CANADA MORE GENEROUS THAN UNITED STATES

Detroit Paper Declares Parliament's Grant of $100,000 to 'Frisco Sufferers Outdid Congress' First Appropriation—Says Uncle Sam Should Remember the Act in Its Future Dealings With This Country.

Montreal, April 24—(Special)—A special from Detroit says: The Detroit Journal (Rep.) tonight comments editorially:—

"The first appropriation of the United States Congress for the relief of San Francisco was $1,000,000. Canada, which has less than one-twelfth of the population of the United States, and a still smaller proportion of resources, granted a government appropriation of $100,000.

"That the dominion government should itself take official cognizance of the situation and make a grant that is proportionately even more generous than that of our own government, on which a special obligation rested, was as unexpected as it was gracious.

"The promptness of the act shows how spontaneous it was. It ought to be remembered as a beautiful incident in the history of the two countries which are neighbors, in a sense in which no two other nations in the whole world are neighbors, for no two others occupy a similar relative position toward each other and the rest of the world, and the respective interests and people and territories of no other two come in touch along a continuous line 4,000 miles in extent."

Damp Spring Weather Ruinous to Health

Causes Weakness, Headaches and Feeling of Unrest; the Cure is Simple.

That peculiar weakness so common in the spring, is demoralizing to body and mind alike.

Stupid, absent-minded and dull—You feel the need of a stimulating tonic.

To impart quickness and great vitality to the entire system nothing acts like Ferrozone.

In a short time it makes you feel fit and fine, creates a feeling of youth and strength that's surprising.

Ferrozone revives and braces the sickly because it nourishes and builds up the organs that are weak. As a spring tonic, appetizer and blood strengthener it is unequaled.

A well known resident of Utopia, Ont., Mr. H. H. Postle, writes: "From long experience I am convinced that everyone requires medicine in the spring. As a rule the blood is thin and impure and the whole system is congested with poisons that should be carried off. I use Ferrozone because it clears up the system, gives you an appetite and makes you sleep well. One winter I had serious palpitation of the heart, nervous headaches, and an extreme tired feeling. Sleep was not restful and by spring I was in bad shape. I took six boxes of Ferrozone and was made the picture of health."

Ferrozone makes permanent cures. Absolutely safe because it is purely vegetable and contains no alcohol. Concentrated cure in tablet form,—that's Ferrozone, 50c. per box or six boxes for $2.50 at all dealers or by mail from N. C. Polson & Co., Hartford, Conn., U. S. A., and Kingston, Ont.

CARLETON COUNTY CONSERVATIVE BANQUET

J. D. Hazen and Other Opposition Members Present to Do Honor to Messrs. Flemming and Smith.

Woodstock, N. B., April 24—(Special)—No little enthusiasm was shown at the banquet in the Carlisle tonight given by their supporters in this county, to J. K. Flemming and B. F. Smith, M. P. P.'s. The chairmen of the different committees were: Entertainment, John McKenzie; programme, George E. Balmain; reception, E. R. Teed. Besides Messrs. Smith and Flemming, the guests of honor were the following members of the opposition: J. D. Hazen, Robert Maxwell, W. C. H. Grimmer, Donald Morrison, and W. W. Hubbard and J. D. Black, representing James H. Crocket. Notwithstanding the unfavorable weather, every part of the county was represented. The menu prepared by Mr. Tabor was most elaborate.

At 10 o'clock the dining room was thrown open to the guests. E. R. Teed, president of the county organization, presided at the first table, with Mr. Flemming at his right and Mr. Smith at his left. After the solids had been disposed of, cigars were lighted and the speechmaking began at midnight.

In proposing the toast to the king,which was drunk with musical honors, E. R. Teed said they were present with feelings of pride at being citizens of an empire upon which the sun never sets. The chairman, in an eloquent speech, proposed the toast to our guests coupled with the name of J. K. Flemming and B. F. Smith.

Mr. Flemming, who was received with great applause, was touched at this evidence of his friends. He was gratified at the large attendance, many coming a long way in inclement weather. He and his colleagues had tried their best to serve the interest of their county and province. It was an honor to represent such a noble county as Carleton. He said the party, at the next contest, will name its strongest candidates and to a man the party will stand behind them. He complimented the leader of the opposition and said no leader had a party that stood behind him with such devotion as did the followers of Mr. Hazen.

He concluded an eloquent speech by saying that probably in a few months the call for another election will be issued and he expected Carleton to send a solid three in favor of the present opposition and to form part of a new government led by J. D. Hazen.

Mr. Smith received a hearty welcome. He looked upon this large gathering as a tribute to the opposition party as a whole for the good work done, particularly during the last session. He complimented the members of the opposition as men of ability that could safely be trusted with the government of this province.

He claimed the present government had neglected two of our great interests, agriculture and dairying, and condemned it for the great increase of public debt.

The toast to Our Leader was proposed by J. R. Tompkins, and responded to by J. D. Hazen. He complimented the management of the banquet, and his followers from Carleton for the able assistance in his work. He reviewed the work of last session and concluded his address by saying that his experience leads him to think that there will be a general election before the next session of the house, and that premier Tweedie will not be found leading the party.

Good government was proposed by Col. Vince and responded to by Messrs. Grimmer, Morrison and Maxwell. The Press was proposed by A. C. Calder and responded to by W. W. Hubbard and Douglas Black. The gathering dispersed at 3.30.
