GRAND ORANGE LODGE OF N. B. MEETS AT SUSSEX.

Grand Master Speaks Strongly on the Autonomy Bill---Report of the Grand Secretary Shows a Prosperous Year---Healthy Financial Showing.

Sussex, N. B., March 15.—The 62nd annual meeting of the Grand Orange Lodge of New Brunswick opened last evening at 8 p. m., in Masonic Hall with Admiral Nelson Lodge, No. 124. Grand Master P. E. Heine presided and the following grand officers were present: P. E. Heine, W. G. M.; H. F. McLeod, D. D. G. M.; W. S. A. Douglas, J. D. G. M.; Rev. A. J. Prosser, G. Chap.; N. J. Morrison, grand secretary; H. G. Wadman, grand treasurer; J. W. Clark, G. D. of C.; A. R. Mowat, deputy grand secretary.

The grand master appointed Thomas Coggan inside tyler and D. L. Campbell outside tyler.

After the usual routine the following were appointed to select standing committees: A. J. Armstrong, P. G. M.; A. D. Thomas and David Hipwell, with the county masters present.

The mayor of Sussex, W. B. McKay and Ald. McArthur were introduced to the assemblage. The mayor read an address of welcome, as did also Bliss Freeze, W. M. of Admiral Nelson Lodge.

F. M. Sproul then, by request of the grand master, called Past County Master James A. Moore, of Kings, and on behalf of the lodge presented to him a magnificent past master's jewel. Mr. Moore made an appropriate reply.

A committee of five—H. F. McLeod, J. M. McIntyre, W. S. A. Douglas, J. A. Lindsay and Geo. A. Hicking—was appointed to draft a resolution re the Northwest autonomy bill, and a committee of three—Messrs. McLeod, McIntyre and Rev. A. J. Prosser, were appointed to prepare a resolution of condolence with reference to the death of Past D. Grand Master of British America, E. F. Clark, M. P..

Grand Master's Address.

The grand master then presented his annual address. He referred to the magnificent increase during the year in membership and financially, the substantial halls erected by the association, especially that at Newcastle; the war in the Far East, in which he took occasion to eulogize the fighting qualities of the Japanese; the far-sighted diplomacy of the Anglo-Saxons in their early alliance with the Japanese, and the power of the British empire in the east.

After reference to the separation of church and state in France and in South American republics, he dealt in no uncertain tone with the autonomy question of the Northwest, drawing a parallel as between Catholic France which was denouncing entirely church and state and the present attempt to establish, in Protestant Canada, that relation which has been so recently abolished by France.

The grand master closed a magnificent oration by congratulating Canada as a whole and New Brunswick in particular on their general prosperity.

Grand Secretary's Report.

The report of the grand secretary, Neil J. Morrison, showed that never in the history of the order in New Brunswick was it so strong numerically and financially as it is at the present time. There had been years when more lodges had been organized, and more members initiated, but last year all sections of the jurisdiction vied with each other in strengthening their lodges by creating more interest in the meetings and in getting better informed in the secret work of the order, and the consequence was that all the lodges reported at the last meeting were working, and the new lodges were in excellent standing.

The secretary urged upon the delegates to impress on the various lodges the importance of being punctual in making returns to the grand and county lodges. He had found some of the rural lodges still adhering to the practice of closing the lodges in the fall without holding the election of officers, satisfied that in the spring when they arrived home from the lumber woods there would be sufficient time.

The jurisdiction was well covered with lodges. In July of last year the order had been planted on the island of Grand Manan. Immediately after the last session communication was opened up with Chas. J. Foster, of Seal Cove, Mr. Foster and his brother were initiated in St. John, and after their return to Grand Manan started the work of organizing a lodge, and through the exertions of the junior D. G. M. and county master of Charlotte, R. W. Bro. S. A. Douglas, a very prosperous lodge was organized on on July 21. This made nine lodges besides the Scarlet Chapter and county lodge, now working in Charlotte county, where three years ago there were only two primary lodges.

The order had met with an irreparable loss in the death of M. W. Bro. E. F. Clarke, M. P., of Toronto, editor of the official organ, The Sentinel. Bro. Clarke was a warm-hearted and consistent Orangeman and one who always by word and pen upheld the interests of the order. He was a brother highly esteemed and honored by all classes, and destined, had he been spared, to fill many more places of honor in the order and in the affairs of Canada. Death had claimed him in the prime of life, and the order had been made poorer in consequence. To the wife and family of deceased, the lodge extended heartfelt sympathy.

New Lodges.

Five new Orange lodges and a Scarlet Chapter had been organized during the year viz., Miramichi L. O. L., No. 79; Red Bank, Northumberland county, Harbor Light L. O. L., No. 55, at Seal Cove Grand Manan; Derry L. O. L., No. 143, at Loggieville, Northumberland county; Smith L. O. L., No. 144, at Woodlands, York county; Maple Leaf, L. O. L., No. 146, at Norton, Kings county, and a Royal Scarlet Chapter in Victoria county.

The following Orange halls were publicly dedicated to the service of the order and the Protestant cause during the past year, viz., the large and commodious hall of stone and brick by the members of L. O. L., No. 47, Newcastle, was dedicated by the grand master and grand treasurer, assisted by the county master and officers of Northumberland county. Other halls were erected at Sunny Brae, Moncton and Chipman, Queens county.

The following returns were received to date:

Albert county, nine primary lodges and one county lodge; Charlotte and Carleton counties, the same; Carleton (north) returns eight primary lodges and one county lodge; Kings (west) six primary and one county lodge; Kings (east) five primary and one county lodge; Northumberland county, eight primary and one county, Kent, two primary, two to hear from; Gloucester, one primary and one county; Queens (east) five primary, one county; Restigouche, four primary and one county; Queens (west) seven primary, one county; Victoria, four primary, one county; Sunbury, four primary; St. John county (west), six primary, one county; Westmorland, twelve primary, one county to hear from; York county, (west), three primary, one county to hear from; York county (west), three primary and one county to hear from, making a total of primary lodges, 122; county lodges, fifteen with twelve primary lodges in good standing yet to hear from. From the lodges already reported statistics showed that 530 were initiated, 42 reinstated, 72 joined by certificate, 109 withdrew by certificate, four were suspended for causes other than non-payment of dues, five were expelled and 36 died.

The matter of celebrating the 12th of July was very generally observed last year. This yearly landmark of Orangeism had lost none of its old-time interest. There was no grand lodge celebration, each county holding local celebrations. In propagation work, the matter of visiting lodges was very generally carried out. The grand master and officers attended to a number of cases where visits were requested from county lodges and much good work was accomplished in that way. But it was found impossible to visit all the sections of the province. The several county masters aided very much in the work, also R. W. Bro. David Hipwell, P. G. M., who, owing to change of occupation, was available to fill in where those asked for could not attend.

Deaths.

The grand secretary had to chronicle the sad fact that the order had again been visited by the silent reaper. Twenty-six members had died, some of them in the prime of manhood. The secretary specially mentioned four well known to nearly all members of the grand lodge:—W. H. Anderson, P. C. M., of York, and one of the oldest members of the order in the county; John C. Henry, P. C. M., of Charlotte, and past junior D. G. M. of this lodge, Harry McAfee, P. C. M., of Westmorland, and past G. D. of C. of this lodge, and J. M. Steeves, P. C. M. of Albert. These brethren would be greatly missed in the meetings where they always stood for the great principles of the order.

A brief report respecting the Sentinel was submitted.

In conclusion, the grand secretary said: "In bringing this, my seventh annual report to a close, I beg to congratulate the grand lodge on its continuous prosperous condition and to thank all the officers and members who so unhesitatingly gave of their time and talents. The grand master and grand treasurer have worked faithfully and the utmost harmony prevails throughout our entire jurisdiction as evidenced by the fact that there is no petition or appeal from any lodge or member in this large jurisdiction to lay before us. I have found the grand treasurer prompt in all dealings with him, and I believe the grand lodge has the right man in charge of our continued increased finances. I desire, in closing, to thank all the officers and members of the association for many tokens of goodwill and confidence placed in me during the period that I have been your grand secretary and can truthfully say that I have endeavored to fill the position to the best of my ability, and leave with you the answer. Trusting that our meeting together at this time will stimulate us to greater efforts in extending our order and its principles, and asking for the guidance of our Heavenly Father in all matters brought up for our judgment and decision."

Grand Treasurer's Report.

The grand treasurer, H. G. Wadman, reported balance on hand last year $1,411.65; received during the year, $1,371.87; expended, $1,058.63 balance, $1,724.89.

The Bad Cold of To-day May Be Pneumonia Tomorrow.

The Sore Throat or Tickling Cough that, to the careless, seems but a temporary and trivial annoyance, may develop into Bronchitis.

Every hour delayed in curing a cold is dangerous.

Dr. Wood's Norway Pine Syrup,

contains all the lung-healing virtues of the pine tree, and is a sure cure for Coughs, Colds, and all throat and lung troubles. Miss Bertha E. Craig, Almont, Ont., says: "Last fall, for over two months, I had a very bad cold, and although I tried several remedies, it seemed as if I was getting worse instead of better. While looking over the Burdock Blood Bitters Almanac, I read about Dr. Wood's Norway Pine Syrup, and decided to give it a trial. When I had used about half a bottle, I found it was doing me good, so kept on until I had taken two bottles. It is the best cure for a cold I ever heard of."

SUPERIOR MERIT.

Remarkable Curative Properties of a Remedy for Indigestion and Stomach Weakness.

Stuart's Dyspepsia Tablets, a preparation for the cure of dyspepsia and the various forms of indigestion and stomach trouble, owes its great success as a cure for these troubles to the fact that it is prepared for disease and weakness of the stomach and digestive organs only, and is not recommended or advised for any other disease.

It is not a cure-all, but for any stomach trouble it is undoubtedly the safest, most sensible remedy that can be advised with the prospect of a permanent cure. It is prepared in tablet form, pleasant to taste, composed of vegetable and fruit essences, pure pepsin and Golden Seal, every one of which act effectively in digesting the food eaten, thereby resting and invigorating the weak stomach; rest is nature's cure for any disease, but you cannot rest the stomach unless you put into it something that will do its work or assist in the digestion of food.

That is exactly what Stuart's Dyspepsia Tablets do, one grain of the digestive principle contained in them will digest 3,000 grains of meat, eggs or similar wholesome foods, they will digest the food whether the stomach is in working order or not, thereby nourishing the body and resting the stomach at the same time, and rest and nourishment is nature's cure for any weakness.

In persons run down in flesh and appetite these tablets build up the strength and increase flesh, because they digest flesh-forming food which the weak stomach cannot do, they increase the flow of gastric juice and prevent fermentation, acidity and sour watery risings.

Stuart's Dyspepsia Tablets can be found at all drug stores at 50 cents per package.

"BILLY" IS NO MORE.

"Billy" the sorrel family horse of Joseph Allison, Princess street, was shot yesterday afternoon about five o'clock at the corner of King and Canterbury streets, after he had fallen and broken his hind leg. He was shot by Police Sergeant Caples. Robert Woods, footman to Mr. Allison was driving when the horse stumbled and fell. Mrs. Allison and Mrs. Keltie Jones were in the sleigh at the time, but fortunately it was not upset. A large crowd collected and Dr. W. H. Simon, V. S. advised the owners what to do.

The horse had been a pet in Mr. Allison's household for many years, and he had frequently worked on the delivery teams.

HE WILL REMAIN.

The quarterly meeting of Exmouth street Methodist church was held last evening, Rev. C. W. Hamilton, pastor presiding.

The treasurer's report showed the financial standing of the church to be in a fine condition.

The most important matter dealt with was securing a pastor for the ensuing year, and by a standing vote, Rev. C. W. Hamilton was unanimously requested to remain.

Rev. Mr. Hamilton announced his acceptance of the invitation, subject, as usual, to ratification by the Methodist conference in June.

THE DESTINY OF RUSSIA.

I hear! I hear!
The hiss as of a rushing wind,
The roar as of an ocean foaming,
The thunder as of earthquake coming,
I hear! I hear!

The crash as of an empire falling,
The shrieks as of a people calling,
Mercy! Mercy!—How they thrill!
Then a shout of "Kill! kill! kill!"
And then a small still voice, thus—

For
Revenge and wrong bring forth their kind
The foul cubs like their parents are,
Their den is in their guilty mind,
And Conscience feeds them with despair.—(Shelley.)

LOOK UP!

Take your eyes off the ground. Don't wait for "something to turn up." Be prepared for great opportunities, and success is half won.

We can train you for quick advancement in your chosen profession. Fill in and send us the coupon, and we will explain our plan by return mail.

What We Are Doing

Helping Misplaced and Dissatisfied People to Change Their Work

Many a good man that would make a success in Electrical, Mechanical, or Civil Engineering, or in Architecture, or in business as an Ad writer, Window Trimmer, or Show-Card Writer, is working today for very low wages or is in a distasteful position.

Many a bright woman that would make a success in Illustrating or Designing or in Architectural Drawing and Rendering, or in Ad Writing, or as a secretary through a knowledge of Stenography, Typewriting, and Correspondence, is eking out a scant living as clerk, housekeeper, or seamstress.

The trouble is that they do not know how to change to a more desirable or lucrative occupation. The I. C. S. solves the problem for them. We have prepared thousands for salaried positions in new lines of work, at their homes, in spare time, and at small expense. They held their old positions until they changed to the new with a salary better than before.

Thorough training and special skill in an occupation are sure to command employment, even in dull times.

Qualifying Young People to Start Work at Good Salaries

We train young men and women, by mail, at home, in spare time, and at small cost, for positions in which they earn GOOD SALARIES AT THE START, and advance.

A few months devoted to earnest study of Mechanical or Architectural Drawing; of Newspaper Illustrating; of Carpet, Wallpaper, or Linoleum Design; of Show-Card Writing; of Typewriting, Stenography, Bookkeeping, or Correspondence, will qualify any young man or woman for a good position at the start in any of these occupations.

No previous experience is necessary. All we ask is that you follow our instructions. We guarantee to make you a success in your chosen line of work.

Teaching Mechanics the Theory of Their Trade

In nearly every machine shop, drafting room, industrial plant, etc., we have students that have secured promotion and advance in salary through study in our Schools. The increased value of an employe that masters the theory of his trade or profession brings prompt and substantial recognition.

Even now, when times are dull, very few men who are thoroughly trained, and have special skill in any line of work, are out of employment. The industrial world demands technically trained and skilled employes, and such always command good wages and permanent employment. The mission of the I. C. S. is to train men's brains to accomplish the very best that is in them and to qualify them to fill the highest and most responsible positions in their line of work.

If you are dissatisfied with your salary, you can increase your earning capacity by home study, and fit yourself for a higher position. An I. C. S. Course is a guarantee of success.
