SAN FRANCISCO SUPPLIES LOW AND LITTLE IN SIGHT

Mayor Takes Gloomy View of Situation—Believes Information has Gone Abroad That Homeless are Amply Provided For and Will do Much Harm.

San Francisco, April 30—With no immediate prospects that the conditions will be such that the city will be able to feed and take care of itself for weeks, the citizens' committee today began to plan some way to provide against a failure of supplies. Mayor Schmitz informed the general committee today that 700 carloads of food and supplies had been distributed since April 18, and transportation lines have information of only 108 cars on the way now.

"If," said the mayor, "this information is correct, we shall soon be worse off than we were a week ago. If the information has gone abroad through the country that we are amply supplied, it is most unfortunate. It is not even known how much money we can depend upon with which to purchase supplies, for you have heard from Mr. Phelan that part at least of this money subscribed by individuals or companies in the east is disbursed through private agents here. While it is true that contributions of money will be very much more to the purpose than contributions of supplies, it should be notified to the world if the one is not available the other will be most gratefully received."

Chairman Phelan, of the committee on finance, said he had as yet received no reply to his telegram to Secretary of War Taft asking what the relief committee might expect out of the fund of $2,500,000 appropriated by Congress. He had information, however, that the $300,000 transmitted Saturday by Secretary Taft was given by him as president of the National Red Cross and was not a contribution from the government.

Basing his calculations on reports received within the last twenty-four hours, General Greely today said that the entire available food supply, including shipments on hand and those en route, would be sufficient under the new ration plan for the present destitute population for twenty-one days.

San Francisco, April 30—Reconstruction of San Francisco began in earnest today. As a result many destitute men secured work. Distribution of food to the homeless began today in the army ration plan evolved by Major-General Greely, and the output of supplies was lessened so that ten days' food is now in sight. It is uncertain, however, how soon free supplies may fail, and plans are under consideration to prevent a famine.

Signs of renewal of industrial activity were apparent in many parts of the burned area today, and the work of clearing away debris preparatory to rebuilding was in progress in a score of places. It was said that plans for more than thirty large buildings have been drawn, and will be submitted to the authorities as soon as the building laws are promulgated.

The mayor advised the board of supervisors today that he would appoint a committee consisting of engineers, architects, builders and lawyers, to prepare plans for laying out streets and boulevards and reconstructing San Francisco.

SICK HEADACHE

Many varieties of headache exist, those most prevalent being sick or bilious headache, nervous headache, headache from constipation, etc.

Headache is an effect of disease, the cry of the suffering body for relief from some oppressing disorder.

Undoubtedly the cause must be removed in order to cure the headache permanently. Wrong action of the stomach, liver or bowels is responsible for nine out of ten cases of headache.

In sick headache (a very common form) there is sometimes nausea and vomiting and usually constipation.

In nearly all forms of headache

Burdock Blood Bitters

has proved itself a specific—a medicine that has cured where all others failed.

Keep the stomach, liver and bowels in perfect working order by the use of nature's regulator and tonic, Burdock Blood Bitters, which cures all forms of headache by removing the cause.

Miss L. Smith, Morrisburg, Ont., writes: "I desire to let you know how much good Burdock Blood Bitters has done for me. I was troubled with headaches all the time, and could get no relief, until a friend told me of your Burdock Blood Bitters. After taking two bottles of it, I can say that I am completely cured."

B.B.B. is for sale at all druggists and general stores. Do not accept something "just as good."

Replying to my inquiry regarding a statement made in the Canadian house of commons that he has been connected with the North Atlantic Trading Company, Lord Strathcona said: "I absolutely and unreservedly state I have not and never had any interest in or connection with the North Atlantic Trading Company. It was not I who arranged the contract with the company. I never cordially approved of it."

FORMER PRESIDENT OF BOSTON BANK IS OUT OF PRISON

Greenfield, Mass., April 30—Charles H. Cole, former president of the Globe National Bank of Boston, was released from the Greenfield jail at 6 o'clock tonight after serving fourteen days less than six years in the institution for the misappropriation of the bank funds. He took the 6.43 train for Boston with the intention of going directly to his home in Kingham.

The recent approval by the president by an amendment to an act of congress passed two years ago, increasing time allowed for good conduct, enabled Mr. Cole to obtain his release eight months before the expiration of his sentence under the old law.

SHOT HIMSELF IN THE NECK

Fredericton, April 30—(Special)—The peaceful town of Marysville was shocked this evening over the suicide of Howard Gailey, aged nineteen, who while in a fit of despondency over the death of his financee, Miss Margaret Cameron, shot himself dead with a revolver.

Miss Cameron died at Marysville on Saturday evening after a lingering illness from consumption. Gailey, it appears, was greatly attached to the young woman and seemed to be much upset over the fatal termination of her illness. He has been employed in the napping room of the cotton mill, and this afternoon drew some money that was due him and, hiring a team from Morrison's livery stable, drove to the city. He returned to Marysville shortly before 6 o'clock, and after settling for the team, went directly to the home of his parents, who lived in a brick tenement near the cotton mill. He went to his room upstairs and a few moments later his two sisters, who were down stairs, were startled by the report of a revolver. They ran out of the house and called their father, George Gailey, who happened to be nearby, and told him that something terrible had happened to Howard.

Gailey immediately repaired to his son's room and was horrified to find the young man lying upon the floor at the foot of the bed in a pool of blood, which was oozing from a wound in his neck just below the left ear.

Dr. Fisher was at once summoned, but before he could arrive the unfortunate young man was beyond earthly aid. It was found that the bullet had penetrated his jugular vein and he never spoke after the shot was fired.

From the position of the body it was quite evident that Gailey had stood in front of a looking glass when he fired the shot, and he seems to have made sure that there would be no mistake, as the muzzle of the weapon was pressed against the neck. Before committing the dreadful deed he removed his coat and vest. A thirty-two calibre revolver, only one chamber of which had been loaded, was found lying upon the floor beside him.

On a chair nearby was found a note in Gailey's handwriting and addressed to his father. It set forth that he was tired of life and intended to destroy himself and requested that his body should be buried in the Methodist cemetery alongside that of Maggie Cameron.

The melancholy affair has created quite a sensation in the community, and much sympathy is expressed for the family of the deceased. Gailey has for several years been employed in the cotton mill, and was a sober and industrious youth and popular with all who knew him. He is survived by his parents and several brothers and sisters.

Coroner Mullin was called in and went up to the house this evening He decided that under the circumstances an inquest was necessary and empanelled a jury. After they had viewed the body they adjourned until Wednesday evening, when the inquest will be held in Marysville.

Mr. and Mrs. C. V. Wetmore, of Sydney, are at the Dufferin.
