"WALL STREET GRINDS UP FLESH AND BLOOD"

CLEVELAND, April 18—"Wall street is not only debasing men to the level of beasts, it is grinding up flesh and blood," declared Robert A. George, pastor of the Trinity Congregational church, in his sermon on "Wall Street's Plea for a Revival of Faith in God."

Continuing, Dr. George said:

"When the men of Wall street will cease to be financial brigands and quit their wicked manipulation of stocks and high-handed robbery of the people; when they will give the laboring people a larger proportion of their earnings and let up on this pace that kills; when they will recognize their fellow-men as men, not as mere machines to grind out dividends, we ministers will have a chance to train and educate men who will belive in God and in a future life."

Three C. P. R. employes were dismissed this week for smoking in the shed at Sand Point. One was a porter, one a checker and the third a C. P. R. policeman. The danger of fire resulting from smoking is the cause for such prompt action, which, it is hoped, will be a warning to others.

Family jars eventually kill love, but family jars kill it sooner than that.

THE NEW Y. M. C. A.

The Sum of $5,200 is Needed for the New Building.

The board of trustees and the management of the Y. M. C. A. met last evening and the tenders for the new building which had been received were submitted. No award was made but the committee were much pleased at the result, as all the bids were within the architect's estimate. The following were appointed on the building committee: W. S. Fisher, W. E. Earle, L. P. D. Tilley, G. E. Barbour, W. C. Cross, W. H. Thorne and Geo. A. Henderson.

The fund for the new building is now in the following condition:

Cash on deposit in banks	$25,700
Subscriptions selected and considered good	19,100
Ladies' auxiliary for furnishings	3,000
Lot of land paid for	7,000
	$54,800

As the amount required for the project is $60,000, there is $5,200 yet to be raised. The citizens will be visited and it is proposed to institute a field day and it is hoped by this means that the balance will be obtained.

CANDIDATE TAIT MAKES DENIAL.

The report was circulated by certain parties in Guys ward, and which has only come to my notice, that I was in a deal to defeat a certain candidate in the ward at the late election, and for that purpose offered as a candidate. I would like to take the opportunity to correct any false ideas that may have been engendered by what I may say was, in the least, very untair work. I offered in the ward at the solicitation of the rate-payers and stood independently on my merits. I want it strictly understood by the rate payers of the ward that I am not of the dealing-class.

Yours respectfully
J. B. TAIT.
