

in carpentry is unusually thorough. This year the boys who aspire to be craftsmen are also obliged to take lessons in art. The boys are also learning sewing, housekeeping, knitting and crocheting. Instruction in music is provided for all.

Most of the schools where summer sessions are held are thrown open in the afternoon to the uses of real vacation and

to the Bible schools conducted by the Federation of Churches and held in Sunday school rooms, guild halls and in settlement houses. The Bible school teachers are all women. The first session of the Federation of Churches Bible school, Second avenue and Tenth street, yesterday afternoon after the first session of the season expressed themselves as encouraged with the success which had at-
