20th Century Brand For Quality

Don't slip up on quality. It's easily done, but the results aren't laughable. It's better to pay a little more for a suit, and feel sure of it, than pay too little and take chances. 20th Century Brand ready-to-wear suits from \$15 to \$25 are garments with the risk of the slip-up taken out, but with all the style of expensive custom-mades put in. Other good suits down to \$8.50.

Society

With the near approach of summer the fashionable world is turning its attention to rural haunts, and already quite a number of local society folk have gone to their country villas for a few months of rustic life, and compare freedom from the formalities of city life. The popularity of summer resorts is growing apace, and this season very many city homes will be deserted, at least during the balmy months of June, July and August.

The latter month will be marked by a large number of nuptial events, for which preparations are already in progress.

The social functions of the past week have been very delightful. Among coming events the Golf Club bridge is being looked forward to with considerable interest.

The entertainments given in the drawing rooms of Mrs. W. F. Hatheway, St. James street, on Tuesday and Wednesday last, in aid of the Free Kindergarten, were successful in the fullest sense of the word. The attendance on both evenings was large and a goodly sum realized for a most worthy object. A number of young people gave a very clever production of a pretty comedy entitled "The Duchess," which was much enjoyed. Miss Emma Barker appeared to excellent advantage in the leading role, while the remaining members of the cast acquitted themselves in a highly creditable manner. Besides Miss Barker, those taking part were Miss Ruddick, Miss Huesen and Miss Hatheway. The male members of the cast being Messrs. Blanchard Fowler, Edmund Ritchie and Geo. Kirk.

The remainder of the programme was composed of vocal and instrumental numbers of a high order of excellence, taken as a whole, was most delightful, and will be remembered with pleasure by those who were privileged to attend.

Miss Helen Robertson has returned from a delightful visit to the Pacific coast.

Mr. and Mrs. James F. Robertson are home from Nova Scotia.

Mrs. Mont. McDonald and family are at Woodman's Point for the summer months.

Mr. and Mrs. George McDevitt have returned from a trip to Montreal.

Harold Purvis, with his fiancée, Miss Murchie, of St. Stephen, is visiting his parents at their home on Duke street.

Final preparations for the Golf Club bridge—which takes place at the new club house, on the 29th—are almost completed. Tickets are going rapidly and the event bids fair to be a pronounced success, both socially and financially.

Rev. David Lang returned Monday from St. Stephen, where he preached on Sunday last, having exchanged pulpits with Rev. Gordon Dickey.

The congregation of St. Andrew's Presbyterian church are looking forward with pleasure to the anniversary services which will be held on Sunday next when Rev. Dr. Herridge, of Ottawa, a noted Presbyterian preacher, will occupy the pulpit.

On Monday evening Rev. Dr. Harridge will lecture in the school room for the benefit of Sunday schools.

Rev. Harvey Morton and Mrs. Morton, of Trinidad, who are spending a furlough with Judge and Mrs. Forbes, were the guests of honor at a delightful little tea party given by Mrs. E. A. Smith on Monday last.

Mr. and Mrs. W. J. McKean and family, accompanied by Miss Mary Trueman, left on Wednesday morning for their northern home.

Mr. and Mrs. T. H. Estabrooks are on a visit to the Pacific coast.

Mrs. J. C. P. Burpee has returned from a very delightful visit to Tennessee.

Mrs. Vivanti, of New York, is the guest of her mother, Mrs. Dwyer.

Mr. and Mrs. Joseph Allison will make their home at the Bellevue Hotel, Rothesay, during the summer months.

AT OTTAWA.

The social circle at the Dominion capital has been by no means inactive, and as usual the names of Maritime Province people figure in many of the events.

Sir Wilfrid and Lady Laurier entertained at an enjoyable dinner party on Saturday night. American Beauty roses decorated the table. The guests included Senator and Mrs. Thompson of Fredericton, N. B.; Hon. and Mrs. William Patterson, Senator and Mrs. McGregor, New Glasgow, N. S.; Senator and Mrs. Roy, Edmonton, Alta.; Senator and Mrs. Miller, Arisaig, N. S.; Senator Ellis, St. John, N. B.

There is a possibility that both His Excellency Earl Grey and Sir Wilfrid Laurier will visit British Columbia this fall to attend the meeting of the Canadian Forestry Association to be held in Vancouver about September 15.—Ottawa Journal.

"Dr. W. P. and Mrs. Bishop, Bathurst, N. B., are the guests of Capt. W. H. and Mrs. Evans, University street.

"Mrs. W. M. Aitken, who has been visiting her mother, Mrs. Drury, Drummond street, has returned home to Halifax, N. S.—Montreal Star.

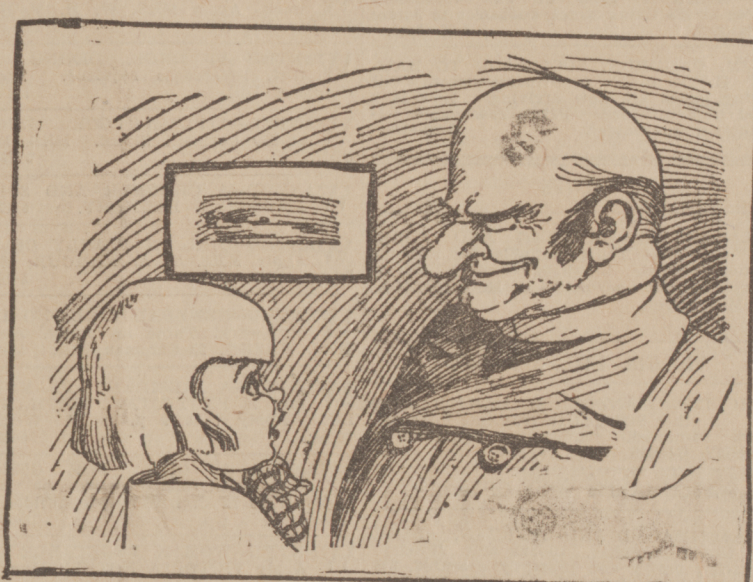

ROBERT MORISON, STIPENDIARY OF SUSSEX, DEAD

Passed Away Thursday After a Long Illness—Applied for Late Judge Gilbert's Position Wednesday—His Career.

Sussex, May 17.—(Special)—The entire community mourns the death of Robert Morison, barrister of this place, who passed peacefully to rest at 8 o'clock this morning.

Deceased had been ill more than a year of heart trouble, and although his death was somewhat expected, yet when the news quickly spread over the town sorrow filled the hearts of the citizens.

Mr. Morison was only forty-one years of age. He was hopeful to the last and on Wednesday sent in an application for the appointment to the position of judge of probate, an office which would undoubtedly have been his had he lived.

GAMEY'S ALLEGED BRIBE MONEY GOES TO AID HOSPITAL

Toronto, May 17.—(Special)—The last has been heard of the Gamey money. In pursuance of the act passed by the legislature the other day, an order in council has been put through authorizing the paying over to the hospital for sick children of the \$2,000 which was extracted by the court at the time of the inquiry. This consists of \$500 in Bank of Ontario bills and \$1,500 in a marked cheque which Mr. Gamey handed in to make up what he had spent out of the \$2,000 he received as the price of his turning over.

The injunction which was granted against H. M. McAlpine and Dr. McAlpine at the suit of the McAlpine Publishing Company, was, on motion of Hon. H. A. McKeown, dissolved last Tuesday by Mr. Justice Barker, A. P. Barnhill, K. C., and A. W. MacRae, representing parties in interest, consenting. This was pursuant to the settlement which has been made between the parties, whereby the McAlpine Publishing Company have disposed of all their directory interests in this province to H. M. McAlpine and Dr. McAlpine.

NOTORIOUS BANDIT UNDER ARREST FOR C. P. TRAIN ROBBERY

Vancouver, May 17.—(Special)—Edwards, one of the men held on the charge of robbing the Canadian Pacific Imperial Limited train, is undoubtedly Bill Miner, the most notorious of living train robbers. He has moles and other marks corresponding with those recorded when he was serving a sentence in San Quentin (Cal.) penitentiary. Miner is now 62 years of age.

His trial will be held at Kamloops and he is likely to be given a life sentence.

THREE GLACE BAY MINERS INJURED

Coly Donovan had a leg broken by attempting to get into the hoisting cage after it began to start from the pit bottom. Andrew Woodman had his head cut open by a fall of stone from the roof.
