## BASEBALL

The base ball season for 1906 was inaugurated last night by the Inter-Society League, the nine representing the Y. M. A. of St. Peter's defeating the Father Mathew Association nine 3 to 0 in a five inning game. A good crowd were in attendance in the Victoria grounds, there being about 400 present, which, taking into consideration that it was an evening crowd, is certainly encouraging.

The grounds were not in the best of shape for fast ball, the recent rains having left them somewhat soggy. In spite of this fact the article put up was good for the first of the season and if the teams keep up the standard the series promises to be of the greatest interest.

The game did not get under way at 6.45, the announced time, it being about 7 o'clock when the wheels were started in motion by Mayor Sears throwing the first ball over the plate. With few, if any exceptions, all the players were on hand in good time and while all seemed to have some friends in grand stand, there were some who came in for particular attention. Such familiar faces as "Dicker" Mahoney and Dever, who have figured on the Portlands, coming in for a good share. There were a few old hands in both line ups, the North End boys having the lion's share of them.

A glance at their team will reveal that they are not exactly colts. Mahoney, Howard and Dever of the Portlands; Hodd of the Jubilees, and Small of the Y. M. C. A.'s, being included.

On the F. M. A. nine, Howe was probably the only one that could be termed a "Vet." The sympathy of the crowd seemed to be evenly divided, each team getting a grand reception as they came to the bat.

It was some few minutes before 7 when Mayor Sears entered the grounds carrying under his arm a box of balls. His worship was heartily received by the crowd. Soon after his arrival the popular big "Dan" Connolly strolled in at the gate. He was also welcomed. "Pete" McAllister was the next to wend his way through and he, too, came in for attention.

At sharp 7 o'clock Mayor Sears took off his silk hat , handed it to "Pete" McAllister, and, donning a small cloth cap, repaired to the pitcher's box and as the crowd cheered he tossed the ball over the plate and the season of 1906 was opened.

The St. Peter's boys took the field,Harrigan being the first at bat. The tabulated score tells the history of the game:

Vims Defeated Martellos.

The Vims of the West End League defeated the Martellos also of the league in a fairly good game of ball on the Market Square last night by a score of 5 to 3. The game was not of the regular schedule but was rather a work out for both teams. A large number of spectators watched the contest, which lagged somewhat towards the end. A special feature was the appearance of little Johnny Cregan, the St. John centre fielder who was on second sack for the Vims. Both pitchers pitched a steady game. The support ,however, was not as good as it might have been. The teams were:

## THE TURF

NEWS OF THE HORSES.

Trainer Clement, of Magog, Que., has gone to Moncton, N. B., track with three pacers, which he has entered through the Maritime Circuit. They are May Giry, 2.28, bl. m.; Robert C., bl. g., brother to Banner Boy Mabel Patch, b. m. The two last mentioned have no mark.—Canadian Sportsman.

The American Horse Breeder says:—F. Duncanson, of Fairville, N. B., informs us that he recently purchased of Thomas W. Pierce, Andover, Mass., the fast mare Princess Moque te (2 03¾) and will race her in the free-for-alls of the Maritime Provinces.

S. A. Rockford, who has several head at Combination Park and who does most of his racing in the Maritime Provinces, had the great misfortune of losing, by death, recently, his wife and child. He has the sympathies of horsemen in general in his bereavement.

W. J. Furbush, West Newton, Mass., has received a very tempting offer for his fast colt, Prince I. Wonder, by Red Pepper (2.17¼), but has not decided whether to sell. The colt has all the earmarks of a fast pacer, and last season he stepped an eighth at a 2.12 clip.

It is announced that Nancy Hanks (2.04) is to be mated with Todd (2.14¾) this season. It is safe to predict that, barring accidents, the foal that results will take a faster record than any that the ex-queen has yet produced and will need no airsplitting runner in front to overcome atmospheric resistance.

Advices from Buffalo, N. Y., state that the following telegram, from the noted trainer, E. F. Geers, was received there on the 6th inst. "Walter accidentally killed in a base-ball game at Columbia, Tenn." Walter was the eldest son of Mr. Geers. He was a well-educated and promising youth, 17 years of age. Mr. Geers will have the sincere sympathy of all horsemen in his great affliction.

E. H. Barter, a member of the board of directors of the St. Stephen Driving Park Association, thinks the outlook rather dark for horse racing on the border this season, and states that no effort to hold a meeting at either Calis or St. Stephen tracks are being made. Last year the attendance at the St. Stephen track on race days was slim, but the number of entries received was not encouraging and patrons of the turf were not particularly interested in the field. It appears next to impossible nowadays to get a bunch of speedy ones together on the local tracks where, in former years great racing was to be seen at every meet; but this condition of affairs cannot last forever and the old time enthusiasm will no doubt be aroused again when people tire of the sports which are now indulged in by former enthusiastic patrons of the turf.

James Hill of Calais expects to leave for Readville next week with three trotters which he will handle on the Readville track. The horses are Will Axworthy by Axworthy, 2.15 1-4, and out of the dam of Gaxton, 2.08 3-4. This horse is a handsome blood bay stallion standing 15.3 and will weigh nearly 1100 pounds. He is probably the fastest green trotter in the state, and one of the best gaited. He trotted a mile last fall as a four-year-old in 2.15. The second is the four-year-old mare, Edith, owned by Henry B. Eaton and sired by Kwanon, 2.12 1-4, a horse that Mr. Hill bought at the Allen farm as a yearling, raised and developed and sold to J. M. Johnson as a five year old. Edith is a very beautiful bay mare, large, stylish and with a splendid trotting gait. Edith's dam is by Alcantara, second dam by Olympus, son of Almont, third dam Vichy, dam of the game trotter Vichmont, 2.26 3-4. Vichy is by Pierson, son of Rysdyk's Hambletonian, out of Nannie Thorne, dam of Little Thorne, 2.23 3-4, and Thornless, 2.15 1-4. Nannie Thorne's dam is by Hamlet, son of Volunteer. The third in the string is the three year old chestnut gelding Billy H., owned by Fred L. Ham of St. Stephen, N. B., Billy H. is by McDougall, 2.14 3-4, a horse that Mr. Hill bought at Readville at auction as a three-year-old, developed and sold to C. W. Lasell as a five year old. Billy H.'s dam is by Tom Lang, a splendid individual son of Gen. Knox. His second dam was by Sandy Morris, sire of J. P. Morris, 2.20 1-2, and a son of Robert R. Morris, he by Hambletonian. Billy H. is an undeveloped green gelding. Mr. Hill has only had him about a month and he has shown wonderful improvement. He is very speedy and impressively gaited and acts as though he would be very fast. Mr. Hill thinks he is faster than McDougall at the same age, and McDougall is expected to get a mark of 2.10 this season.
