ALL THE SEASON'S SPORTS

GOOD WRESTLING BOUTS AT MONTREAL

The Montreal Herald, in its account of the wrestling tournament last Friday night, says:—

Three thousand spectators crowded into Sohmer Park, last night, to see the second series of the International wrestling tournament for the heavyweight championship. Six giants, from all parts of Europe, were on hand, including Apollo, the two hundred and fifty pound Irish Baby, and Karl Busch, of Russia, imported for the Ottawa Athletic Club. The latter is a husky guy, who gets after his man all the time, and either throws him or receives an explanation. He will appear here again in the near future, and may wrestle Maupas.

Apollo, bigger and better than ever, went on for the first bout with Chouniere, but it was all candy for the Shamrock Lad. After fooling for ten minutes, the two came to the mat with Chouniere on top. Apollo tosed him over his head and secured the fall in eleven minutes. If Polly had made a slip and fallen squarely in time, Chouniere would have been scraped up with a piece of glass.

Maupas and Lagler, the German, then took the stage and provided a red hot engagement. First Maupas would be on top—then almost down, while the three thousand people yelled their heads off. In the first twenty minutes Maupas had his man all but on the mat twice, the gong saving him from a double hammer once, and from a half Nelson again. In the third spasm Maupas got him on a quick roll in thirty-five minutes.

Schnable, the man from Vienna, and Carl Delivuk, of Austria, went on for the final bout, and put up a fast show. Carl's fancy semi-quavers had the crowd wild—but he is a "rassler" all right. After twenty-five minutes' excitement, the Austrian put Herr Schnable down with a far arm roll.

The Ottawa man, or the Russian importation, Karl Busch, beat Foubert, of St. Hyacinthe, two falls in ten minutes. Foubert was light and not in the dance with the rushing Russian. The falls went on a near arm roll and a half Nelson.

Dr. Gadbois refereed in his customary urbane fashion.

OFFERED $180,000 FOR DAN PATCH

M. E. Sturgis, representing a New York syndicate, offered M. W. Savage $180,000 for Dan Patch, champion pacing stallion of the world. Sturgis formerly owned Dan Patch and he sold him to his present owner for $60,000.

Mr. Savage refused the offer and said all the money in the world would not induce him to part with the great pacer. It is believed that Mr. Sturgis and his backers desire to secure Dan Patch not only for stud and show purposes, but to call James Gatchmb's bluff and match him against Audubon Boy, who recently equalled Star Pointer's world pacing record of 1.59½ without a wind shield. This is doubtless the biggest price ever offered for a horse, save Flying Fox in England.

James R. Keene, owner of Sysonby, was offered $100,000 for the great son of Melton, before the rich Futurity last year, which he lost, and again after his dead heat in the Metropolitan handicap at Belmont Park last spring.

BASEBALL CHAT

It is a funny coincidence that it was practically the same team the Athletics had in 1902, when they won the first pennant for Philadelphia, that won the championship this year. The only two pitchers now with the Athletics that were on the team the first year are Waddell and Plank.

Frank Kitson of the Detroit team has announced that this will be his last year in baseball. He says he will go to farming. Perhaps so, but he will probably have the fever, the same as the other players, next spring.

Congalton, the former Columbus player, who has played 14 games with the Cleveland team, batted for .472. He was 46 times at bat and made 17 hits. He looks like the goods.

Parent has done the best stick work in the Boston series, and Grimshaw has played the best set of games he has exhibited in Boston this year. His batting and fielding have been fine, but his base running rather poor.

It does not look as though there were going to be many changes in the Boston National team next year. Outside of the four pitchers and two catchers, the Nationals have only one spare man.

Bender was the first Athletic to receive a gift from the fans of Philadelphia. He was presented with two puppies by Gene Demontreville, former second baseman of the Boston Nationals, in behalf of some friends.

Rohe of the Chicago White Sox will probably be sent back to the minors next spring. His batting is far inferior to that of other second basemen in the league.

Allen Angree says "Pat" Dougherty is probably destined to become a great player. He says: "No man in the country is more of a puzzle to the fans, who are divided in opinion of his merits. It looks as though Griffith had not handled him just right. 'Pat' is a lad that should be patted on the back and rolled along. Get him going; he can hit and run bases with any of them. In Boston he is a greater favorite than Collins."

Wonder what would have been Hoffman's base stealing record had he played in all the Athletic games this year. His 45 stolen bases in only a little over 100 games speaks well for Danny.

THEY GET BAD BUTTER

Washington, Oct. 16—That samples of butter submitted as portion of a large quantity supplied to League Island navy yard at Philadelphia proved to be filled with coal tar dye, is the substance of a report which Chief Chemist Wiley, of the department of agriculture, will submit tomorrow to Secretary Wilson. Specimens were recently taken for analysis from the League Island yard hospital, kitchens and barracks, from the United States receiving ship Lancaster and other navy craft by representatives of the Pennsylvania Dairy and Food Commission who are said to have obtained similar samples from the manufacturer of the product. A copy of the report will be sent to the president who will in all probability call the attention of the department of justice to the matter.

JERRY SIMPSON SINKING

Wichita, Kansas, Oct. 16—Ex-Congressman Jerry Simpson is very low tonight. He suffered a hemorrhage attack today which left him in a very weak condition. He is unable to take nourishment of any kind. Slight hemorrhages have occurred this evening at frequent intervals.

Enoch Perkins, of Bridgewater (Mass.), brother of Eben Perkins, of this city, accompanied by his wife, arrived yesterday. The three will leave on the Shore Line today for Bonny River for a week's hunting. They will camp out at Bonny River.

JIU-JITSU MAN BROKE NO BONES

Japanese Athlete Was Thrown Twice by Wrestler Swanson in Unique Bout.

NEW YORK, Oct. 14.—Jiu jitsu was pitted against the wrestler's art at Sulzer's Harlem River Casino last night, and for the second time an American won. A Japanese athlete named Katsuguma Higashi essayed to either throw or break the bones of Alec. Swanson, a well-known wrestler. He tried to do the same thing to George Bothner several months ago. So far wrestling has triumphed in the trials. Mr. Higashi hinted at all sorts of bone-breaking holds and Swanson's friends attended in a body to carry him home if necessary. Swanson did not bare his neck and allow Higashi to select any hold he might choose. He went after the Japanese and soon had him on the defensive. Higashi's shoulders were pinned to the mat in a little over sixteen seconds, a crotch hold doing the trick. The second fall was gained in less than five minutes.

Swanson was whirled over Higashi's head a few times, but after he once got a line on the latter's style of attack he threw off his cautious manner and soon demonstrated that he would get away without any broken bones.

LITTLEJOHN AND GARDNER

Patsy Sweeny, the Boston boxer, who, it was announced, would box "Dan" Littlejohn here on the 20th, will not come but an equally good man, "Billy" Gardner, also of the "Hub," will be here. A telegram was received yesterday to the effect that Sweeny was ill; later Gardner was secured. Gardner is a boxer of considerable reputation, his opponents being of no mean reputation, as a glance at a partial list of his battles will show: Two decisions over "Patsy" Sweeny of five rounds each, and one of twenty; won from Martin Flaherty in six rounds, and also drew with him; Jack O'Brien in eleven rounds; Austin Rice in fifteen round; "Jimmy" Briggs in twelve rounds, and again in fifteen rounds; "Mike" Sears in fifteen rounds; knocked out Arthur Cote in five rounds, and also in six; won from "Eddie" Connolly in four rounds; knocked out "Willie" Fitzgerald in one round; Belfield Walcott, twelve rounds; Tim Harrington four rounds.

PILGRIMS WON

Boston, Oct. 16—Association football with its fast play and absence of brutality, received a strong impetus in this city from the game today on the South End grounds between the Pilgrims of England, and a picked team from nearby clubs, the visitors winning 5 to 0.

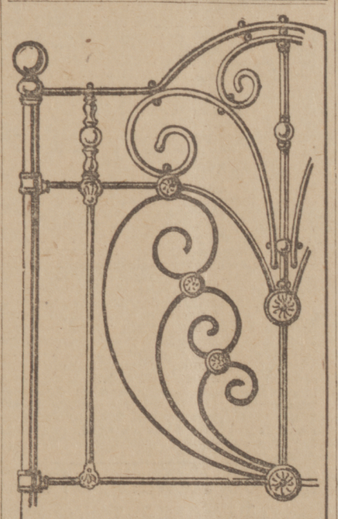

The light New England players, although very speedy and well abreast of their opponents in individual play, proved no match for the long rangy Englishmen with their well perfected team work. The Pilgrims scored once in the first half, and four times in the second, the goals all being shot shortly after play started Wodward, the centre forward, shot the goal within a minute after the whistle blew in the first half and bunted the second goal at the very outset of the second half. The third, fourth and fifth goals were shot by Brying, Fletcher and Coopland in rapid succession.

NEPTUNES WILL HAVE "GYM"

At a general meeting of the Neptune Rowing Club last night it was decided, providing a guarantee of fifteen new members could be secured, to fit up a first class gymnasium. The idea would be to take the big room used for reading and card rooms and fit it with all modern appliances including a shower bath, the whole to cots about $200. Boxing would also be taken up and an instructor engaged to give two lessons a week. The club hope in this way to add a lot of new members. The idea is a good one and there can be no doubt that by making the sporting end of the club more attractive the membership will be greatly swelled.

DOVER RACES

Dover, N. H., Oct. 16—The second week of the fall meeting of the Granite State Park opened with three well contested races in which two favorites, Chestnut in the 2.15 trot, and Bayard L. in the 2.27 trot, came up to expectations. On the other hand Pearl Tipping in the 2.15 pace, who was strongly backed, was beaten out by Elizabeth S. Kinney. Dore and Rombough were each fined $50 in this latter event for laying up heats.

AMERICANS MAY SEND CREW NEXT YEAR

(Boston Globe.)

There is some chance of a Leander crew meeting an all-American crew next year, at least, Jerome K. Jerome thinks so. Mr. Jerome is the English humorist, now lecturing in this country, but, is incidentally something of a sportsman, particularly in rowing matters. He is learning things about sporting methods he never knew before, among other matters that the "Leander" scheme is hardly a fair one.

One of the hard and fast rules of the famous Leander regatta is that members of a competing crew must come from one club. The Americans have made various efforts to enter a composite crew, but have met with this rule and could not bring on a race. The Leander Boat Club generally wins the big prize and the Englishmen claim it is an independent club, though, in point of fact, the members of the "big" crew are drawn from Oxford and Cambridge crews, and sometimes from other amateur rowing organizations.

The oarsmen are usually "invited" and owing to the prestige of the club, almost invariably accept, becoming members of the club as well as of the crew.

Mr. Jerome promptly suggested to his American informants that an American equivalent of the Leander "club" was the solution; but they pointed out that such a scheme had been vetoed by the Leander stewards, under "rule 10."

"What is rule 10?" asked Mr. Jerome.

"Nobody but the Henley stewards know and they won't tell." was the reply. "It is the rule the stewards use to debar would-be competitors. It gives the officials the right to reject entries without offering any reasons or excuse."

"That is all wrong," said Mr. Jerome. "All wrong. When I go back to England I shall inquire about this selected crew business. There should be an equal chance in the matter. I am positive that the British sporting public, which honestly loves fair play, would never tolerate any unfairness on the part of the Henley stewards, providing, as you say, that they really exist."

BIG MONEY FOR BALL PLAYERS

Philadelphia, Oct. 16—As a reward for winning the American League base ball championship pennant the 18 players of the Philadelphia club were today presented by President Shibe, of that club, with $8,131.49 to be divided equally among the men.

This is the amount of the Philadelphia club's portion of the receipts of the four games for the world's championship series with the New York National League club. The Philadelphia players also received $6,884.44 as their portion of the receipts of the post season games alloted to them by the National Commission.

MATTY BALDWIN A WINNER

Matty Baldwin of Charlestown put the dream punch on Sammy Myers of New York in the sixth round of their fifteen-round bout at the Douglas Club, Chelsea, Friday evening.

At no stage of the fight was the New Yorker in the running, and he got an awful beating before Baldwin drove home a savage left to the wind, and put him down and out.

In the preliminaries Billy Glover got the decision over Charley Dwyer, and Tom Gould defeated Larry Hayes.

A DIAMOND PENDANT

William Duggan, the oarsman, has received a diamond pendant from Boston. On the front is the following: "N. E. A. R. A.," with the figure of a sculler with a diamond set in, and "1905," and the reverse bears the inscription, "Senior Single, Sept. 4." A handsome banner is to follow.—Halifax Chronicle.

IRVING'S FUNERAL

Historic Westminister to be Final Resting Place of Sir Henry Irving.

London, Oct. 16—The Dean of Westminster, Very Rev. Joseph Armitage Robinson, announced this evening that, having received a request signed by leading members of the dramatic profession and other persons of distinction, he had consented to the interment of the body of Sir Henry Irving in Westminster Abbey.

Baroness Burdett-Coutts, who for many years had been a friend of Sir Henry, besides signing the request to the dean, has offered to place her house in Tratton street, Piccadilly, at the disposal of the Irving family on the day of the funeral.

Condolences continue to come from all parts of the world. The latest to be received today were from the Prince and Princess of Wales and from the directors of the Imperial Theatre at St. Petersburg.

The leading actors and managers at a meeting here this afternoon decided to follow the coffin on foot.

The nature of the memorial to Sir Henry will be the subject of another meeting.

HYDE WILL TESTIFY

New York, Oct. 16—James H. Hyde returned to New York city tonight prepared to testify fully before the insurance investigating committee whenever he may be called upon to do so.

There is now a perfect understanding between Mr. Hughes, counsel to the committee, and Samuel Untermyer, Mr. Hyde's counsel, and no formal subpoena will be served upon the Equitable's former vice-president.

It was also learned today on good authority that William H. McIntyre, the former fourth vice-president of the Equitable, will return as soon as his testimony is needed by the committee.

FIRES AT AMHERST

Amherst, N. S., Oct. 16.—(Special)—Following the two fires of yesterday afternoon the firemen were called out to West Highland at midnight. This time a barn belonging to Charles R. Casey was found to be on fire and had so far advanced that nothing could be saved. The barn contained 25 tons of English hay, two valuable horses and a quantity of sleds and harness. This is supposed to be the work of a firebug or a tramp. There was only $100 insurance on barn.

Harold McKiel, of the North End, who was accidentally shot in the head on Sunday, is resting easily in the hospital, although the bullet has not yet been extracted. It passed below the base of the brain and lodged near the left ear. The boy is cheerful and is quite a model patient.
