HE MAY GET IT.

It is said that Mr. George Bidlake of the Gleaner staff, stands a good chance of securing the position of official reporter of the Legislature, to be vacated by Mr. Hubbard. Mr. Bidlake has acted as assistant reporter for several years past and claims to be pretty well onto the job.

INDIAN WEDDING.

An Indian couple were married at St. Anthony's church today by Rev. Father Ryan. The couple were Dennis Brooks and Catherine Atwin. Levi Brooks acted as best man and the bridesmaid was Annie Scobie. The happy couple are celebrating the event today according to their own custom on the reserve.

OPEN AIR CONCERT.

The Fredericton Brass Band gave an excellent open air concert at the West End band stand last evening. A feature of the concert was a cornet solo by Mr. J. Phair, formerly of this city but now of the Boston Symphony Orchestra, who is here on a visit. The Fredericton Brass Band will hold a festival under the pines on the evening of Dominion Day.

FINED FIFTY DOLLARS.

Mr. Charles LaBelle, who conducts a boarding house at McGivney's Sidings was fined fifty dollars by Commissioner Farris yesterday for selling liquor within the prohibited district of the N. T. R. A barrel of bottled liquor was lately seized on his premises, but he claimed that it was for private use. Mr. J. D. Phinney, K. C., appeared for the prosecution and Crockett and Guthrie for the defence. The case will likely be appealed.

ANOTHER PICNIC.

The congregation of St. Anthony's Church, St. Mary's, are to hold their annual picnic on Tuesday, July 6th, on the grounds adjoining their Church building at St. Mary's. Arrangements are being made to put on one of the best day's outing ever seen in that place. In addition to usually conducted, several new features will be introduced. Supper will be served on the grounds from five until eight o'clock and refreshments of all kinds will be provided. Music will be furnished by the Fredericton Brass Band.

RECOGNITION AT LAST.

It seems that Mr. John Oldham, the tombstone man, has a job from the government inspecting the work on the Patterson Gulch bridge at Kingsclear. Mr. Oldham, it will be remembered, applied for a similar job on the Fredericton bridge last fall, and although he had the support of the members for York, he was turned down by the Public Works Department on the ground that he knew nothing about the work. It is pleasing to know that he has since acquired the necessary knowledge to fit him for the duties of a government inspector.

WEDDING TODAY.

A pretty wedding took place at St. Anthony's church, St. Mary's, this morning, when Mr. Francis Wilson of North Tay, was united in marriage to Miss Catherine Hawkes, daughter of Mr. Henry Hawkes, of Tay. The best man was Mr. Leo Hawkes, and the bride was attended by her sister, Miss Nora Hawkes. A nuptial mass was celebrated by Rev. Father Ryan at the conclusion of the ceremony. The happy young couple will reside at North Tay.

GOING ON TODAY.

The Methodist Bazaar and Festival is being held this afternoon on the lawn adjoining the church. The rain of the early afternoon did not interfere with the arrangements and the different booths are doing a rushing business. Supper is to be served in the basement of the church from 5.30 to 7.30 this evening. A band concert and magic lantern show will be put on this evening. Admission 10 cts, supper 25 cts.

FOREST FIRES.

Mr. W. H. Berry, head government scaler, is at the Queen today, after a trip to the North Shore counties. He states that so far as he can learn the recent forest fires did very little damage to crown lands. In his opinion there is no doubt but that the bulk of the fires were set by careless settlers.

Mr. John G. Settle, a popular traveller for the Hartl Boot and Shoe Company, who makes his headquarters in Montreal, is here on a business trip.

Mrs. Jas. McKeechne came up from St. John last evening to visit Mrs. H. Dean Creed, Saunders street.

FUNERAL TODAY.

A large number of friends turned out this afternoon to pay their last tribute of respect to the memory of the late Mrs. Annie E. Lounsbury. An impressive funeral service was held at the late home of the deceased lady at the corner of St. John and Brunswick Streets at two o'clock by Rev. J. H. Macdonald. The choir of the Brunswick Street Baptist Church furnished music. The mourners included Messrs. Holland Lounsbury, H. B. McDonald, John T. Clark, W. G. Clark and George Clark. Messrs. William Cooper, J. W. Spurden, W. G. Dykeman, Havlock Coy, R. B. Wallace and Dr. Creed acted as pall bearers. A large number of handsome floral tributes were sent by friends of the deceased lady and her family. Interment was made in the family lot in the rural cemetery.

O'BRIEN ACQUITTED.

A Moncton despatch says: James V. O'Brien, tried on a charge of burglarizing the house of T. R. Wilkes in June 1908, was today honorably acquitted before Judge McLeod at Dorchester. At the first trial the jury disagreed, and the court was adjourned until today, for a second trial. The defence proved an alibi, and the accused was declared innocent of the charge. It was shown by the evidence that the accused was in Woodstock (N.B.) at the time the Moncton and Port Elgin burglaries were committed. O'Brien belongs to the R. C. R. here.

PROSPECTS LOOK GOOD.

Messrs. Harcourt and Hdyck, of the Canada Loose Leaf Company, are making a canvas of the city for stock subscriptions with a view of moving the industry to this city and are meeting with considerable success. The finance committee of the City Council believe that the concessions asked for by the Company are reasonable and will recommend the Council to grant them. The chances of Fredericton securing this important industry are considered bright.

SENT TO JAIL.

At the Police Court this morning Kenneth Brewer, aged 13 years, was sentenced to one month in jail for breaking into Hodge's wholesale grocery establishment on Sunday, the 13th inst. In passing sentence the Police Magistrate gave the boy some sound advice and told him that the next time he was convicted of theft he would be given a term in the penitentiary.

Cool Lord Rosslyn.

Perfect coolness is one of Lord Rosslyn's most notable characteristics. No reverse ever seems to disturb his stoical disposition. When a youth, and then Lord Loughborough, he once went on a trip to Norway, and, on arriving at Trondheim, found that the King of Sweden and Norway was also in town. Accordingly, the young Briton immediately went up to the palace and asked to see the monarch. On learning that his Majesty was "out," Lord Loughborough calmly produced his visiting-card, and said: "Well, give him this, and tell him I shall be glad to see him at my hotel." But the best of the affair is that the good-natured king took the lad at his word, and did go round to the hotel, to the no little astonishment of everybody connected with the establishment.

Humming Birds.

Humming birds can be domesticated and kept alive in cages by the curious expedient of making tubular paper flowers, at the bottom of which is placed a small quantity of sugar and water frequently renewed. They are thus enabled to take their nourishment in the usual way and soon become apparently contented.

THE WEATHER.

Moderate to fresh south to west winds today and on Thursday, mostly fair and decidedly warmer, but showers or thunder storms in many localities.
