MURPHY FAILS TO DELIVER THE GOODS

New York, Oct. 19—The most sensational feature of the unprecedented campaign in this state was the announcement of Tammany Leader Murphy that Hearst's Independence League had tried to blackmail the Tammany organization by demanding money for the withdrawal of league candidates who have been put up in opposition to Tammany and Republican candidates for local places. While making a newspaper sensation, the only importance of the affair is that it shows the real feeling of the Tammany boss regarding Hearst, and that was pretty well understood before.

District Attorney Jerome, whose name had not been mentioned in newspapers for some weeks, summoned Murphy to appear before the grand jury today and tell all about it, under a section of the criminal code which specifies that "any person who solicits from a candidate, for an elective office, money or other property" is guilty of a misdemeanor, and punishable by imprisonment and fine.

The grand jury proceedings were farcical. Murphy appeared and virtually said he had no evidence to support what he had said. He gave the names of three men "from whom information might be got," and they have been summoned to appear. They are: William Astor, Chanler, a brother of Lewis Stuyvesant Chanler, the Independence League-Democratic candidate for lieutenant governor; Joseph Pendergast, former Tammany leader of the old fifth district and now associate leader of the twenty-fifth, and Joseph Golden, Democratic congressman from the Bronx and candidate for re-election.

It is pretty well understood that this will be about all. No criminal proceedings can possibly result and it is hard to see where the political profit can come in for anybody. Of course it emphasizes the bitter underlying feeling between the Tammany organization and Hearst, but each feeds the other just now and they can fight it out after election.

$100 Reward, $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

A HOUSE BURNED

Patrick Lynch's house at Shantytown, a mile above Ketepec, on the C. P. R., was burned to the ground yesterday afternoon about 4 o'clock. The fire was discovered by an automobile party, who, with the assistance of others, tried to check the flames, but to no purpose. The travelers in the auto were on their way to the city from Fredericton, and saw smoke issuing from a corner of the building as they were passing, and at once stopped to see if any assistance could be given. The party consisted of Mrs. F. A. Hackett and son, of Robinson, Me.; Dr. Mary E. McLeod, of this city, and chauffeur, Charles Hill.

Boils and Pimples

Red Rash, Eczema, in fact any skin disease, disfigures the complexion because the bowels are constipated—or because the kidneys do not rid the system of waste—or because the skin itself is unhealthy.

Ointments, salves and soaps are useless. Because the trouble is with the blood.

Owing to defective action of bowels, kidneys or skin, the blood becomes laden with impurities. It is these impurities — deposited by the blood — that make boils, pimples, and painful, disfiguring skin diseases. It is because the trouble is with the bowels, kidneys or skin, that FRUIT-A-TIVES cure these diseases

Fruit-a-tives OR "FRUIT LIVER TABLETS"

act directly on the eliminating organs—correct their irregularities—strengthen them—and thus clear the skin and make the complexion clear and soft.

If you have any skin trouble—or any fault with constipation, liver trouble, biliousness, headaches, indigestion, rheumatism—cure yourself with Fruit-a-tives. They are made of fruit juices and tonics—and never fail to cure.
