To the Editor of the Herald:

Sir.—On Thursday evening the Liberals
of Stanley held one of the most enthusiastic
meetings ever held in this parish. There
were about forty-five representatives from
Stanley village and the adjacent settlements
(a very large number considering the few
hours notice). The meeting fully endorsed
Mr. Pickard's course in Parliament during
the past fourteen years, and judging from
the feeling of the meeting and the reports
from the adjacent settlement the majority
for Mr. Pickard in this parish must be large,
notwithstanding Mr. Hinkley's statement in
the *Sun* to the contrary. A large committee
was organized to look after the interests of
Mr. Pickard on the day of election. The
meeting closed by giving three rousing
cheers and a "tiger" for John Pickard.By inserting the above in your valuable
paper you will oblige,
Stanley, June 16. ONE WHO WAS PRESENT.TERRIBLE AND FATAL ACCIDENT TO A NEW
BRUNSWICKER.—The *Marinette*, Wis., *Eagle*,
of the 10th inst., states that on Wednesday
previous a fire was discovered in some slab
piles near the saw mill of the L. W. & V. S.
Company. The fire steamer was called out
and Hon. Robert Stephenson, who was the
chief of the fire department, being also resi-
dent superintendent and manager of the com-
pany, went to work with a will in connection
with the boys, to subdue the fire. During
the progress of the fire he ventured too far
amid the burning piles and was so severely
burned that he died the same day. Mr. Ste-
phenson was born near Woodstock in 1834,
and left this province with his parents in
1843. Since that time he has been a resident
of the United States. "He has been several
times," says the *Eagle*, "supervisor of Mem-
monee township, and was elected to the
House of Representatives in the Michigan
Legislature in 1880, serving both at the regu-
lar and special term. He was an energetic,
whole souled, genial and companionable
man who had as many warm friends as any
man in this section of the country. He was
buried with Masonic honors."

Meeting at Upper Keswick.

Sir,—Last evening I had the pleasure of
being at Upper Keswick to Mr. Pickard's
meeting. The meeting was a most enthu-
siastic one. The hall was crowded to its
utmost. Dr. Dow was also there, and spoke
with good results. Then the chairman made
a few remarks and the meeting gave three
cheers for Mr. Pickard, three cheers for Dr.
Dow, three cheers for the chairman and
three for the Queen. After the meeting
closed Mr. Inch, who you know is one of the
Tory party, and having charge of the lodge,
stepped forward and collected \$1.50 from
Mr. Pickard, and \$1.50 from Dr. Dow, which
was all right enough, but when his radiant
Tory eyes turned on Mr. B. Burt, the chair-
man of the meeting, and demanded of him
\$1.50 as a speaker, I was thunder struck. I
thought it was the meanest thing I ever
knew a man to do with his neighbor. Mr.
Burt paid the money over and the Tory went
on his way rejoicing for the present, but we
will make him weep on the 20th day of June
next.

Yours, etc., A KESWICKER.

Keswick, June 17.

The Last Campaign Song.

BONNIE S. L. TILLEY.

AIR: ANNIE LAURIE.

The Court House steps are bonnie,
Where early fias the dew,
And it's there that S. L. Tilley
Gie'd me his promise true.
Gie'd me his promise true,
That ne'er forgot shall be,
That the Intercolonial Railway
Should not go by Miramichi.Like the champion priest o' lying,
Sir Charles, he did repeat,
And like winds in summer sighing,
His voice was low and sweet,
Like Sir Charles he did repeat,
His promises to me,
That had he a portfolio,
He would let in breadstuffs free.His brow 'll be like the snow drift,
On the 20th day of June,
And his voice, though still' melodious,
Will lift anither tune,
Will lift anither tune,
For then he'll surely see,
That we want not S. L. Tilley,
Nor the waefu thing N. P.

ten years' active practice I have had occa-
sion to prescribe Cod Liver Oil and Hypo-
phosphites. Since Northrop & Lyman's
Emulsion of Cod Liver Oil and Hypophos-
phites of Lime and Soda came under my
notice, I have tried it, and take great
pleasure in saying that it has given great
satisfaction, and is to be preferred to any I
have ever used or recommended. I have
used it in my own family almost as a bever-
age during heavy colds, and in every in-
stance a happy result followed. I cheer-
fully recommend its use in all cases of
debility arising from weakness of the
muscular or nervous system."Mr. R. C. Winlow, Toronto, writes: "North-
rop & Lyman's Vegetable Discovery is a
valuable medicine to all who are troubled
with Indigestion. I tried a bottle of it after
suffering for some ten years, and the results
are certainly beyond my expectations. It
assists digestion wonderfully. I digest my
food with no apparent effort, and am now en-
tirely free from that sensation, which every
dyspeptic well knows, of unpleasant fullness
after each meal."Mr. Wm. Boyd Hill, Coburg, writes:
"Having used Dr Thomas' Electric Oil for
some years, I have much pleasure in testifi-
ing to its efficacy in relieving pains in the
back and shoulders. I have also used it in
cases of cramp in children, and have found it
to be all that you claim it to be."Old Dr Johnson was a benefactor. Seventy
five years ago he invented what is now
called *Johnson's Anodyne Liniment*, the
wonderful success of which in the cure of
diseases in the head, throat and lungs is
truly astonishing. No family should be
without it.Thousands of dollars might be annually
saved to farmers if they would give freely of
Cavendish Condition Powders to their horses,
cattle, sheep, hogs, and fowl. They prevent
disease and promote the growth. We said
Sheridan's. Those put up in large packs are
utterly worthless.
