SACKVILLE

SACKVILLE, Nov. 24.—Fred Ryan, H. E. Fawcett, C. C. Avar, and W. D. Rodd were in Moncton yesterday.

Mr. and Mrs. Ernest Wheaton, of Upper Sackville, who have lately moved into their new residence, received a genuine surprise last evening, by the arrival of a host of friends to give them an old-fashioned house warming.

The evening passed pleasantly away with games and conversation. Refreshments were served before the happy gathering dispersed.

Dr. Garnet O'Brien, of Amherst, is visiting his sister, Mrs. Fred Thompson.

Mrs. Mary Emerson, of Moncton, is visiting friends here this evening.

At a recent meeting of the Botsford Sabbath school workers, the following officers were elected for the ensuing year: Job S. Peacock, president; Mrs. William A. Scott, secretary-treasurer; George Purdy, J. H. Taylor, Edwin Allen, Typper Allen, vice-presidents; Rev. J. H. Brownell, Rev. Wm. Lawson, Wm. A. Scott, Woodford Allen, George Duncan, Winslow Kay and C. W. Purdy, executive committee.

E. Churchill, accountant for J. L. Black & Co., has received a government appointment as superintendent and accountant of the Nova Scotia Hospital, Dartmouth. Mr. Churchill will leave in a few days to assume his new position.

Miss Bessie Carter entertained the Junior Whist Club last evening.

Judge Emerson, of Moncton, was in town yesterday.

Miss Isabella Wry left yesterday for Fredericton, where she has a good position.

The death of Hugh Walton occurred on Wednesday at the home of his father-in-law, T. L. Wood, after a lingering illness of consumption. Deceased was 37 years old. He is survived by a widow and two children. The funeral took place this afternoon and was largely attended.

Mrs. James Davis and two daughters, of Port Elgin, left on Monday for the west, where they expect to reside in future.

Robert Lowerison has recently drawn a very excellent map of Sackville for the town council, giving all necessary details.

Mr. and Mrs. George D. Johnson of Cape Tormentine have gone to Point de Buie to spend the winter with their daughter, Mrs. Fred Smith.

THE VALUE OF CHARCOAL

Few People Know How Useful it is in Preserving Health and Beauty.

Nearly everyone knows that charcoal is the safest and most efficient disinfectant and purifier in nature, but few realize its value when taken into the human system for the same cleansing purpose.

Charcoal is a remedy that the more you take of it the better; it is not a drug at all, but simply absorbs the gases and impurities always present in the stomach and intestines and carries them out of the system.

Charcoal sweetens the breath, after smoking, drinking or after eating onions and other odorous vegetables.

Charcoal effectually cleans and improves the complexion, it whitens the teeth and further acts as a natural and eminently safe cathartic.

It absorbs the injurious gases which collect in the stomach and bowels; it disinfects the mouth and throat from the poison of catarrh.

All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is in Stuart's Charcoal Lozenges; they are composed of the finest powdered Willow charcoal, and other harmless antiseptics in tablet form or rather in the form of large, pleasant tasting lozenges, the charcoal being mixed with honey.

The daily use of these lozenges will soon tell in a much improved condition of the general health, better complexion, sweeter breath and purer blood, and the beauty of it is, that no possible harm can result from its continued use, but on the contrary, great benefit.

A Buffalo physician in speaking of the benefits of charcoal says: "I advise Stuart's Charcoal Lozenges to all patients suffering from gas in stomach and bowels, and to clear the complexion and purify the breath, mouth and throat; I also believe the liver is greatly benefited by the daily use of them; they cost but twenty-five cents a box at drug stores, and although in some sense a patent preparation, yet I believe I get more and better charcoal in Stuart's Charcoal Lozenges than in any of the ordinary charcoal tablets."

THAT OVER WORKED, PLAYED OUT FEELING AMONG WOMEN

There are thousands of females all over our land who are broken down in health and dragging out a miserable existence, overburdened with diseases peculiar to their sex, apparently growing old while yet young. Often they have pale or sallow complexion, hollow, sunken eyes, with a lifeless look; the face has a pinched and haggard appearance; they are weak, weary and trembling, often extremely nervous, starting at every little noise. Many are low-spirited, and some are fretful. Some are apparently bloodless, with cold hands and feet, while others are flushed by an unequal circulation of the blood, dizziness, and sometimes dimness of vision, loss of memory, and often loss of appetite and sleep, and are wearied with terrible dreams.

Palpitation of the heart, nervous prostration, smothering and sinking spells, shortness of breath and the sensation of pins and needles are all indications of a weakened condition of the heart or nervous system, and should any of them be present we would strongly advise the use of

MILBURN'S HEART AND NERVE PILLS

They bring health to the broken down, energy to the weakened constitution, tone up the tired, overstrained nerves, and strengthen the weak heart.

Mrs. Edward Jackson, Hall's Bridge, Ont., writes: "For a year I was greatly troubled with nervousness and loss of appetite, and could neither sleep nor eat. After taking a few boxes of Milburn's Heart and Nerve Pills I was completely cured and can recommend them to all sufferers."

Milburn's Heart and Nerve Pills 50 cents per box or three boxes for \$1.25, all dealers or The T. Milburn Co., Limited, Toronto, Ont.
