THE CUSHING CASE**Supreme Court Postponed Sale of Mill and Property Until September 15th.**

Fredericton, June 15—(Special)—Arguments in re the Cushing Sulphite Fibre Company, Limited, before the full court were concluded this afternoon. At the conclusion of the argument of the attorney-general the chief justice stated that the court, entertaining a very decided view that the parties ought to effect a general settlement of all matters in dispute, had decided that an adjournment of considerable duration was desirable in the interests of all concerned and that an order to that effect would be made.

He desired counsel to suggest a date to which the proceedings should be adjourned.

In stating the decision of the court, the chief justice said it was earnestly to be desired that the parties should give and take, until a reasonable settlement resulted. It was a very great pity indeed to have the company torn by the dissensions of the parties when it was abundantly evident the works were capable of earning very large profits, probably upwards of \$50,000 a year.

On the one hand one party was endeavoring to have the works sold under the decree of foreclosure, while the other was endeavoring to have the winding up of the company effected through the agency of liquidation proceedings.

Without desiring to reflect on either party he thought the position was very greatly to be deplored and he sincerely trusted that during the adjournment a settlement of all matters would be effected.

His brother justice, Barker, having stated his willingness to grant an order postponing the sale under the foreclosure proceedings no injury could result to either party by the adjournment as decided upon.

Judge Barker said he would adjourn the sale under the foreclosure proceedings to a date later than the adjournment of the liquidation proceedings.

Judge McLeod said he fully concurred in the decision of the court as expressed by the chief justice and added that at the inception of the liquidation proceedings he had strongly urged upon the parties it was a case in which mutual concessions should be made and a settlement of all matters in dispute agreed upon.

The attorney-general said that although he had not had an opportunity of discussing the matter with his associate counsel and client, yet he felt justified in saying no objection would be offered by the petitioner to the making of the order decided upon by the court.

After remarks by the other counsel interested it was agreed that September 15 would be a reasonable date.

The court then made an order that further consideration of the petition be adjourned until September 15.

Judge Barker stated he would postpone the sale of the works until a date later than September 15.

It was also agreed that in the meantime the operation of the works would continue as at present.

FATTENED ON THE CITY

How a Member of Philadelphia City Council Made Money

Was Interested in Contracts With the City in a \$22,000 Job -- 77 Officials Dismissed.

PHILADELPHIA, June 16—There were highly interesting developments yesterday in Mayor Weaver's crusade for good government. The fight against the trolley franchise is for the moment forgotten in the light of what developed at the hearing of select councilman Frank H. Caven, who is charged with violating his councilman's oath by being interested in city contracts.

During the hearing it was shown that Insurance Commissioner Israel W. Durham, the leader of the republican organization in this city, is a partner in the McNichol firm of city contractors. It was also shown that while James P. McNichol, who is now a state senator, and one of the local republican leaders, was in city councils the McNichol firm consisted of Durham, Mrs. James P. McNichol, John W. Mack, and Daniel J. McNichol, a brother of James P. McNichol. It was also shown that after James P. McNichol left the councils his wife withdrew from the firm, and that her place was taken by himself. At the close of the hearing Caven was held in \$2500 bonds for court.

Other evidence of a sensational character was to the effect that a secret agreement existed between Councilman Caven and his father, trading as James Caven & Son, and another firm, in which they agreed that no contract should be entered into by either of the parties with the McNichol firm or other firm doing work on the city's filtration system without the written consent of both parties.

As a result of what developed at the hearing, Mayor Weaver late yesterday accepted the resignation of John W. Hill, chief engineer of the bureau of filtration, and also that of his son, Henry W. Hill, who was assistant to his father.

Chief Hill was the highest salaried official in the city, his compensation being \$17,000 a year.

The filtration system has cost the city about \$22,000,000, and it will take upwards of \$5,000,000 more to complete the work. The McNichol firm has had contracts for about three-quarters of the work.

Two city park superintendents and ten employees of the electrical bureau were yesterday dropped from the pay roll, making a total of 77 men discharged during the current week.

DEATH FROM A TIGHT SHOE

In the Toronto Globe of May 15th an account was given of a young man of 32 whose death was caused from wearing a tight shoe. The friction and cramped condition resulting from wearing new shoes set up inflammation and death resulted within a week.

It is strange that people spend so much money on Tooth Powders, Face Powders, Hair Lotions, etc., but neglect their feet entirely. When a person's feet are uncomfortable the whole system is affected and there is no part of the body that should receive more careful attention.

Thousands of Canadians have used that old reliable preparation known as FOOT-BLM with entire satisfaction, and we doubt if there is a druggist of reputation in Canada who cannot tell you of customers who have been benefited by its use. Occasionally dishonest and greedy merchants will endeavor to substitute inferior brands for the sake of a little extra profit, but the great majority of druggists heartily endorse the original remedy, FOOT-BLM, knowing that it gives such universal satisfaction.

HARCOURT

HARCOURT, June 15—Yesterday afternoon two weddings were celebrated in the Presbyterian church here. Rev. R. Hensley Skaveri tying both nuptial knots. The church was tastefully decorated. Miss Stella G. Wilson played the wedding march in both cases. At two o'clock Isaac D. Dunn, son of Thomas Dunn of Beersville, farmer, was united with Miss Merilla Agnes Beers, daughter of James Beers of the same place. William Glencross and Miss Annabell Dunn attended the bride and groom. Bride and bridesmaid were attired in grey ladies' cloth, with pearl trimmings and white chiffon hats. A reception was held in the evening at the residence of Phineas Beers, grandfather of the bride. Many gifts showed the popularity of the young couple. They will reside in Beersville.

At three o'clock, John D. Shirley, son of Matthew D. Shirley of Harcourt, was married to Miss Mary B. Bonnell of Bass River, daughter of David Bonnell. Edward Shirley supported the groom, and Miss Lizzie Bryant attended the bride. The bride was tastefully dressed in white, and the bridesmaid in cream colored garments. The guests were entertained at supper at the groom's residence, and a merry party danced till the wee sma' hours. The young couple received many valuable presents.

GRAND FALLS

GRAND FALLS, June 15.—Word was received here today that Ned Sears, son of Mark Sears, Foley Brook, was drowned on Monday at Ashland, Me. The body is expected here today for interment.

Mrs. James F. McCluskey is critically ill. Mrs. J. C. Bragden is seriously ill. Mrs. Charles Mulhern is very low, and no hopes are entertained regarding her recovery.

A great deal of sickness prevails in town, and the sickness in almost every instance is of a serious character. The doctors are not only kept busy day and night, but frequently physicians from outside towns must be summoned.

METHODISTS IN SESSION

Conference Heard Reports of Various Committees Yesterday -- The Missionary Service

CHARLOTTETOWN, P. E. I., June 15.—At this afternoon's session of the Methodist Conference the reports of the missionary society as follows: Saint John, \$2,160.33; Fredericton, \$896.89; Woodstock, \$527.48; Chatham, \$486.14; Sackville, \$1,020.58; St. Stephen, \$469.88; Charlottetown, \$1,432.05; Summerside, \$766.17; total, \$7,009.49.

The educational committee reported receipts for the year as follows: St. John, \$350.48; Fredericton, \$138.65; Woodstock, \$36.76; Chatham, \$61.85; Sackville, \$260.15; St. Stephen, \$70.52; Charlottetown, \$203.90; Summerside, \$70.90; total, \$1,183.21, an increase of \$80.13 over 1904.

The Epworth League committee appointed Rev. W. J. Kirby chairman. Rev. C. W. Hamilton was appointed secretary-treasurer of the sustentation fund committee.

Among the district recommendations were the following: St. John district recommends a grant from the contingent fund to Rev. Dr. Robert Wilson, Ph. D., and the favorable consideration of the case of Rev. D. B. Bayley also a rebate to Welsford.

The missionary anniversary service was held this evening. After devotional services the report of the missionary society was presented by Rev. Thomas Marshall. The receipts fall short of the conference grant by \$300. This is owing to the movement to the west.

Mrs. G. F. Dawson, representing W. F. M. S., in her address reported growth and enlargement in every department of the work. In nine conferences there are 427 auxiliaries, an increase of 45, with a membership of 22,427, an increase of 1,576; mission circles and bands, 429; membership, 12,219. Total income of auxiliaries, circles and bands, including rest fund, is \$58,644. Of this the auxiliary contributed \$48,000, the circle band and Epworth League, \$8,890.

The address by Rev. James Henderson, D. D., of Toronto, assistant secretary of missions of the general conference, was one of the most eloquent and powerful appeals on behalf of the cause ever heard in Charlottetown. The discourse was marked by exceedingly striking epigrams, apt figures and chaste language. Money and missionaries, he said, are more intimately connected than even practical Methodists will admit.

The general conference, up to date, collected \$148,000 in missions, an increase of \$19,000 over last year, and by the end of the year expect to raise \$400,000, including \$50,000 by W. F. M. S.

The statistical report showed a membership of 13,800, an increase of 114; baptisms, 916; marriages, 330; burials, 747; total amount raised for all purposes, \$130,261; for circuit purposes, \$60,654.13, a decrease of \$80.

The parsonage aid fund committee this afternoon recommended to give a grant of \$392, asked for by the Stanley circuit.

WEDDINGS**McNutt-Agnew**

At Dominion Square Methodist Church, Montreal, on Wednesday afternoon took place the marriage of Miss Dora Gertrude Agnew, daughter of the late S. A. Agnew to J. W. Kirby McNutt, formerly of St. John, N. B. The Rev. C. E. Manning, pastor of the church, performed the ceremony, and Mrs. H. A. Hodgson presided at the organ. The bride was given away by her brother, W. J. Agnew. She wore a gown of white crepe de chine veil and orange blossoms, and carried white roses.

The ornament worn was a pearl sunburst brooch, the gift of the groom. Miss McNutt, the groom's sister, was bride-maid, wearing a white China silk dress, pale blue hat, and carrying pink roses. The bride's two little nieces, the Misses Olive and Hazel Davidson, were flower girls, dressed in white and carrying baskets of sweet peas. Charles Likely was groomsmen and Bert Shaw and J. Neville acted as ushers. The church platform was decorated for the occasion with palms and white flowers. The groom's gift to the bride was a pearl crescent, to the flower girls small signet rings, and to the best man and usher scarf pins. The reception was held at the home of the bride's mother, 440 Sherbrooke street. Mrs. Agnew was gown in black, relieved with a touch of white, and Mrs. Davidson the bride's aunt, wore fawn over green. The wedding trip was taken to New York and St. John, N. B., the bride travelling in a blue cloth costume. Mr. and Mrs. McNutt will reside at 440 Claremont avenue—Montreal Witnesses.

SUCCESSFUL CONCERT

A high-class concert was presented by St. Vincent's Alumnae last evening at the York Theatre.

The young ladies were greeted by a large and appreciative audience, and are worthy of much praise for the efficient manner in which they conducted the concert.

A very entertaining feature was a march and physical drill by twenty children costumed in white. The little girls went through a difficult performance in a manner that reflected great credit upon themselves and their instructor, Miss K. Lawlor.

The solos of Miss A. O'Regan, Mr. J. A. Kelly and Miss Bessie Wetmore, were under the direction of W. C. Bowden. St. Joseph's Society orchestra, under the leadership of Prof. Williams, rendered several selections in good style. Mrs. J. M. Barnes accompanied the singers in an accomplished manner.

Miss Katherine Greany gave excellent readings and Orsen G. Coll as usual stamped himself as an excellent elocutionist.

The Alumnae has two orchestras, one consisting of piano, guitars, mandolin and banjo; the other of piano, violins and cello, that reflect great credit upon the young ladies, who made a picturesque appearance in white. The orchestras are under the direction of W. C. Bowden.

St. Joseph's Society orchestra, under the leadership of Prof. Williams, rendered several selections in good style. Mrs. J. M. Barnes accompanied the singers in an accomplished manner.

At the conclusion of what was unquestionably a very successful concert, the Alumnae orchestra was photographed by G. M. Farren.
