HORSE NOTES

(New Glasgow Chronicle.)

Again the American horsemen and their horses are invading the provincial turf meetings, with what success remains to be seen. We think the Nova Scotia horses are fit this year to take their measure in each and every class, so we should judge from comparing the time made on half mile rings in the United States and here. At Springhill the Americans make their first start in large fields and pretty hot company.

Joe Patchen, Jr., 2.26¼, is reported to have been driven a mile on the old Pictou track, last week, in 2.18½, the last quarter in 32½ seconds.

Phoebon W., 2.08¾, is back again to the provinces. His owners did not find things so easy in Maine. Down here the big end of free-for-all purses have been gifts of the bouquet order, though for the poor cuss who patiently holds a lottery ticket the order is not just to his liking.

The well-known Chicago pacing mare, Daisy Field, 2.08¼, was discovered down in Ohio last week masquerading as Ada M. At Dayton, O., on Aug. 2 this mare won the 2.27 pace. Daisy Field was sold in Chicago last winter and was taken to Mendota, Ill., where she was prepared for the races. Daisy Field, alias Ada M., together with Harry Snyder, who entered her, and Harry H. Bouslaugh, of Mendota, Ill., have been suspended by Secretary Knight, of the American Trotting Association.

MISS THOMSON WINS

The N. B. Tennis tournament was brought to a close Saturday. Miss Mabel Thomson was victorious over Miss Helen Robertson in the final for the ladies' singles, 4-6, 6-4, 6-3.

RACES AT MOOSEPATH SATURDAY

The races at Moosepath Saturday attracted a fairly good crowd of spectators. The events were what are known among horsemen as "matinee" races and the horses were therefore made up into but two classes—trotters and pacers. What might have proved a serious accident happened just before the races were called on. C. H. Peters was exercising his speedy horse "Billy," when some part of the harness gave way, resulting in the high strung animal running away and throwing Mr. Peters. Fortunately, outside of a shaking up Mr. Peters was uninjured, but the horse was not caught before the "bike" was badly smashed, necessitating the withdrawal of "Billy" from the race.

The pacing event was won by Belfrey Chimes and the trot by Lady Wilkes. The following is the summary:

The officials were J. H. Armstrong, starter and judge; H. J. Fleming and Leon Keith, timers; D. E. Lynch assisted Starter Armstrong in the judging.

RIFLE MATCH

St. John City Rifle Club held a spoon match on the government range on Saturday afternoon, the attendance was small and the changing light made it very difficult to make big scoring. The following were the prize winners:

PRINCE OF WALES CUP RACE

Halifax, N. S., Aug. 27.—The yacht race for the Prince of Wales cup was sailed on Saturday over a thirty mile course, starting at 11 a. m., and was won by the American schooner yacht Elmina, winner of the Ocean race from Marblehead.

The starters included Elmina, Corona, Hope Leslie, Gloria, Black Hawk, Princess, St. Lawrence, Dleone, Yoult, Hermes, Picqua, Cossack and Sanquoit.

The race finished shortly after 3 p. m. Corona was second, thirty minutes behind the Elmina, the sloop Gloria being third.

PRESQUE ISLE SHUT OUT BY ST. JOHN'S

The St. Johns defeated the fast Presque Isle baseball team on Saturday by a score of 2-0, generally conceded to be the fastest game of the season. It was a pitcher's battle in which the local twirler showed up in good shape.

Goode, the star pitcher of the Presque Isle team, had twelve strike-outs to his credit, while McEachern made nine men fan the air.

St. Johns made five hits off of Goode, and Presque Isle secured only three safe ones from McEachern.

There was a good crowd in attendance, and lots of enthusiasm was manifested.

The score was:—

TO ROW IN NEW YORK

Three of St. Mary's crew will leave for New York Tuesday by the Rosalind, and the other, in consequence of business engagements, will not leave until Wednesday or Thursday.

The races at the Labor Day regatta, on the Harlem River, on the speedway course, are one mile straightaway.

Last year Titus won the singles in 5.28, defeating Fuessel, Veseley and Duffield. The Ravenswood crew won the fours in 5.18, defeating the Vespers and Institute boat club.

Duggan leaves on Monday by rail for New York. His boat will be shipped by the Rosalind.—Halifax Recorder.

INTERESTING STORY ABOUT JABEZ WHITE

There is a little story of the Britt-White fight that brings out the side of Jabez White's character that doesn't deal with hooks and upper cuts.

White is quite a family man at home in England. He lives in the country, where his children (he has two) can run about in the open air and become strong and sturdy like their father. White is much attached to his family. In his training quarters he had many photographs of his wife and children, and his one thought seemed to be that a victory would mean more comfort for them in the future.

On the night of the big fight Britt entered the ring first. In White's corner appeared Charlie Mitchell. A moment later White jumped through the ropes. He didn't even look across the ring at his opponent. White was carrying a little package in his hand. Turning his back on the others, Jabez tenderly untied the parcel and produced a little red shoe. He tied it carefully to the top rope, right in his corner where he could see it whenever he sat down at the end of a round. It was the shoe of one of his "kiddies," and he had brought it all the way from England to have it with him in the ring.

It didn't make any difference to White that the crowd was with the local man. When Britt was cheered the Englishman smiled. How many times, coming back after a furious three-minute rally, battered and weary, he looked at that little red shoe and took on new strength and courage is not known. Perhaps he even kept in mind, when at the end of the last round, he stood with his hands dangling helplessly at his sides and refused to go down.

WITH THE BOXERS

Jack Munroe, who is regarded as a misfit in the boxing game, is looking for a match with Jack Johnson.

There will be a boxing show at Portland Labor Day. The main event will probably be between Harry Eddels and Bartley Connelly.

Terry McGovern was "pinched" again at Brooklyn the other day for assaulting a man who Terry claims was one of a crowd that said he "squealed" to the police on them for robbing him at poker.

LOS ANGELES, Aug. 24 — The fight between Hanlon and Fitzgerald, which was to have taken place next week, has been postponed a week because Hanlon got so badly sunburned while lying on the beach in his bathing suit that he cannot train.

JEFFRIES FOR REFEREE

SAN FRANCISCO, Aug. 24 — The referee for the Britt-Nelson fight must be chosen by Saturday or the fighters will each forfeit $2000. There seems little doubt that Jim Jeffries will be selected. Nelson is much in favor of him and all the coast fans want him. A fair referee is demanded, as Nelson is now very much a "favorite son."

CRICKET AT MONCTON

Moncton, N. B., Aug. 27.—(Special)—Moncton cricket team defeated the Amherst cricketers here in a one sided game Saturday. Amherst in the first inning made thirty-three and in the second twenty-eight runs. Moncton scored 94 in the first and 134 in the second. Ackman's 25 tnd 50 were the highest individual figures. The Amherst team is composed largely of new players.

TO TAKE IN FAST TRIO

LEXINGON, Ky., Aug. 24.—Sec. Wilson of the Kentucky Trotting Horse Breeders' Association tonight announced the classes for the 19 purses to be on the week's programme at the fall meeting here October 3 to 14. For trotters there are nine purses of the value of $1000 for classes from 2.06 to 2.25, and for pacers 10, ranging from 2.04 to 2.20.

Secretary Wilson hints strongly at a big sweepstake, which is to be added later. He, it is understood, has Sweet Marie and Sadie Mc together in a three-cornered match, the owner of Dr. Strong having written offering to enter him in the match for any amount of money the other owners want to race for.

BASEBALL

Ball Game at Hampton

A team from the local amateur league went to Hampton Saturday afternoon and played the Hampton team on the village diamond. The St. John team proved victorious, winning by 14 to 11. The Hampton team in the fourth inning led 10 to 2, but the visitors played steady thereafter. Quite a number witnessed the game. Seeley and Gallagher were the Hampton battery and the St. John team was as follows: Palmer, c.; Gilmour, p.; McCafferty, 1st; McCourt, 2nd; Stubbs, 3rd; Roots, s. s.; Black, lf.; J. Gilmour, cf.; Clawson, rf.

That 20 Inning Game

PHILADELPHIA, Aug. 24.—One of the greatest baseball games in the history of the sport was played here today between the Philadelphia Nationals and the Chicagos. It ended in the 20th inning, the Westerners winning by a score of 2 to 1. This equals the record, as major league baseball shows only two other games on a par with this. Chicago and Cincinnati many years ago battled for twenty innings, and this year Philadelphia and Boston, of the American League, stretched a game to a score of sessions. Boston lost this game by 4 to 2.

There have been longer games in minor leagues, but they held no such absorbing interest as today's contest, when every man that played figured in some sensational play.

The warriors, trained athletes as they are in the pink of condition, were wilted mentally and physically when the grind was done. It was given to only five thousand persons to witness the splendid struggle.

Time after time Reulbach of Chicago, and Sparks of the opposition, pitched themselves out of dangerous holes—pitched a game that the most rabid fan could not criticise justly.

The nineteenth inning was a classic. Mahoney opened it with a three-base hit and it seemed that the fight was about finished. But the fielding, brilliant as the score itself, was so perfect that he never saw the home plate.

The pitching and support were so phenomenal that neither side stole a run until the 13th inning. Chicago then earned a run. Chance found Reulbach for a triple and flew to the plate on a single by Schulte. Philadelphia, grasping the fire of the occasion, immediately tied up the score. Thomas hit safely, and when Tinker failed to hold Mahoney's long throw after the latter's great running catch of a foul, went to third, from which he scored on a single by Bransfield.

McCarthy started the 20th with a triple. Casey sacrificed, advancing the runner. Chance's single sent McCarthy home. Duffy batted for Sparks in this inning. He reached third on a twisting, tortuous hit. Ruelbach, however, struck out Courtenay and Magee and the game was won.

Baseball Notes

Brooklyn has secured Hummel of Holyoke, who has hit for .329 in 84 games, and Hartly of the same club, whose batting average in 82 games is .315.

The St. Louis Cardinals have signed Jokerst, a railroad conductor, as pitcher. As Jack Taylor is a brakeman, the Cardinals are ready to double as a train crew at any time. The jokers of baseball will have some fun with Jokerst.

Roy Hale, once with the Boston Nationals, is pitching good ball for Montgomery in the Southern League.

But 69 points separate the five first clubs in the American league. This is less than seven games and practically means the club with the proper spurt will take the money, although the Quakers have all the best of the race at the present time.

"It goes without saying," says Jake Morse in the Boston Herald, "that Jesse Burkett will not be with Boston next season. The veteran has not made good with the bat, and his work in the field has not been up to the standard expected of him."

Griffith's search for young blood is bounded only by the oceans. He went out to California and found Chase, went to New Orleans and picked up Hahn, one of the best young outfielders in the country; corraled Third Baseman Moriarity of the Toledo club, and has a crack catcher of the Eastern League in line for next season. Furthermore, Bobby Keefe, the promising pitcher of the Tacoma club, has just been bought, and he will join the New York Americans next spring. Danny Long arranged the deal for Griffith. It was Long who finally persuaded Chase to report to the New Yorks.

CHAMPIONSHIP RACES

Revere, Mass., Aug. 26.—The first of the series of 25 mile motor pace races for the championship of America was won tonight by Hugh McLean of Chelsea, who defeated James F. Moran, also of Chelsea, by three laps. Time, 34; 41 3-5.
