Eating Carelessly

frequently causes stomach troubles, but careful eating will never right them. When your stomach is out of condition, it needs help that no food can supply. It must be thoroughly cleansed, settled and strengthened. Food never does this.

BEECHAM'S PILLS

are the greatest stomach medicine human skill ever compounded. Don't attempt to cure your stomach by dieting. You will half starve and get little benefit. Give Beecham's Pills a chance and you will again know the pleasures of a sound digestion. Appetite will return and the stomach again work without any discomfort. The skin will clear, the face plump out, while people will remark "How well you're looking." These are facts, not fancies. Prove it yourself.

Prepared only by Thomas Beecham, St. Helens, Lancashire, England.
Sold by all Druggists in Canada and U. S. America. In boxes 25 cents.

THE REASON.
Binner—I notice that you always contribute to the foreign missionary society.
Skinner—Yes; I always try to make my money go as far as possible.

Origin of Pleuratic Pains

Just now they are very common, and many people seem subject to a mild inflammation of the lining of the lung which, if neglected, spreads to the lung itself.
Prompt treatment with Nerviline is needed. Rub it in deeply—pain vanishes, relief is instant—pleurisy is cured. Quicker than a mustard plaster, more soothing and healing. Nerviline is sure to cure any ache, pain or congestion because it contains a combination of remedies that destroy internal and external pain of every kind; try at 25c. bottle—that will convince you.

IN THE WEST.
Visitor—Did the earthquake do much damage to your farm?
Native—Don't know; I haven't found it yet.
Visitor—What, the earthquake?
Native—No; the farm.

TOO BUSY.
First Tourist—I was seasick all the way coming over.
Second Tourist—I guess you found relief in swearing.
First Tourist—Swearing! I didn't have any time to swear.

Mrs. Henpeck—I see where a man married his mother-in-law yesterday.
Henpeck—If that ain't hunting for trouble then I don't know.
