SPORTING

BASEBALL

The base ball team of the Y. M. S. of St. Joseph last evening won one of the most interesting games of the society league, defeating the Father Mathew Association nine on the Victoria grounds 2 to 1 in a five inning contest. It was the first time these teams had met and there was considerable rivalry to make the interest more keen.

With the exception of the first inning, in which the playing was a little loose on both sides, the game was very snappy. Harrigan at third base for the F. M. A., although he missed a chance of preventing the winning run, showed signs of being a good player.

Frank George made his first appearance and pitched a good game for the initial one. He allowed but one hit and though he passed three men to bases, he struck out six. The score:

THE TURF

NOT FRENZIED FINANCE.

The Trotter & Pacer says: To the speculative public we would remark that the sole reason why the noted author of Frenzied Finance consigns to the Down East Auction, 50 head of his best horse stock, is not the result of financial equilibrium, but a desire to make room for some 62 foals which are expected to come into the world this spring at the Dreamwold harem. It is one of the most notable consignments ever sent to an auction. The stars of this great offering are, of course, Ponce de Leon, 2.13, and Dreamer (3), 2.14¼, but worthy of special mention are the great brood mares, the fast youngsters by Dare Devil, 2.09, Ponce de Leon and Dreamer, and the excellent offerings from the heavy harness stable which includes many embryo tan bark winners by the peer of pony stallions, Glorious Bonnie. Dreamwold Day is Tuesday, May 22, and the Readville grounds on that occasion will be the Mecca of horsemen from the four corners of the globe.

MERRILL MERIT.

The well-known starting judge, A. H. Merrill, of Danvers, Mass., has selected more unmarked horses that have made good in the money hunt than any other man in the United States. He has bought for Eastern parties such well-known cracker-jacks as Major C., 2.04, Don Carr, 2.06, Helen R., 2.08¼; Princess Moquette, 2.08¼, and over 150 other horses that have taken records better than 2.20. To the "Down East" Auction of the Fasig-Tipton Co., May 21-26, this most successful horse factor has consigned four green horses that are as superb individuals as one ever saw. Burline with a trial of 2.09 3-4, and Woodburn Boy, with a trial of 2.09¼, are green pacers of 2.06 ability that are sure to be listed among the great pacing stars of the nation. Mr. Merrill also sends the great green trotter, Albert Field, with a trial of 2.14 3-4, and also the wonderfully fast trotting mare, Robin Bird, with a three-year-old trial of 2.17¼. Mr. Merrill's consignment to the Down East Auction will attract no little interest, for the New England public, at least, is well aware of the superb merit of his selection. Merrill has the Indian sign. Over 250 horses of his selection have taken records of 2.30 or better, and when he says that these four to be sold at Readville, May 23, are among the best he has ever handled, it means something.—Trotter & Pacer.

HORSE NOTES.

J. M. Johnson has decided to breed Nancy Hanks, 2.04, to Todd, 2.14¾. The mare does not foal till late, but he says that he can not afford to take chances by letting her go over a year. It is his intention to found a Nancy Hanks family, or possibly a family with the ex-queen of trotters and Fanella, 2.13, as the foundation stones. With this object in view the production of a stake colt is a secondary consideration with him. He is hoping that Fanella's prospective foal by Moko will be a colt, as in that event he would have a desirable out cross for the Bingen, Todd and Peter the Great fillies which he has coming along.

A contract has been signed by M. W. Savage, of Minneapolis, Minn., and the Minnesota State Fair managers for a joint appearance of Dan Patch, the champion pacing stallion of the world, and Cresceus, the champion trotting stallion, on the opening day of the State Fair, September 3. These two great horses appearing at the same time on the State Fair race track and each going against his own championship record, will constitute one of the most remarkable track events ever witnessed—perhaps the greatest affair of its kind ever pulled off on any track.

Mrs. Mary Baker Eddy, the founder of Christian Science, will be the recipient of the finest pair of saddle and harness horses in Kentucky, the famous team, Tattersall and Eckersall, having been purchased for her last Monday from S. T. Harbison for $6,000. The horses were purchased by J. M. Osborne, of Paris, representing T. L. L. Temple, a rich lumberman of Texarkana, Ark., who will present them to Mrs. Eddy. They were shipped to the home of their new owner at Concord, N. H., the same day. This pair of horses were selected by several Cincinnatians as a wedding present to Nicholas Longworth, but the scheme fell through.

ROWING

FRED PLAISTED AT HALIFAX.

Fred Plaisted, the professional single sculler and rowing coach, arrived yesterday at Halifax, to take charge of the candidates for positions in the St. Mary's Rowing Club. Plaisted took with him two single shells, one of which was brand new and the other but slightly used, which are to be shells for two of the most prominent scullers in the club.

The St. Mary's Club sent an eight-oared crew to the national regatta in Baltimore last year, and it made a fine showing. This season, under the direction of Plaisted, the club expects to develop a senior and an intermediate for Worcester.

DOUBLE DROWNING IN LAKE NEAR CALAIS

James Curran, Jr., and Stephen Leavitt Went Down With Boatload of Brick.

St. Stephen, N. B., May 17.—(Special)—Two Calais men lost their lives by drowning in Meddybemps lake this afternoon. James Curran, jr., and Stephen Leavitt left Calais this morning for Meddybemps village, thirteen miles away, with brick and lumber for a camp that S. H. Phelan is building on an island in the lake. They loaded the brick into a small boat and were advised by men at the wharf that the load was too heavy, but wishing to save an extra trip, they put out from shore.

When half way to the island, and with the water calm the boat foundered and both men went down with her. Nothing but their hats ever came to the surface and up to the present the bodies have not been recovered. Curran was unmarried but Leavitt leaves a wife and eight children. Leavitt was formerly employed on the steamer Henry F. Eaton. Both were industrious men and good citizens.

Bend Your Arm— Ellis Spring Needle Ribbed Underwear

will stretch from shoulder to wrist—each stitch gives to the next—the strain on any one stitch not one-quarter what it will stand.

Release the strain. Each stitch takes back its own. It is **co-operation underwear.**

With the old latch-stitch this strain is local—confined to about six inches. Each fibre in that space is stretched to almost breaking—and cannot spring back as it should to keep its shape and wear.

That's why Ellis Spring Needle Ribbed Underwear fits best, wears best and is most comfortable.

Ask your dealer. And send for free booklet.
