

MR. MAYES SECURES
THE DREDGE BEAVER

Ald. Baxter Brought
This Word Back
From Boston

WILL SOON BE HERE

Expected Dredge and Scows
Will Be Here in a Week and
Work at Harbor Dredging
Will Be Commenced and
Rushed to Completion.

Alderman Baxter who, in company with Gershon S. Mayes, went to Boston recently on business connected with the dredge for work in the harbor, returned by this morning's train. Mr. Baxter said that the dipper dredge Beaver, owned by the J. S. Packard Dredging Co., of Providence (R.I.), has been secured and was partially dismantled when he left Boston, and if the weather conditions are favorable should be here in about a week's time. Mr. Mayes is still in Boston, and will leave for home about the same time as the tug start out with the dredge, besides which two, and possibly three, large dumping scows will be brought to St. John.

The dredge is now in Green's yard, Chelsea. It is of the dipper type and, according to Mr. Baxter, is particularly adapted to the needs of a harbor like our own, and is equal to, if not better, than any that has yet been employed here.

Tug Flushing, Capt. Ferris, left this morning for Boston, and probably a second tug will leave in the immediate future, as it is said two will be required to bring the dredge and equipment to St. John.

THE IRISH GUARDS' BAND

The Irish Guards' Band, whatever its musical merits, appears to catch the popular taste more than its predecessors. "I tell you what it is," said an old gentleman, "they give us aristocratic music." The popular taste is not so far astray in music either when the crowd the other morning cheered one of Tschalkowski's overtures fifteen minutes long. There is a birdlike facility and sweetness of execution in the reeds that wins all hearts. The appeal direct is made at the close of a performance when the band plays "The Wearing of the Green," and follows it with "The Maple Leaf" and the National Anthem. They play "The Maple Leaf" with particular unctious and there were tears in the eyes of the composer last week as he stood and listened to the strains that will give him immortality.—Toronto Globe.

The Irish Guards' band will appear in the Victoria Ground, Oct. 16 and 17.

A BIG CONVENTION

CHICAGO, Sept. 18.—Delegates representing the various trade, industrial, and producing interests of the country, are to hold a convention in Chicago October 26-27. The object of the convention is to impress on congress the extent of the demand of the people of all parts of the country for the legislation outlined in the president's last annual message to congress, as follows:

The interstate commerce commission should be vested with the power, where a given rate has been challenged and after full hearing found to be unreasonable, to decide, subject to judicial review, what shall be a reasonable rate to take its place, the ruling of the commission to take effect immediately and to obtain unless and until it is revised by the court of review.

AN ALDERMAN'S VIEW

One of the aldermen speaking of the great difference in the tenders for the grubbing and clearing of the Robertson property in connection with the water extension, said this morning that he thought the men who were tendering did not correctly understand what was required. He said that the way he understood it, it was not necessary to remove all the roots, but simply to remove them down to the surface of the soil. He thought that if it was properly explained just what was required, the bids would be considerably lower.

W. R. Baker, assistant to the president of the Canadian Pacific Railway, came from Montreal last week, in the private car Lottebridge, to McAdam. He went from there to Plaster Rock.

Mrs. A. McHugh left Saturday evening to visit New York.

BOY PIRATES ATTACK YACHT
CLUB PARTY IN REAL STYLE

Chicago Has a Gang of "Lake Terrors" Who Flaunt a Black Flag and Work With Regular Dime Novel Effect—Fled When Police Came.

CHICAGO, Sept. 18.—With a black flag flying from its masthead and its occupants armed, a sailing craft appeared off the foot of 33rd street yesterday afternoon, and after a battle with members of the Douglas Yacht Club, in which the latter were forced to appeal to the police, weighed anchor and disappeared in the direction of south Chicago.

"The pirate ship," the police say, was seen by scores of persons on the shore. She dropped anchor less than a half mile out in the lake and its sailors clambered

WANT TO BUY
C. P. R. LANDS

Story That \$70,000,000 Has
Been Offered for Com-
pany's Western Land Hold-
ings is Confirmed From
Winnipeg.

WINNIPEG, Sept. 18.—(Special)—The report from London, England, that \$70,000,000 had been offered and declined by C. P. R. directors for the railway company's available lands in Manitoba, Saskatchewan and Alberta, is confirmed here, although the parties will not give their names for publication.

It is understood, however, that Hon. Hugh John Macdonald, K. C., represents the syndicate which is composed of Canadian, English and United States capitalists.

The idea was to acquire the extra C. P. R. land grant in the west and organize a company which would work with the C. P. R. and assist in every way possible to hurry the settlement of lands. The offer, it is understood, was submitted to Sir Thomas Shaughnessy and a party of directors while here and turned down, but the syndicate has still hopes of a reconsideration as several directors are favorable to the transfer.

OBITUARY

Norman Hardacker

Death occurred in Winnipeg last Tuesday of Norman Hardacker, of Grand Pre (N.S.), from typhoid fever. The young man was twenty-two years of age, and had been in the west for some time. The remains were sent east at the request of his father in Nova Scotia.

COUNTY COURT CHAMBERS

In the case of Bustin vs. Byrne on review from the county court of St. John, argument was heard on a motion for non-suit by D. Mullin, K.C., who is acting for the defendant.

At the regular sitting of the county court, S. B. Bustin brought suit against Patrick Byrne for the recovery of rent amounting in the vicinity of \$180. The defendant alleged that he rented the shop in question from a man named Segee, and to whom he paid the rent except for two months, when he had learned that the plaintiff claimed ownership. He admitted owing \$16 for two months' rent, and the jury returned a verdict in favor of the plaintiff for said amount. This morning in the county court chambers D. Mullin, K.C., acting for Mr. Byrne, moved for a non-suit on the ground that the county court had no jurisdiction, inasmuch as the amount was within the jurisdiction of the city court of St. John. Judgment reserved. E. T. C. Knowles for plaintiff; D. Mullin, K.C., for defendant.
