MARITIME BAPTISTS

Sixtieth Annual Convention Opened in Charlottetown Saturday.

Charlottetown, P. E. I., Aug. 19.—(Special)—The sixtieth annual meeting of the Maritime Baptist convention opened here this morning. An address of welcome to the delegates was made by J. K. Ross on behalf of the Charlotttetown Baptist church.

Rev. R. G. White, of Charlottetown, was elected president, J. J. Wallace, of Moncton, Dr. McKenna of Wolfville, vice-presidents; Rev. J. H. MacDonald, of Fredericton, secretary; A. W. Sterns of Charlottetown, treasurer.

The report of the Baptist Foreign Mission Board was read by Rev. J. W. Manning and showed that the prospects of gospel progress in India are brighter than ever before, but great difficulty is found in securing suitable missionaries.

About $4,000 was raised for foreign missions through the agency of the twentieth century fund. Legacies have been more numerous than usual, amounting to $4,547; total receipts were $25,712, and of this amount $21,183 was expended in salaries and other indebtedness of the foreign missionary board. It is estimated that $23,635 is needed to meet the expenses of the current year. The general results of missionary efforts during the year have been encouraging. There are eight churches in the foreign field with a membership of 525.

Obituary reports contained references to Rev. Howard Roach, Rev. E. H. Sweet, Rev. T. L. Higgins, Rev. James C. Steadman, Rev. James L. Reid, Chas. E. Knapp and Bowley Howat.

WOODSTOCK

WOODSTOCK, Aug. 19—M. S. Saunders, the N. G. of Carleton Lodge, went to Calgary this evening, where he has secured a good position. His family will remain here for the present. On last even ing in the lodge room, an Oddfellow's ring and the following address was presented to Mr. Saunders by the members:

To Murray Saunders, N. G. of Carleton Lodge, No. 41, I. O. O. F.

Dear Sir and Brother—We have heard with regret of your intended departure from our lodge and town to enter upon a new field of labor and usefulness.

During your connection with this order you have always exemplified the true spirit of Oddfellowship, and the loss to this lodge will be keenly felt.

We take this opportunity of wishing you every success in your new home; and we believe you will always have kind memories of your friends in this lodge.

We ask you to accept this ring as a small token of our regard. Yours in F. L. & T.

GUY B. MANZER, V. S.
CHARLES COMBEN, Sec.
W. B. BELYEA, Treas.
On behalf of Carleton Lodge.

Mrs. C. P. Bull and Miss Bull had a narrow escape last night. They were driving to their home in Grafton at 11 o'clock from the performance in the Opera House When approaching the river bridge, there were no lights burning at the railway crossing and no watchman in sight. They thought it perfectly safe to cross, but the night express backing came in sight. The horse swerved, the wheel struck a post, and the horse fell over the wharf, dropping quite a distance, breaking the shaft and harness, but escaping quite unhurt. The cars shoved the carriage quite a distance along the rails before the engine was stopped and the ladies rescued; besides being frightened, Miss. Bull was quite badly bruised by the accident.

ST. DAVID'S PICNIC

Enjoyable Outing Held at Westfield on Saturday.

The picnic held at Westfield on Saturday by St. David's Presbyterian church was a grand success. About 300 people were present and all seemed to enjoy the day.

Nineteen sporting events were carried out, under the supervision of James Steel.

The archery prize, a camera, was won by Mr. Donnelly, sexton of the church.

The one hundred yards dash participated in by five was won by Bruce Malcolm, his brother, William, coming a close second.

The running broad jump was also won by Bruce Malcolm.

In the ladies' competitions the results were as follows: 100 yards dash, Mrs. G. W. Campbell, 1st; Mrs J. Thompson, 2nd.

Pounding the nail, Mrs. G. W. Campbell, 1st; Miss Stone, 2nd.

This contest was very amusing. The ladies each had a trial and the one, putting a four-penny nail into a plank with the least number of blows won the prize.

One lady will probably suspend house work for some time, as she made a poor shot and the hammer with great force fell upon one of her fingers.

The other athletic contests were participated in by the younger generation and as usual were very exciting.

Only one accident occurred to at all marr the pleasure of the day.

An infant daughter of Mrs. Lake had her fingers badly jammed while going to the picnic one of the windows in the train falling upon them. The window was not fastened and fell with great force. Conductor Flemming, who was in charge of the train, procured some hot water and the baby's hands were bathed. The fingers were badly jammed and the little girl suffered much during the day.

The picnickers returned to the city at 7.30, all feeling that they had enjoyed the day to the fullest extent.

THE HALL OF SHAME

(Philadelphia Press.)

According to a contemporary this country needs a hall of shame. Philadelphia has a very satisfactory one in Moyamensing prison.

A serious collision occurred on Douglas avenue last evening between teams driven by John W. Giggey of Carleton, and F. A. Holman of this city. Both carriages were badly broken, but no one was injured. A large team, driven by Mr. Mooney, was in the centre of the road, and the other two carriages tried to pass on one side. Mr. Giggey's rig caught in the car tracks, and in the mix-up the wheels of Mr. Holman's carriage were shattered.

Deacon Jones—"Mend your ways before it is too late."

Young Jones—"Time enough for that, dad; 't is never too late to mend, you know."

MAY ARBITRATE

Believed That President Has Suggested This Means of Adjusting Disputed Peace Clauses.

PORTSMOUTH, N. H., Aug. 21—It is announced by the Associated Press that the feature of President Roosevelt's proposal to M. Witte through Baron Rosen and transmitted by the former to Emperor Nicholas was based on the principle of arbitration.

It cannot be stated positively whether the proposal contemplates all the articles on which the plenipotentaries failed to agree or not, but it is more than probable that it relates only to the indemnity and the cession of Sakhalin. It is impossible to say whether or not President Roosevelt has made a similar proposition to Japan. In such a case the regular diplomatic proceedure would be to submit the proposition to both countries simultaneously, but an advantage might be gained by securing the adherance of one before submitting it to the other. To Emperor Nicholas, author of the Hague peace conference, the suggestion of arbitration, which necessarily will immediately command the sympathy of public opinion throughout the world, will be particularly hard to reject. If the Emperor agrees, Japan, if she has not done so already, would more than ever be bound to submit her claim to an impartial arbitrator for decision. Acceptance by both sides would involve a great extension of the principle of arbitration, as heretofore nations have declined to arbitrate questions in which their "dignity and honor" are involved.

GRAND FALLS

GRAND FALLS, Aug. 19—C. F. Dibblee, Woodstock; Henry A. Forster, New York, and E. R. Teed, Woodstock, are in town.

Blueberries are now ripe and the crop is a good one.

The exterior of the Minto Hotel has recently been re-painted, and the interior repapered and renovated. The office is now a popular lounging room.

Mrs. Jack Porter and Miss Nellie Bell, Houlton, Me., are visiting Mrs. Porter's sister, Mrs. Geo. West.

Mrs. F. W. Olmstead has returned from a prolonged visit with friends in South Tilley.

Miss Mary Howard, who has been studying nursing in the Royal Victoria Hospital, Montreal, for the past three months, has returned home for a rest.

A grand ball, under the auspices of the Grand Falls band, will be held in Kertson's hall next Wednesday evening. Ogilvie's orchestra will furnish music, and the ladies of the picnic committee will provide supper. The recent frosts greatly injured the buckwheat, and in some places damaged the potatoes. In some instances the buckwheat in part of a field was wilted and spoiled by the frost, and the rest was uninjured. It is estimated that frost has killed half the buckwheat crop.

Miss Jean Langen, Tilley, is visiting her friend, Mrs. A. J. Martin.

R. Gagnon, an electric engineer from Montreal ,and J. Currie, of the N. B. Telephone Co., were here last week making telephone connections with Van Buren and Houlton. St. John has now connection by telephone with all Northern Maine.

Jas. H. Cliff, Woodstock, was a recent visitor in Town.

E. H. Bowman, S. John, is in town.

Dr. F. Getchell and Miss Edna Getchell, Limestone, Me., and Miss Helen Wolverton, Woodstock; Misses Myra Wheeler and Dionne M. Nicholson, Bangor, Me.; Fred W. Hoyt and Gilbert B. Peat, Andover, and H. B. Bcaristo, of Fort Fairfield, were recent visitors in town.

OBITUARY

Francis E. Grace

Francis E. Grace died yesterday at his home here, aged 68 years. He was a native of this city, and was well and favorably known here and in Boston, for his skill in wood-working. Many years ago, he conducted a small store on Mill street, where he manufactured all kinds of musical instruments and surgical appliances. Leaving here, he went to Boston, where he worked at the same business, having made the first "cases" used on the Boston Globe.

His wife, formerly Miss McCutcheon of St. Martins, survives.

Mrs. Harry J. Andrews

Mrs. Maggie M., wife of Harry J. Andrews, of the Royal Hotel, died last night at her home, Portland street, aged 32 years.

Besides her husband, she leaves one son, Harry, aged 9 years.

The funeral will be held tomorrow.

Richard Rowe

Richard Rowe, for many years connected with the county treasurer's office, died yesterday morning at his home, 9 Cranston avenue.

He had never recovered from an attack of grip, taken last February.

Mr. Rowe was a native of Cornwall, England, and came to this country about twenty years ago. He settled in Montreal, and engaged in insurance. Later he came to St. John, and started in the same line of business.

About seven years ago he was appointed to a position in the county treasurer's office.

A wife, formerly Miss Barbour of Montreal, three sons and five daughters survive. The sons are Charles F., of the I. C. R.; Edgar, of Halifax; and Richard, of New Glasgow (N.S.). The daughters are: Mrs. John S. Steeves, of Hillsboro; Mrs. N. Louis Brenan, of this city; Mrs. John Burton, of Ottawa; and Misses Ella and Lina, of New York.

THE GRAND TRUNK PACIFIC

The government engineers on the Grand Trunk Pacific survey will commence work on the location of the line through this province immediately. Engineer Weatherbee will locate about forty miles east of Moncton and will begin operations at a point about twenty miles north of Havelock Forks stream.

Engineer Balkam will begin at the same point and will locate near Chipman, where he will meet a third party coming east. Preliminary surveys of three lines coming to Moncton have been made—one by Salisbury, paralleling the Intercolonial, one via Berry's Mill, and a third connecting with the Intercolonial at Catamonk.

The grades from that point on the Berry's Mills line is said to be very favorable into Moncton and are considered the best.

SEE OUR WINDOW DISPLAY OF

Handsome New Waistings.

EVERY FETCHING NOVELTY.

ALREADY THE DEMAND FOR FALL WAISTINGS is quite beyond expectations. Our announcement of the first shipment a few days ago sent a steady flow of buyers and enquirers to our stores. Happy surprises were in store for all, the stock, though far from complete at that time, delighting even the most fastidious. Since that date many new goods have arrived as follows:

Silk Embroidered Waistings 65c. and 75c. Yd.

A soft pliable material in about all the staple and novelty shades and tints. Its particularly good feature is the Ringed and Spotted embroidered pattern, which is quite new. 29 inches wide.

Pretty Satin Laines, 55c. Yd.

The lustrous finish of this make of goods gives it an especially desirable look. It also is embroidered in spots of several sizes. The color range takes in new shades, and such standbys as Navy, Red, Black, White, etc., 29 inches wide.

Glace Waistings, 55c. Yd.

Resembling somewhat Satin Laine, the Glace effect has a pleasing shimmer to it. It has the same patterns as the Laine also, with deft embroidering in spots. This goods will be employed as a costume material as well. 29 inches wide.

New French Flannels, 50c. Yd.

Again the embroidered spot looms up, for it is truly the correct pattern for fall, but in the Flannels the color-grounds are all solid, no shaded effects. The usual—and a few unusual—colors. Beautiful fresh materials; 28 inches wide.

Albatross, 48c. and 50c. Yd.

There are two distinct lines of Albatross this season, the Ombred, or shaded stripe effect being the newcomer. It is going to be very much worn, too. Such tones as Greys and Greens, Browns, Rose, etc., are daintily commingled. 28 inches wide.

Printed French Flannels, 42c. Yd.

For soft garments and bright new waists. Stripes, in all the colors of the hour and Spots in a maze of sizes. This is an especially large stock, selected from the prettiest lines of 1905-06. 28 inches wide.

New Flannelettes, 15c. to 34c. Yd.

In many new effects, including Satin Finish, Cashmere Finish and Embroidered. Here is a collection for dressing jackets, bath robes, kimonos, etc. Printed and Woven effects. In Stripes, Spots and many Fancy designs.
