GOVERNMENT GIVES GRANT

N. B. Tourist Association Will Get $1,500 From the Province.

The members of the local government came to the city Thursday morning from Fredericton and held a meeting in St. John Thursday afternoon.

The meeting first received a delegation from the New Brunswick Tourist Association who argued that, in view of the large amount of work which the association was doing and the heavy expense incurred in the printing and distributing of advertising matter relating to the province and in other respects, they should receive a grant of $1,500 a year from the government. The delegation consisted of Messrs. T. H. Bullock, D. J. McLaughlin, W. Frank Hatheway, W. E. Raymond and R. T. Hayes.

During the discussion of the association's request, the premier said that, while he was in favor of assisting the association to any reasonable extent, he thought that the advertising matter issued by the association was of too local a character, devoting as it does a very considerable amount of space to St. John and its vicinity and omitting altogether reference to many other parts of the province which, if advertised and made known, would prove attractive to tourists.

In answer to this, the delegation called attention to the pamphlet on canoeing and camping which brought out prominently the advantages in these respects of various sections of the province. They admitted that perhaps the larger pamphlet was open to the criticism which the premier made but said that these defects would be remedied in the next issue. They called attention, however, to the many beautiful photographs it contained of attractive scenes in different parts of the province outside of St. John.

After the delegation had retired, the government considered the matter and decided to grant the request for the present year.

The next business to come up was the hearing of a committee from the municipal council of Kings county. The delegation consisted of Warden Palmer, of Kars, and Councillors Gilliland, of Rothesay; Currie, of Westfield; Flewelling, of Hampton; McGarrigle, of Waterford, and Folkins, of Studholm. They were accompanied by J. O. D. Otty, chief clerk of the peace and secretary-treasurer of Kings county.

They stated that the council had been called upon to make an assessment for the maintenance of fifteen inmates of the Provincial Hospital; that an assessment had been made in respect to six of these but in respect to the other nine it was understood in some cases that they had no settlement in the county and, in other cases, that they were dangerous lunatics and therefore the county would not be liable for them.

The premier called attention to the fact that the commissioners must be guided by the report of the medical superintendent and the committee of physicians which had made a thorough examination of the inmates of the hospital, and therefore cannot be expected to disregard their opinion that these patients are harmless lunatics and should certainly be removed from Kings or, in pursuance of the statute applicable thereto, be maintained by the counties in which they had legal settlement. He recognized that a strong case had been made out respecting some of the persons referred to and assured the councillors that their report would be carefully considered. He also said that the commissioners had no disposition to make any county pay for the maintenance of patients for whom it was not legally liable but, in cases where the liability existed, the government must insist upon the law being carried out.

Reference was made to the fact that harmless lunatics, who were paupers, might properly be removed to the almshouses in the counties liable for their support but Warden Palmer said, and in this view the other councillors concurred, that it would be better if the patients be left in the provincial hospital and the authorities pay for their maintenance, than have them placed in the county almshouses.

Quite a large number of applications for incorporation under the joint stock company act and, in some cases, for supplementary letters patent, were considered.

From the Realms of Fun.

By GEORGE O. BAKER

The Novelist—I understand that a celebrated English poet gets $50 a line for his verse.

The Struggling Poet—If that was me, I'd write a thousand lines and quit.

TOO STUPID.

Fred—I understand that you called on Mrs. Sweet again last night.

George — Yes. We had quite a jolly time. As we sat alone in front of the open fire she brought me some pop-corn and a popper.

Fred—Didn't you take the hint?

George—Oh! yes. I popped the corn.

AT THE HOSPITAL DANCE.

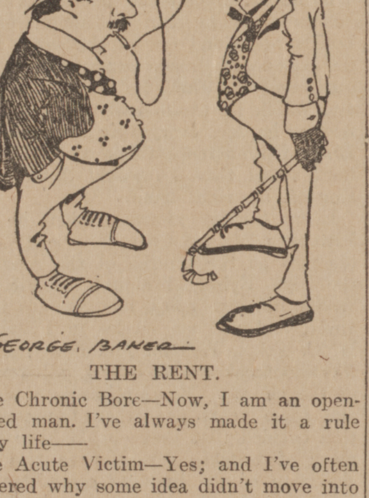

Fair Dancer — Why, doctor, you look positively killing this evening.

Young Resident Doctor (absently) — You're wrong. I'm off duty tonight.

Mrs. Hixter (to Mr. Hixter)—The dressmaker gave me an awful fit today.

Tillie Hixter (aged 8)—Don't say fit, mamma; convulsion is the proper word.

THE RENT.

The Chronic Bore—Now, I am an open-minded man. I've always made it a rule of my life——

The Acute Victim—Yes; and I've often wondered why some idea didn't move into that open mind.

She—That Mr. Scarey is the most chicken-hearted fellow I ever met.

He — Possibly he was an incubator baby.

A LIVING GHOST!

That is What Her Friends Said About Her

Read how Mrs. James Steele, Waterville, Que., was cured by the use of

MILBURN'S HEART AND NERVE PILLS

she writes: "For the past fourteen months I was nervous all the time, and became so run down I was unable to walk across the house without getting dizzy. My friends told me I looked like a living ghost and advised me to try Milburn's Heart and Nerve Pills. I got two boxes and within two weeks I had improved wonderfully and after finishing the fourth box I was completely cured. They are the greatest pills I ever used and I can recommend them to all sufferers."

Milburn's Heart and Nerve Pills act directly on the disordered heart and nerves, and restore them to healthy action. They have no equal for reviving and strengthening the heart beat, invigorating the nervous system, and acting as a food for the blood, improving its quality, making it rich and red.

NEWS AND RUMORS ON WALL STREET

(New York Herald, Wednesday.)

There was little in the way of news, aside from the developments in the money market, yesterday, which bore upon the general investment or speculative position. Call money developed signs of recurrent stringency, touching 15 per cent. and ruling at 6½ per cent. Perhaps the most significant feature of the day was the selling of $25,000,000 5 per cent. Telephone notes upon about a six per cent. basis. This shows that there is money for investment, but at rates that augur poorly for a healthy bond or active speculative stock market. Of rumors the market was filled to repletion, as the speculative fraternity sought far afield for some reason other than a diseased money market for the cause of liquidation. There were rumors of serious illness of leading financiers which were untrue, and rumors of impending bank investigations, national and state, which may have a basis of truth, for the results of yesterday's bank elections disclose the fact that bands of speculators and promoters of shares which are openly washed in outside markets are seizing upon bank control. It is not strange, however, that big speculative cliques in command of banking resources should find imitators among lesser pools and cliques.

The market of the day seemed to be influenced adversely chiefly by considerations given to Union Pacific affairs. It is wholly likely, however, that if this disturbing feature were out of the way the money market developments, as in the past, would have furnished a satisfactory explanation for the decline. The particular point which figured as disturbing in Union Pacific affairs yesterday was the fact that the technical sale of 300,000 shares of stock to Mr. Rockefeller was not deducted from the amount of Southern Pacific stock reported as owned in the Union Pacific report of June 30, 1902. The rumored serious illness of Mr. Morgan, which is untrue, also excited a depressing influence.

John Sutherland, of Montreal, son of J. N. Sutherland, divisional freight agent of the C. P. R., has been promoted to a position on the C. P. R. staff at Vancouver, and will leave for there soon.

GOVERNMENT LEASES BEAUHARNOIS CANAL

Montreal Men Secure it at a Rental of $12,000 a Year---Will Use it for Power Purposes

Ottawa, Jan. 10—The dominion government has leased the Beauharnois canal to Robert & McIntyre, of Montreal, for power development. The canal has been a bill of expense upon the dominion. The lessees assume the cost of maintenance, $20,000 a year, and must make an immediate expenditure of $60,000 and other outlays from time to time. They will have to pay the government a rental of $12,000 and will have to supply power to Montreal, Valleyfield and other municipalities at rates subject to the control of the government. In this way the municipalities will get cheap power.

G. M. Price, one of the directors of the Canadian Electric Light Company of Quebec, headed a delegation today to Sir Wilfrid Laurier, asking that the dominion take action to procure from the United States government a claim of $7,500 for the breaking of a cable belonging to the company in the St. Lawrence river by a United States cruiser. The justness of the claim has been recognized by the United States but never paid.

OBITUARY

Mrs. Mary Elizabeth, widow of Thomas H. Barlow, died Thursday at her home, 26 Dorchester street, after a lengthy illness. She was aged seventy-three years. The deceased, who was of a very retiring disposition, was a daughter of the late Henry Bowyer, who was for years head tide waiter in the customs service in this city. Two sons and two daughters survive. One of the sons is Wilfred M. Barlow, wholesale grocer, South wharf. Miss Etta Barlow, who is engaged in teaching in the Winter street school, is a daughter. There is also one sister, Mrs. Thomas Trafton, of Welsford.

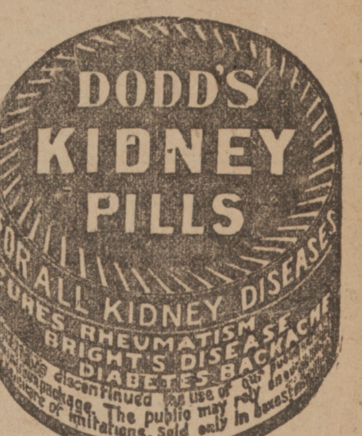

Harry W. Wall, son of Mr. and Mrs. Morris Wall, of 188 Paradise Row, died at 3 o'clock Thursday afternoon after illness extending over several months. He was in his 23rd year and, besides his parents, is survived by five brothers and three sisters, for whom many friends will join in expressions of sympathy in their bereavement. The young man was for a time a conductor in the St. John Railway Company's service. His funeral will be at 2.30 o'clock Sunday afternoon.

McGILL COMMITTED FOR TRIAL ON TWO THEFT CHARGES

Toronto, Jan. 10—The police court hearing of the charges against Charles McGill, former general manager of the Ontario Bank, ended this morning when the accused was committed for trial on two alleged thefts. The charges specify sums of $136,000 and more than $1,150,000. McGill was allowed the same bail as he has had all along.

Gideon Grant, acting for McGill, objected to the commission's evidence. He claimed the commission had been irregularly appointed, that no notice had been sent McGill, that it was illegal to take any evidence in the accused man's absence and he was not represented in New York. It is said these objections may eventually play a prominent part in the trial.

The hearing of the case against George R. R. Cockburn, ex-president of the Ontario Bank, was adjourned until Monday.
