CHEAPER POSTAGE

Understood That Arrangement Has Been Made for Cheaper Postage Between Britain and Canada.

Ottawa, April 14—It is understood that an arrangement has been made between Canada and Britain whereby British newspapers and periodicals will come to Canada under greatly reduced rates. Postmaster-General Lemieux will likely give the details of the agreement to parliament and the public at once. The decision reached at the congress in Rome to carry letters of one ounce instead of half an ounce for two cents from Canada to Britain, will take effect at once, instead of in October, as previously arranged.

Hon. R. F. Sutherland, speaker of the house of commons, entertained the press gallery to dinner last evening in his apartments at the house. Besides the press representatives, there were present Postmaster-General Lemieux, Deputy Speaker Marcil, Dr. Coulter, deputy postmaster-general; Mr. Clarke, M. P.; Louis Lavergne, and W. L. MacKenzie King. After dinner a very pleasant evening was spent in song and sentiment.

The question of establishing uninterrupted communication between Prince Edward Island and the mainland by means of a tunnel under Northumberland Straits has been a fruitful topic of discussion during the present session of parliament. Some light is thrown on the subject by a report made to the department of marine last year by Eugene D. Lafleur, chief engineer of the department of public works, and A. St. Laurent, assistant engineer.

According to their report, based principally on surveys and soundings made at the request of the government in 1892 by Sir Douglas Fox and A. W. Palmer, of the Institute of Civil Engineers, the estimated cost of the proposed tunnel is $15,048,000. It is admitted, however, that this is but an approximate estimate. Other estimates of the cost have placed the amount required to construct the tunnel at anywhere between $9,000,000 and $40,000,000.

The tunnel proposed in the survey of 1892 would be seven and a half miles long and would reach a depth of 150 feet below water level. If funds were available, Messrs. Lafleur and St. Laurent say the construction of the tunnel is feasible, there being no insurmountable engineering difficulties to overcome.

The News—No Pure Drug Cough Cure Laws would be needed, if all Cough Cures were like Dr. Shoop's Cough Cure is—and has been for 20 years. The National Law now requires that if any poisons enter into a cough mixture, it must be printed on the label or package.

For this reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison-marks on Dr. Shoop's labels—and none in the medicine, else it must by law be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and see. No poison marks there! You can always be on the safe side by demanding Dr. Shoop's Cough Cure. Simply refuse to accept any other. Sold by Druggists.

What Does It Mean?

Dr. Hamilton Gives a Full and Satisfactory Explanation.

Look at your tongue!

Sometimes it's heavily coated, sometimes it's clear and red.

Study this out and you'll find some interference with the functional activity of the body.

This means the bowels are not regular, the liver is sluggish and the blood is contaminated.

Strong cathartic pills act so destructively on the intestines as to provoke deathly sickness; this often frightens people from taking medicine when they badly need it.

To the multitude of dangerous purgatives now on the market, Dr. Hamilton's Pills are a notable exception, they neither gripe, cause sickly feeling or headache, yet they cleanse and purify the entire system in one night. No other laxative acts with such mildness and certainty. Giving proper stimulus to the liver and kidneys, strengthening the stomach and lending valuable aid to digestion, it's small wonder that such marvelous results accompany Dr. Hamilton's Pills.

Mr. George O'Hogarty of Amherst, N. S., writes: "Last winter I worked in a lumber camp and neglected my health. I was dreadfully constipated and had a headache that fairly made me reel at times. I was sick and miserable, and hadn't the slighest ambition to work or stir around. I felt heavy and dull and had a bad taste in my mouth. I sent into the city for Dr. Hamilton's Pills, which I knew were good for my condition. They fixed me up very quickly and have kept me in good condition ever since. There are other men in the camp that use Dr. Hamilton's Pills also. They say they wouldn't be without the pills for ten times their price."

Every dealer in the land sells Dr. Hamilton's Pills—25c per box or five boxes for $1.00. By mail from N. C. Polson and Co., Hartford, Conn., U. S. A., and Kingston, Ont.

ADDRESS AND FOUNTAIN PEN FOR WM. H. PLUMMER

Will H. Plummer, who for some years has been connected with Waterbury & Rising's retail establishment, has severed his connection with that firm to assume the managership of the Sussex Mercantile Company's shoe department. Before closing time on Saturday evening he was summoned to the office and R. J. Walsh, on behalf of the employes of Waterbury & Rising, presented to him a handsome gold-mounted fountain pen.

In making the presentation Mr. Walsh briefly referred to the pleasant relationship that had always existed between the employes of Waterbury & Rising and whilst regretting the necessity that had called them together on that occasion felt sure that in his new field of labor Mr. Plummer would win the highest measure of success.

Although very much surprised the recipient soon managed to pull himself together and in a pleasant speech thanked the boys for their evidence of good will and said he would always look back with pleasure to the days spent in their company. Mr. Plummer will be very much missed in musical circles, having been for a long time prominently identified with the choir of the Brussels street Baptist church.

AMHERST NEWS

Amherst, N. S., April 14.—By a vote of four to one the rate-payers yesterday voted in favor of widening Union Row. This is a narrow street running between Havelock and Church streets, parallel with the main business street of the town and has for past years been occupied by a poor class of buildings which have been an eyesore to the town. It is understood that some good business buildings will now be erected and it will become an important business centre. The vote stood 429 for, to 115 against.
