WEDDINGS

Denton-Skene.

A very pretty quiet wedding was that at the residence of the bride's parents, Mr. and Mrs. James Skene, Pennfield, Charlotte county, which took place on Wednesday, Aug. 7th, at 8 o'clock in the morning, when Miss Helen Skene became the wife of Churchill DeBlois Denton, head master of Acadia Villa School, Hortonville, Nova Scotia. The ceremony was performed by the Rev. David Crandall, of Nova Scotia, a friend and college classmate of the groom. The bride, who was unattended, wore a dress of white silk, trimmed with lace, and a bridal veil, embroidered and worn by her maternal grandmother at her wedding, over 60 years ago,and carried a shower bouquet of white and pink roses. The parlors and dining room were tastefully trimmed with vines and flowers.

After the ceremony the guests sat down to a wedding breakfast, which was heartily enjoyed, after which the bridal pair left in carriages for St. George where the train was taken for a tour through the eastern states. The bride's travelling dress was of a soft rich brown cloth, talior-made and hat to match. The wedding presents were numerous, serviceable and handsome, and included $100 in gold, jewelry, glass and china articles. The groom's present to the bride was a gold watch and chain. The happy couple have returned to St. John, and today (Saturday) proceed to the groom's home at Horton. Mr. Denton resumes his teaching duties in the well known school, Acadia Villa, at the close of the summer holidays, Sept. 1st.

The bride was becomingly gowned in white organdy muslin with trimmings of baby Irish lace and wore a white hat. The bridesmaid, who was Gertrude J. Elder, sister, of the bride, was dressed in white muslin, with valenciennes trimmings, and wore a flower hat. The groom was supported by Opie S. Elder, brother of the bride. The gifts were numerous, among them being a purse of gold from the bride's mother and brother.

THE METHODIST SUMMER RESORT

The Leasing of Lots Will be Commenced on Tuesday.

At the meeting of the committee having in charge the arrangement of the new Methodist camp meeting ground and summer resort yesterday afternoon it was decided to begin the leasing of lots next Tuesday. Applications for the lots may be sent in at any time to the chairman of the committee, Rev. James Crisp. An act of incorporation for the new grounds will be applied for at the next session of the legislature.

The lots will be leased for any number of years. For the front tier the charge will be $10; second tier, $7.50; third tier, $5. All applicants will be allowed to choose their own lots and the leases will be drawn with the understanding that the land will not pass into other hands without the consent of the directors.

Three or four acres of meadow have been reserved in the rear of the lots as a playground for children. This will remove the little ones from the dangers of the river front.

Some members of the committee will go to the grounds Tuesday morning on the 9.25 train and remain all day to give those desiring it good opportunity for choosing lots. Party tickets can be obtained from the chairman.

BABY'S HOLD ON LIFE

Baby's Own Tablets cost 25 cents a box. A box bought now may save your baby's life. Summer complaints come often without warning, and thousands of little ones die from them every summer. If children's stomach and bowels are kept in order there is little danger of these troubles, and that is just what Baby's Own Tablets do. They are good for the new born baby or the well grown child—and they are absolutely safe. Give your child an occasional dose of Tablets, and you will keep it well. If you have not got a box of Tablets in the house now, send for them at once, and you may feel that your little ones are safe. Mrs. Wm. Parrott, Myrtle, Ont., says:—"My little boy suffered greatly from colic, and cried almost continuously. A few doses of the Tablets cured him, and now I give the Tablets occasionally to prevent the trouble returning." Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

PREMIERS WILL NOT HAVE OFFICIAL HOME

Report That Government Will Buy Official Residence for Canada's Premiers Not Generally Believed.

Ottawa, Aug. 23—There is no credence placed here in the report that the government proposes to buy from Senator Edwards an official residence for Canadian premiers near the entrance to Rideau Hall grounds. Sir Wilfrid Laurier owns and occupies a handsome residence on the avenue which bears his name and it is not thought that he would favor an official residence. The leader of the opposition is also the owner of a handsome house with splendid grounds on the bank of the Rideau river.

Save $5.50 on a Year's Footwear

A pair of shoes cost you $5.

If you use ordinary blacking on these shoes, the leather will crack and split—inside of six months the shoes are worn out. This has been proven by actual test. To keep these shoes looking right with ordinary polish you'll have to shine them every day. That means five ten-cent tins of polish. The six months' wear of these shoes have cost you $5.50.

Packard's Special Combination Shoe Dressing is a leather food—it doubles the life of the leather. We know, because we have proved it many times.

If you use Packard's Combination Shoe Dressing on the five-dollar shoes they will last at least one year. Two twenty-five cent boxes of combination will do, as you have to use it only twice a week.

Do you see any saving in this?

It costs you $11.00 for a year's footwear and ordinary polish. It will cost you but $5.50 for a year's footwear and Packard's Special Combination Shoe Dressing. Don't you want to save that $5.50?
