—The Y. M. C. A. \$300,000 building campaign closed today with a rush of subscriptions which brought the total to \$320,300, well over the amount required. Great interest was taken in the last day of the work, as nearly \$32,000 was still required, when the last figures were given out yesterday, and there was some doubt as to whether the last day's work would be sufficient to raise this amount. When the final results, however, were given out tonight, it was shown that the last day's work had netted slightly over \$51,000 making the sum required with a handsome margin. This included a subscription of \$10,000 from Robert Reford, an anonymous donation of \$2,500 and several other \$1,000 subscriptions, including one from C. M. Hays, general manager of the Grand Trunk. In addition to this, a subscription of \$5,000 was received from the late David Yule, who shortly before death a few days ago, had donated this amount to the Y.M.C.A. for its work amongst foreign young men.

ANOTHER IN LINE.

MONTREAL, June 23.—(Special)—Following the example of the Ogilvie Milling Company, the Lake of the Woods Company today announced that their employees belonging to the militia would get the time for their annual training and two weeks holidays extra with full pay. Mr. Robert Meighan makes himself personally responsible for this pay.

MINISTER AT ST. JOHN.

ST. JOHN, June 23.—(Special)—Hon. Dr. Pugsley, Minister of Public Works, arrived in St. John today from Quebec, and is being cordially welcomed.

One of the puzzles of education is why some girls study a foreign language when they already talk too much in their own.

The woman who is a man-hater is generally a woman who knows few men well enough to hate them.

Polished language is often used in telling the unvarnished truth.

MR. CROCKET'S PICNIC.

Only a Handful of Fredericton People Wanted to Hear Tory Orators.

The offer of free transportation and the holding of the train one and one half hours, and the music of a brass band failed to scare up a crowd from this city for the much advertised Tory picnic being held at Stanley today. The excuse given for delay in the departure of the train was that Premier Hazen and a number of friends were coming from St. John. They may have intended to come, but they failed to put in an appearance.

Provincial Secretary Flemming was announced to be one of the speakers. He reached the city from Campbellton by last evening's train, and afterwards had a conference with some of the faithful at the Barker. When told that he would be expected to define the government's policy on the Valley Railway scheme, he suddenly remembered that he had business at Hartland which demanded his attention. This morning he telephoned Hon. Mr. McLeod, cancelling his engagement and made his escape by the Gibson train.

The Fredericton Brass Band, followed by a few small boys marched down Queen street to the I. C. R. station at nine o'clock. The train of six cars, pulled out half an hour later with just enough people on board, exclusive of the band, to comfortably fill one car. Among the number were noticed Mr. O. S. Crockett, M. P., Dr. J. W. Daniel, M. P., Mr. J. H. Pinder, M. P. P., Hon. P. Mr. J. K. Pinder, M. P. P., Hon. P. P., Mr. William Lemont, Walter Lister, Thomas Blair, David Richards, C. H. Thomas and several others including ladies. Mr. Richards discharged the duties of ticket agent. At Marysville the excursion was joined by two men—one a visitor from Rumford Falls, Me., and the other a visitor from the west—and six ladies. About twenty people were assembled at the station, but none of the great men bound for Stanley took the trouble to poke their nose outside of the cars.

A few of the faithful joined the party at Tarmouth, Covered Bridge, Durham Bridge and other points along the Nashwaak. The party arrived at Stanley shortly after eleven o'clock.

A flood of oratory is promised for this afternoon, and in the evening there is to be a dance in the agricultural hall.

A message from Cross Creek this afternoon states that the Tory excursion train arrived there with three of the cars entirely empty. The entire contingent could have found ample accommodation in two cars. At the different stations the "large crowds" consisted of two and in some cases four people. All advice go to show that the frost was one of the worst experienced along the Nashwaak at this season for many years.

Mr. Crockett and his friends will probably retire from the picnic business after today.

METHODIST CONFERENCE.

Important Resolutions Adopted and Other Business Transacted.

WOODSTOCK, N. B., June 21.—The ministerial session opened at 9 a. m., the President, Rev. A. D. McCully, in the chair. The pastoral address was read and received.

LePage, J. B. Young; Laymen: B. D. Smith, Wm. Munroe, J. A. Lindsay, H. Phair. The receipts were \$582.09, deficit \$305.95. The report was received and contribution of the committee. Thomas Hicks, Wm. Wass, J. M. Rice, Geo. Steel, S. L. Stockton, John Nesbitt, J. T. Mellish, J. A. Braco ordered.

The following resolution was presented by Rev. Dr. Rogers, seconded by Rev. Dr. Wilson: "That this conference has missed from its session the Rev. Charles Stewart, D. D., whose mature judgment and wise counsels have been so helpful to the conference for so many years. We desire to express our appreciation of the services Dr. Stewart has rendered the church, both in the pastoral and in connection with the educational institutions at Mount Allison, and to assure him that it, his comparative retirement, be is most affectionately remembered by us."

Rev. J. M. Rice presented the report of the board of examiners. The report was received and the following board elected: Revs. Wm. Harrison, W. G. Watson, S. Howard, C. R. Flanders, J. M. Rice, W. W. Lodge, E. Evans, G. A. Ross, H. E. Thomas, H. S. Young, H. C. Rice, A. D. McCully, secretary.

Rev. L. J. Wasson presented the temperance report as follows: Sec. 1.—After careful consideration of a resolution from the Fredericton district we recommend that the conference urge our people to request their representatives in the Dominion parliament to amend the criminal code so as to provide for the punishment of fornication and adultery, with which the law in its present form does not adequately deal.

Sec. 2.—In regard to section 12 of last year's report a communication from the minister of militia was received intimating that there was a misunderstanding in the interpretation of the word canteen, and we are glad to learn from a copy of the King's regulation and order that the sale of intoxicants within the camp limits is strictly prohibited.

Sec. 3.—We regret that the government of New Brunswick could not see its way clear to exact a prohibitory law for that province, but at the same time would express our satisfaction at the good results of the amendments to the present law which are already manifest.

Sec. 4.—That the following be appointed as the representatives of the conference on the board of temperance and moral reform: Revs. H. Thomas, C. Flemington and Messrs. J. Hunter White and Peter McCallum.

Sec. 5.—We express our gratification at the great and noble work of Dr. Chown and those associated with him in the matter of moral reform and would record our gratitude to God for the victories won and the advancement of the cause in general.

Sec. 6.—We regret the recent decision of the Supreme Court of Canada which excludes the I. C. R. from liability to the law which prevents transportation companies from carrying liquor into prohibition territory, and we would earnestly request that early action be taken which shall put the government railway in this regard on the same basis as all other transportation companies.

Sec. 7.—The conference earnestly requests the Dominion Parliament to grant the request made by the Provincial Legislatures of P. E. I. and heartily supported by the temperance people of that province praying that legislation be passed prohibiting the importation of intoxicating liquors into any province where a provincial prohibitory measure is now or may be in force and further resolved that a copy of this item signed by the president and secretary be forwarded to the Dominion Government.
