BASE BALL

ST. JOSEPH'S WON.

There was not a very large crowd at the Victoria grounds Saturday evening owing to the unfavorable weather, but those who were present witnessed an excellent game of ball in which the St. Joseph's defeated the F. M. A. team by a score of 3 to 1. There was a number of good sharp plays made during the game and the victory puts the St. Joseph's on almost even terms with the St. Peters. The following is the league standing:

	Won.	Lost.	P. C.
St. Peters	11	6	.647
St. Josephs	10	6	.625

St. Roses	4	12	.333

Game Postponed.

Owing to the threatening weather Saturday afternoon the game to have been played between the St. Johns and St. Peters was postponed and quite a number of people were disappointed.

CAPE BRETON LEAGUE.

The baseball match between Reserve and Glace Bay, at the latter place, Thursday, resulted in another defeat for the Reserve boys by the score of 13 to 4. Up to the seventh inning the score stood 1 to 1. From that time Reserve were outplayed at every point and in the opening of the 8th inning the score stood 8 to 2. Reserve fielding was principally the cause of their defeat. Glace Bay added 5 runs to their score in the eighth and Reserve two in the ninth. An interesting feature of the game was the double play by Howe unassisted in the seventh. The game started with Reserve's three batters put out on three assists by Boone. A. Finnamore lined a three bagger and got home. Carter scored for Reserve in second on a hit, 2 stolen bases and a hit by McIntyre. There was nothing more doing until the seventh when Glace Bay started in to roll up the score.

DIAMOND NOTES.

Oddly enough, both Boston clubs played their 100th game on the same day—Wednesday—the Americans with a defeat, the Nationals with a victory. The Americans must win 27 out of 54 games to land less than 100 defeats, and the Nationals 21 out of 54 to keep inside. Can they do it?

Liebhardt, the pitcher of the Memphis club, who has made such a fine record this season, has landed 25 games out of 33. Teddy Breitenstein has gathered 15 out of 21, and Wilhelm, formerly of the Boston Nationals, 17 out of 26.

The secret of the Sox's recent success has been discovered. It is all due to the fact that, since they returned home, each man has laid in new timber. But the fact that the bats are new ones does not explain it. Yesterday it was discovered that in the row in front of the Chicago bench, where the players lay their clubs, there are exactly 23 bats. And, since the number was fixed, it has been 23 with most of the pitchers that face them.—Chicago Tribune.

That riot in New York is a reminder that baseball is the same wherever it is played, says the Indianapolis Sentinel. The umpire is the object of attacks by both fans and players in the effete East as well as the West. One of the best signs of the game is that these umpires through the protection afforded them, can now make a decision against the home team as well as against the visiting team without fear of suffering much physical violence. Johnstone stuck to his decision in New York, knowing that there were enough policemen on the field to take care of him, and that the league would support him. It would not be a bad idea for the club owners in the American association to give the indicator handlers a little more protection. It is not good sportsmanship to make it necessary to give the home team all the better of the decisions.

"King of Short Stops," the Philadelphia Press styles Mike Doolin. Hear this, oh Cleveland with "Terry Turner, New York with Elberfield, St. Louis with Wallace and Pittsburg with Honus. If Doolin is a "king" of short stops, there are others, and everybody is entitled to his opinion. Let it be said that no one has anything on "Larry" Lajoie when he is playing the position, or Honus as he played it here, or "Terry" Turner, or Rodney Wallace.—Boston Herald.

Talk about a reorganized team! The St. Louis Cardinals don't look a little bit like the club that started the season. When they began the campaign they had Taylor, Egan, Thompson, Brown, etc., pitching; Grady, Raub, Holmes and McCarthy catching; Buckley, first; Bennett, second; Arndt, third; McBride, short, and Smoot, Hinnes and Shannon in the field. Now they have an entire new outfield, a new infield except for Bennett, three new catchers, and Drubot and Beebe as new pitchers. Never in major league history was a team so altered during the season.

CLEVELAND'S HARD LUCK.

While injuries to players on American League teams have been very frequent this season, the worst sufferer of the lot has been the Cleveland team. At present Bradley, Bay, Bemis, Stovall, Bueloy, Clark and Moore of the Napoleons are out of the game owing to accidents.

So unfortunate have the American League players been that only fourteen of them have participated in every game that has been played by their various clubs.

Chase and Keeled are the two reliables of the Highlanders, Jimmy Williams having stayed out of one game and Conroy out of seven. Parent and Stahl are the only two Boston players who have been able to play every day. Hobe Ferris has missed but two. Of the Washingtons, Left Fielder Anderson is the only one to survive the endurance race. Flick is the only Clevelander who has remained intact for the Napoleons. Lajoie has missed three owing to a boil on his knee.

Philadelphia and St. Louis have been the luckiest in freedom from injuries. Of the Athletics, Capt. and First Baseman Harry Davis, Second Baseman Dan Murphy and Shortstop Monte Cross have played every game. Of the Browns, Left Fielder Stone, Centre Fielder Hemphill and Third Baseman Hartzell have not missed a game. Donohue is the only survivor of the White Sox, Manager Jones having skipped four games. Prior to the opening of the season it was stated that Capt. Bill Coughlin, of the Detroits, had a bad leg and might have to stay out of the game occasionally. Strange to say, he is the only Tiger that has taken part in every game played by the Detroits. Linsay missed three, O'Leary four and Crawford seven.

The Peters Cup.

The sixth salmon boat race for the Peters cup was sailed at Westfield on Saturday and was won by the Ina M., owned by Messrs. Dunn and Rothwell. This is the second race won by this boat, she having come out victorious the previous Saturday. The contest however, was not finished in the alloted time of two hours and a half, but the committee during the race extended the time to three hours.

This extension will probably be the cause of a protest by the owners of some of the boats, as according to the R. K. Y. C. rules by which rules the racing for the Peters cup is supposed to be governed, an extension of the time of a race must be made at least two hours before a race.

After next Saturday's race it is said that the likelihood that boats that are a tie will probably race off for the cup.

THE TURF

AT BUFFALO.

BUFFALO, Aug. 11—Two favorites were defeated at the closing day's races of the grand circuit. In the opening event The Phantom, which sold for $50 against the field for $10, won. In the 2.10 pace, Alfalfa, popular choice, lost to Rudy Kip, while Wilson Addington upset calculations of the favorite players in the 2.13 pace, winning the event in straight heats. Darkey Hal sold favorite.

HORSE BIT JOCKEY.

BRIGHTON, Eng., Aug. 10.—Just prior to the decision in the race for the Worthing Plate yesterday, Marigold IV., ridden by Jockey Brady, reared up and knocked Jockey Madden, who was riding Centre, out of the saddle and then went on his knees, caught hold of Madden's throat and shook him like a rat, despite the efforts of Brady, who belabored the horse over the head. Eventually the enraged animal was beaten off.

Madden's throat was badly lacerated and he was bleeding freely when released.

THE OAR

INTERNATIONAL REGATTA.

Worcester, Mass., Aug. 11—Charles S. Titus, of the Nonpareil Boat Club, of New York, today regained his title as champion single sculler at the 34th annual regatta of the National Association of Amateur Oarsmen on Lake Quinsigamond.

Of the nine championship contests today four were won by two lengths, two more by six lengths and two others by twenty lengths, while the ninth, the senior eight-oared race, resulted in an unfortunate foul which caused the referee to decide that the race must be rowed tomorrow morning. In this event three crews started—the New York Athletic Club, the Argonauts, of Toronto (Canada), and the Riverside Boat Club of Cambridge. An eighth of a mile from the finish the Argonauts were leading the New Yorkers by half a length when the coxswain of the Toronto crew, however, steered over into Riverside water, and a genuine English "dump" occurred. The Argonauts stopped rowing at once, as did the Riversides and New York jumped into the lead. The Argonauts then started in pursuit of the New York eight, but were unable to catch them and the New York shell crossed the line three lengths to the good. Riverside did not finish. The referee decided to disqualify the Argonauts and allowed the New York and Riverside men to fight it out for a decision tomorrow.

Harry S. Bennett, of Springfield, led from the start in the finals for the Association senior singles, although John O'Neill, of St. Mary's, Halifax, made a fine race to the turn.

First race—Intermediate pair oared shells, won by Nonpareil Rowing Club, New York; Nassau Boat Club, New York, second. Time 10 min. 57 sec.

Second race, final—Association senior singles won by Harry S. Bennett, Springfield Boat Club, Springfield (Mass.); John O'Neill, St. Mary's, Halifax, second; Jas. McGee, Toronto Rowing Club, Toronto (Canada), third; Frank Veseley, first; Bohemian Boat Club, New York, fourth. Time, 10 min. 1 sec.

Third race—Senior four-oared shells, won by Winnipeg Boat Club, Winnipeg; Mound City, R. C., St. Louis (Mo.), second; Ravenswood Boat Club, Long Island City, third. Time, 12.27.

Fourth race—Intermediate double sculls, won by St. Alphonsus A. A., Boston; Wyanoke Boat Club, New York, second; Staten Island Boat Club, West Brighton, S. I., third; Sheepshead Boat Club, Brooklyn (N.Y.), fourth. Time 9 min. 58 sec.

Fifth race—Finals intermediate singles, won by J. C. Henderson, Winnipeg Boat Club, Winnipeg (Man.); Alexander Warner, Springfield Boat Club, Springfield (Mass.), second; Louis Major, first Bohemian Boat Club, New York, third. Time, 10 min. 33 sec.

Sixth race—Championship senior single sculls, won by C. S. Titus, Nonpareil Boat Club, New York; Fred Shepherd, Seawanhaka Boat Club, Brooklyn (N.Y.), second. Time, 10 min. 5 sec. Harry S. Bennett, of Springfield, did not start.

Seventh race—International four-oared sculls, won by Nonpareil Rowing Club, New York; Portland Rowing Club, Portland (Ore.), second; Ravenswood Boat Club, Long Island City, third; Winnipeg Boat Club, Winnipeg (Man.), fourth. Metropolitan Rowing Club, New York, fifth. Time, 9 min. 8 sec.

Eighth race—Senior double sculls, won by Crescent Boat Club, Philadelphia; New York Athletic Club, New York, second; First Bohemian Boat Club, New York, third; Staten Island Boat Club, West Brighton, fourth. Time, 9 min. 25 sec.

Ninth and last race—Senior eight-oared shells, New York Athletic Club, New York, first; Argonaut Boat Club, Toronto, second; Riverside Boat Club, Cambridge (Mass.), third. Decision on race withheld on account of foul between Argonaut and Riverside. Time, 8 min. 26 sec.

Four-oared Race at Westfield Today.

Considerable interest centres in the four-oared race at the Prentice Boys' picnic at Westfield today. Only three crews will row: The Ross crew, Craft crew, and Carleton A. A. Club crew. All have been getting in some hard practice and the outlook is that the contest will be a hard-fought one. The rowing spirit on the west side is at fever heat just now, consequently each crew has a considerable following who are said to be willing to back their opinion.

FOOT BALL

Englishmen Down Montreal.

Montreal, Aug. 12—(Special)—The Corinthian football team on Saturday played their first game in Canada and beat the All Montreal team, 6 to 2. The Englishmen in order to accept social engagements in Quebec left the steamer Victorian which brought them across the Atlantic, and in consequence they did not reach Montreal until nearly 5 o'clock Saturday afternoon. Two thousand angry spectators were kept waiting for more than two hours at the M. A. A. A. grounds for the visitors.

THE RING

COTE GOT DECISION.

Arthur Cote of Biddeford was given the decision over young Kenney of Lowell, Mass., at the end of a fifteen round bout in Augusta, Me., Friday night.

HAS A GOOD RECORD

Blaine Durbin, the most successful pitcher of the Joplin, Mo., team in the Western Association, who has just been secured by the Chacago Nationals, has made a record for the present season that perhaps few pitchers have equalled. Durbin has pitched 23 full games, 20 of which he has won. He was sent in twice to relieve after the games had been hopelessly lost. Of the twenty games won nine of them have been shut outs.

In the nine games pitched by him in which the opposing teams failed to score, one was a 10-inning contest, and another was a 13-inning game with Oklahoma City. The greatest number of hits made off him in one game was 11. The average number of hits of the games he pitched is five. The prodigy is but 19 years of age, but he has been playing ball professionally for the past three seasons.

Hir first eperience professionally was with the Missouri Valley League. His ability was first recognized at St. Benedict's College at Atchison, where he played with the college team. He attends school at Atchison during the winter months.

THINKS HE'S SAM'S SIZE.

Jack (Twin) Sullivan, who is now in Seattle, is endeavoring to arrange a match with Sam Berger. He says: "I have beaten Hugo Kelly, Mike Schreck and Tommy Burns. The latter won the heavyweight championship from Marvin Hart at Los Angeles. I have fought two twenty-round draws with Jack O'Brien, one 10-round draw, and he defeated me once. Look over my record and then see where you can find any other that comes up to it among the men that are challenging Berger.

"The public wants to know how much of a champion he really is and in order to find out the could not do better than to match me."

JACK MUNRO ON CHAMPIONS

Writing to the New York Globe, Jack Munro, the Cape Breton pugilist, who is at present grubbing for silver at Cobalt, hands out the following:

"Speaking of champions, it is to laugh. Look over the bunch of them—Tommy Burns, Jack O'Brien, Marvin Hart, Gus Ruhlin, Mike Schreck, Sam Berger and others. I wonder if anyone believes any of those fellows are in the championship class. Why, any of those fellows, with the possible exception of two, would fight for a meal ticket, and the best men in the game will not fight for such compensation. The really good men can make more money in other occupations. That is the reason the prize ring is retrograding. Champions who were champions, such as Sullivan, Corbett and the great Jeff, spent more money in a day than any of the present crop of "champions" could make in five years. It is impossible to get the best men for the cheap purses the promoters are offering these days. Yes, I have a veritable Coney Island here and last Sunday my receipts were $180. But that is merely a side issue. The real thing here is the mining. Silver is sticking out of the ground all over the country. I have five good mining properties here, and I am going to get some more. One of these fine days I will put one over that will get the coin."

ATHLETIC

JAP CLAIMS RECORD.

NEW HAVEN, Conn., Aug. 13.—From far away Japan has come a claim to Walter Camp, Yale's athletic adviser, that Miniru Fujii, a student in the Imperial University at Tokio, has made world's records in the pole vault and in the 100-metre race. Arato Hamao, president of the university, officially signed the papers, which say that in the annual athletic games on Nov. 11, 1905, Fujii vaulted 12 feet 9 inches; and that he ran the 100-metre distance in 9 2-5 seconds.

The time was taken by a special chronometer, an electrical connection being broken at start and finish, automatically registering the time. The race was on turfed ground. In the pole vaults the uprights were like the American standards, but a cord instead of a bamboo reed was used as a cross-bar.

AUTOMOBILE

A 2,000 MILE TRIP.

Thomas A. Edison, left Newburgh Wednesday on an automobile trip covering 2,000 miles. Montreal and Quebec are to be visited, after which a return to New York will be made by way of Maine and other New England states. The party includes Mr. and Mrs. Edison, two sons and a daughter; J. B. Miller, a brother of Mrs. Edison, and a friend. Three automobiles were taken, two of them being White steamers and the other a Grout.

Chatham, N. B., Aug. 11—John D. Coughlan, of Coughlans' Siding, who was brought before Police Magistrate Connors today on a charge of setting fire to forest land, pleaded guilty and was fined $200 and costs or a term in jail. He paid, but claimed ignorance of the law. The law says no one shall start forest fires between the 1st of May and 1st of December without giving notice of from seven to thirty days. The magistrate in passing sentence, said he would make an example by imposing the maximum penalty.

FIVE DROWNED

Winnipeg, Aug. 12—The worst drowning accident in the history of Winnipeg occurred here last evening. A party of eight people were going down Red River to River Park in a gasoline launch to join some friends at a picnic, and when only about 100 yards from the landing, and in sight of the friends to whom they were waving a salute, their boat ran on a sunken pile and was overturned.

Five out of the eight were drowned, the other three being rescued by two boatmen who happened to be near. Those drowned were:

Myrtle, Ethel and Ernest Brown, children of the city clerk, C. Brown.

Miss N. Thompson, daughter of J. Thompson, undertaker, and Miss White.

Mrs. Brown, mother of the three drowned children, A. Foxwell and F. Williams were rescued by boatmen in an exhausted condition just as they were sinking. The two men were indifferent swimmers and were not able to render any assistance to the children.

Mrs. Brown was resuscitated with difficulty, and owing to the shock and exposure, her recovery is doubtful.

SUPT. LEONARD ILL

E. P. Leonard, superintendent of the fire alarm, is confined to his house through illness. Mr. Leonard was sitting in No. 3 engine house yesterday and was about to give the time blow at 1 o'clock when he found difficulty in rising, owing to loss of power in his left leg. He was able with an effort to sound the bells, and after telephoning Chief Kerr, walked home.

It is expected that he will be confined to his house for some days., Chief Kerr has transferred Joseph N. Green, the engineer of No. 2, to take Mr. Leonard's place. W. J. Cox, who was doing duty in No. 4 engine house for Charles Piercy, who was on vacation, has gone to No. 2, and Mr. Piercy has been recalled and will finish his holiday later.

Nelson Parlee has been relieved of his duties as driver of No. 3 engine. It is understood he is now working for J. B. Hamm. Another appointment will be made in a few days.

THE VOLUNTEER ORGANIST

Wm. B. Gray's beautiful temperance drama "The Volunteer Organist," will be the attraction at the Opera House Aug. 20, 21 and 22. The scenes of the play are laid in a small village in the northern part of Vermont, and the story is enlivened by several thrilling and pathetic scenes. One act shows a realistic snowstorm, with the snow heaped up in great piles, such as is only found in the open country. During the storm a child is seen struggling through the vast drifts and finally falls exhausted by the roadside. Two beautiful St. Bernard dogs appear upon the scene and rescue the little one. This scene provokes great enthusiasm with audiences and may be classed as one of the strongest in the play. Another act shows the interior of a church with its organ, pulpit, choir loft and the choir boys singing. Master Willie Nelson and Mellor Newman, who scored such popularity with the audiences last season are still members of the company and appear in this scene. The play is finely cast for this engagement and includes such well known names as Charley Hasty, John Gorman, George Lewis, Allan Pearce, Paul Barnett, John T. Doyle, Marion Leonard, Carrie Thomas and Isabel and Francis Clinton.

BRIEF DESPATCHES

New Bedford, Mass., Aug. 12—Descendants of the Acadians, the people who were exiled from Louisbourg in 1755, as told in Longfellow's poem "Evangeline," gathered in New Bedford today for a three-days' meeting of the Society of the Assumption.

This morning in St. Anthony's church, a solemn high mass was celebrated by Monsignor M. F. Richard, of Rogersville (N.B.), and a sermon was preached by Rev. P. L. Belliveau, of New Brunswick. Tonight a public meeting was held in Federation Hall.

Old Orchard, Me., Aug. 12—Cash and pledges footing up about $42,000 was collected today at the final meeting of the Christian Alliance, a missionary organization of which Dr. A. B. Simpson, of New York, is the leader. The meetings have been in session here two weeks. About 5,000 persons attended the meetings today. The amount raised is regarded as about an average collection, though some years ago the record mark was reached when $100,000 was collected in one day.

The addition of a woman's department of art and fancy work has given the ladies an added interest in the St. John Exhibition, which will open Sept. 1 and close Sept. 8. Very handsome medals will be distributed among the prize winners, in addition to a full list of money prizes.

Chambers Lodge A. O. U. W. will hold their regular meeting tonight in the Orange Hall, Germain street. As the Grand Lodge of this order will hold their annual session at Truro, opening on the 22nd of this month, the members of Chambers Lodge are requested to be present this evening for important business.
