EMPEROR WILLIAM'S SCHOONER YACHT METEOR

BELYEA MUST BE RE-INSTATED

So Say Marathons to M. P. A. A. A.--See No Reason for That Body's Dilatory Action ---Greeks Will Cut Loose from Maritime Body in Event of Refusal.

The Marathons have taken a decided stand in favor of the M. P. A. A. A. reinstating Hilton Belyea. A wire was sent to that body at Halifax last night by President Frank White, of the Marathon Club, which in effect expressed the opinion that with evidence now to hand, there was no good reason for refusing to reinstate Belyea and asking for an immediate reply.

It is the hope of the club that the west side sculler will be eligible to row in the harbor championship race, which is to be rowed this evening at 6 o'clock.

It is said that should the M. P. A. A. A. decline to accede to the Marathons' request, the latter will cut lose and join the new athletic federation. Up to a late hour last night no reply had been received from Halifax.

SONOMA GIRL AGAIN TO THE FORE

California Mare Defeats Highball and Makes Fastest Mile in Year for Trotters.

Columbus, Ohio, Sept. 17—Heavy rain broke up today's grand circuit races after four heats had been decided and a start made on a sensational programme.

Sonoma Girl and Highball, both with manners nearly perfect, got together in the Hoster-Columbus $10,000 stake and the California mare, when she won by half a length from the Geers 5 to 2 favorite, got a record of 2.05 1-4. This is the fastest trotting race mile of the year, a world's record for a green trotter, and takes three seconds off the record for the stake.

Sonoma Girl was fortunate in drawing second position, while Highball had to score from twelfth place. Each horse trotted every inch of the route and put up a rattling finish. R. F. D. was forced to a record of 2.05 1-4 by Lady Maud C. in the final heat of the 2.11 pace, that came over unfinished from Monday.

JACK "TWIN" TALKS ON BURNS

"Tommy Burns," says Jack "Twin" Sullivan, "is more or less of an accidental champion. I fought Burns in Los Angeles, and we had a good scrap. I won Burns is a confident sort of a fellow. He never thinks of being beaten. Evidently he thought me a cinch, for he came around a day or two before the fight and asked me if I was stuck on splitting the purse even, as we had agreed to in the articles. I said I didn't care, and Tommy suggested 60 and 40 per cent. So we let it go at that. His loser's end, 40 per cent. didn't amount to much.

He was an easy mark at that time. All he had was a poor left and a right swing that might knock your head off if it landed. I just stuck my left into his face all the time, and his right fell short. He could only slap me on the back with it, while I made a muss of his features. After the fight I learned that Burns had bet $600 on himself, which, with his training expenses left him flat broke.

THE TURF

TROTTER NELSON SHOWN WITH 23 DESCENDANTS.

WATERVILLE, Me., Sept. 15—The appearance of Nelson, the famous trotting stallion, and 23 of his descendants at the Central Maine fair here last week was one of the leading events of the programme.

C. H. Nelson, the veteran horseman of this city, is the owner of the stallion Nelson, now 25 years old, and for years one of the best-known racers in the country. Nelson lowered the world's record for trotting stallions harnessed to a high-wheeled suly in 2.09. His owner has refused many offers to purchase him, and still says that he will never sell the old stallion.

SURPRISED AT LIPTON DEFI

British Yachtsman at New York So Expressed Himself But More So That Fife is to Design.

Arthur L. Pearse, the owner of the Carina, the English yacht that recently won the German Emperor's cup, was a passenger on the Lucania, of the Cunard line, which came in from Liverpool Saturday. He appeared to be much surprised that Sir Thomas Lipton had again challenged for an opportunity to win the America's Cup, but still greater surprised that it was reported that William Fife, who designed the Shamrock III, was to make the design for the fourth Shamrock.

"The reason that I am surprised that Mr. Fife has been retained to design the new Shamrock," said Mr. Pearse, "is because the Scotch naval architect told me shortly before I left the other side that he would never again design a boat for Sir Thos., because as Mr Fife expressed it the Irish yachtsman had a habit of 'going behind my back to other designers to ask them if I was doing right.'

"Mr. Fife also told me that, aside from the question of designing the boat, Sir Thomas made it a rule to hire one skipper to sail his boat and then another to watch the first. Nobody can win the America's Cup under such conditions."

NO MORE POP FOR IRATE FANS

PITTSBURG, Pa., Sept 16.—President Harry C. Pulliam today announced on the heels of an assault on Umpire Billy Evans of the American League at St. Louis yesterday, that he would make it his personal business to try and have pop bottles barred from the National league grounds in the future and will look to the American league to assist him in this move, President Pulliam said: "I have come to the conclusion that for the best interests of baseball there should not be any pop sold in bottles in the bleachers and grand stand at ball games, and I will do my best to have it stopped. If there must be sold pop in deadly bottles, let it be sold at a stand far from the grand stand or bleachers. In this way we can avoid the fearful tragedy such as that of yesterday."

ALGONQUINS TO MEET TONIGHT

A meeting of the Algonquin Athletic Association will be held this evening in their rooms, Metcalf street, North End Matters social and athletic will be considered and plans for the season's football will be discussed. Other business will be the election of members.

ST. JOSEPH'S ARE NOT NOW AHEAD

Forfeited Game to St. Rose's Last Evening and Are On Even Terms With St. Peter's for Championship.

The St. Joseph's forfeited their game with St. Rose's last evening in the Inter-Society League, by not putting in an appearance. The game was scheduled to take place on the Shamrock grounds at 5.30, but as the purple and white were not on hand their manager forfeited to St. Rose's.

As a result the Inter-Society League situation takes a new turn, the St. Joseph's and St. Peter's now being tie. St. Joseph's have another postponed game to play with St. Rose's tonight, and should they lose this evening's game by forfeit or otherwise the St. Peter's team will win the league championship, which St. Joseph's has already practically appropriated. A member of the St. Joseph's team said last night that his team could not get off work to play.

BALL TALK.

Outfielder McCarthy, who was turned loose early in the season by Brooklyn, now leads the American Association at the bat.

Spitball pitchers in the Southern league are up against a tough proposition. The opposing players have been resorting to the use of tannic acid and licorice, and a number of twirlers, who make use of the saliva moistened ball, are trying to break up this practice by appealing to the umpires. The only solution is the prohibition of the spitball.

Detroit is 150 points ahead of its record of a year ago and New York is just about the same number of points behind.

Al Orth is the best batting pitcher in the American league. In 38 games he has an average of .330. Other heavy hitting pitchers include Donovan and Bender.

The Chicago Nationals took 10 out of the 11 games played with Cincinnati in Chicago.

Pitcher Walsh of the White Sox fanned Niles, Hemphill and Stone in succession last Thursday.

Boston is certainly going some, says Horace of the Americans. Some, but not enough to win.

McGinley continues to pitch good ball for Toronto. He has done fine work for Kelley's club this season.

Hurst made the players play at Detroit last week when the spectators burned matches in all parts of the stands.

Cincinnati will try its new pitchers this fall—Upp and Campbell also the two new outfielders, Chickering Antry and George Paskert.

Pitcher Summers of Indianapolis, who has been bought by Detroit, seems to lack nerve. He failed to report to Jennings as was expected.

Catcher Tommy Madden, one of the new acquisitions of the Boston Americans, hopes to be all right for work when the club gets back here next Friday.

The sort of game the Athletics are putting up hasn't strengthened the idea that they will do any better in a world's series against the Chicago "Cubs" than they did against the New Yorks.

Shaw and Downie of Tacoma, Bell and Meyers of Butte, Rowan of Spokane and Myers of Seattle are the Northwest league players who will be in the American and National leagues next season.

THE RING

Rudolph Unholz, the South African champion, writes from Ogden, Utah, that he was "jobbed" in his recent fight with "Cyclone" Thompson in that city. Unholz writes that he hit Thompson in the solar plexus, and the referee declared he fouled Thompson. The Salt Lake Tribune bears out Unholz's statement.

"Brooklyn Tommy" Sullivan, the present boxing instructor of the Missouri A. C. of St. Louis, who is the only fighter that ever knocked out Abe Attel, the featherweight champion, will be given another chance to beat clever Abe. They have been matched to fight a six-round bout at Alton, Ill., on Saturday, Sept. 21.

Jim Barry, the Chicago light heavyweight, who secured a decision over Jack Blackburn, in a six-round bout at Bridgeport, Conn., on Thursday night, is now going after higher game. Barry will be at the ringside when Jack Johnson and Sailor Burke battle at Bridgeport on Thursday night, and will challenge the winner.

When Jack O'Brien fought Mike Schreck in St. Louis a year or two ago Mike unbuttoned a terrific right which found a resting place upon O'Brien's jaw. The latter fell into a clinch and stalled around until the bell rang and then wobbled over to his corner. His seconds doused him with water and when Jack sat upright and began to take notice of things he asked: "How long was I down?"

Charley Sieger, the Hoboken iron man, who has fought over 200 battles, including contests with Britt, Young Burns, Young Corbett, Jimmy Gardner, Rube Ferns, Jimmy Briggs, Willie Fitzgerald, George McFadden, Rube Turner, Dave Holly and all the lightweight cracks, will probably be seen in action at the Crown A. C. in a few weeks' time in a bout with Willie Fitzgerald or Unk Russell. Bob Clark now has Sieger in his stable and claims the Hoboken man is better than ever. His recent fights in Manhattan have been very good.

WELCH-TERRIO DRAW.

PORTLAND, Me., Sept 10—Joe Welch of Lawrence and Young Terrio of Lowell fought six rounds to a draw at the Pastime Club tonight. Both men were tired at the end of the bout, but Welch seemed to have had a slight advantage.

A wrestling match between Brewer Anderson of Boston and Young Bertlein of the 15th company coast artillery was finished in one round, Anderson winning the fall in 15m. 35s and Bertlein, because of an injured knee, refusing to continue.

JERRY GAINES HEARS TEN

GLOUCESTER, Sept 16—Jerry Gaines, the Boston market man, was knocked out in the sixth round of his 12-round bout with Black Fitzsimmons at the Cape Ann Athletic Club tonight.

ATHLETIC

FRISCO ATHLETES FOR MONTREAL EVENTS.

NEW YORK, Sept. 16—Andrew Glarner, Ralph Rose, W. Gilmore, H. C. Gebhardt, of the Olympic Club of San Francisco, will compete in the Canadian Amateur Championships, which are to be held in Montreal on Sept. 21. They have been granted permission by Chairman John J. Dixon, of the National Registration Committee. They will represent the Olympic Club of San Francisco, and it will be the first time in many years that the Olympic Club has had such a large team in the Eastern championships.

WEDDINGS

McMulkin--Harper

An interesting event took place this morning at the residence of John Harper, Chipman, when his daughter, Miss Mabelle H., was united in marriage to J. Willard McMulkin, son of John McMulkin, factory inspector. Rev. D. Mc.D. Clark, of the Chipman Presbyterian church, performed the ceremony. The happy couple left by train for Upper Canadian cities and will visit Niagara, New York and Boston.

On their return they will reside at Upper Gagetown, where Mr. McMulkin is extensively interested in the lumber business.

Simpson--Patton

The wedding of Miss Laura C. Patton, youngest daughter of Thomas Patton, to Thomas E. Simpson, took place at 7 o'clock this morning in Trinity church. The ceremony was performed by Rev. R. A. Armstrong, rector of the church. The bride who was given away by her father, was married in a travelling costume of navy blue broadcloth and wore a hat trimmed with Copenhagen blue. Only the immediate relatives and friends were present. After the ceremony, the bride and groom left for a wedding tour, including Montreal, Toronto and Niagara. On their return they will reside in Summer street. Mr. Simpson, who is a traveler for Hall & Fairweather, has received presents of silverware from his firm and cut glass from the members of the staff. The bride has also been suitably remembered by many friends in Trinity church, where she is an active worker.

Carpenter--Sherwood

Yesterday morning at 8 o'clock, at 159 Leinster street, at the home of Mr. and Mrs. G. Sherwood, their youngest daughter, Blanche L., was united in marriage to Archie M. Carpenter, of Queens county, by Rev. T. W. Carpenter, uncle of the groom. Only the immediate relatives were present. The bride wore lavender santoy with cream trimmings, and her going away dress was of blue broadcloth, with black picture hat. After the ceremony a dainty breakfast was served. The bride received many pretty and useful presents.

Grant--Corcoran

Dorchester, N. B., Sept. 17—(Special)—A pretty wedding took place this morning in St. Edmond's church, when Miss Florence Corcoran, daughter of John Corcoran, of the maritime penitentiary staff, was married to James W. Grant, the well known druggist, of Amherst. The ceremony was performed by Rev. Father Cormier in the presence of the immediate friends of the contracting parties. The church was prettily decorated for the occasion. The bride, who was given in marriage by her father, was becomingly gowned in white duchess satin with trimmings of Irish point lace, bridal veil and carried a white prayer book. She was attended by her sister, Miss Mabel Corcoran, while the groom was supported by Howard Kelly, of Halifax.

The wedding party left the church to the strains of Mendelssohn's wedding march, played by Miss Kelsie Manning, of Moncton. After luncheon at the bride's home, Mr. and Mrs. Grant left on the C. P. R. on a wedding trip to St. John, Montreal, Toronto and other points.

The bride received many handsome presents. The groom's gift was a set of mink furs; to the bridesmaid a garnet and pearl ring and a locket to the groomsman. Mr. and Mrs. Grant will reside in Amherst. The bride is a sister of John H. Corcoran, of the I. C. R. passenger department, Moncton (N. B.), and is favorably known as a soprano soloist.

THE LOCAL GOVERNMENT

Two Sessions Held Yesterday But No Announcement as to Cabinet Appointments.

Fredericton, N. B., Sept. 17—The local government held two meetings here today and heard several delegations disposing of considerable routine business.

A delegation from Restigouche county, composed of William Currie, M. P. P., Ald. Joudrey, Edward Alexander and James Reid, Jr., were heard in regard to riparian fishing rights in the province of Quebec held by Restigouche parties. It seems that the government of Quebec is endeavoring to exact license fees from them and the delegation wants the New Brunswick government to take the matter up. Consideration was promised.

Colonel McLean and Matthew Lodge were heard in regard to shale licenses in Albert county.

Another delegation composed of Mr. Conger, engineer for the Grand Falls Power Company, and C. F. Sanford, barrister, asked for the government's approval of plan No. 3, having to do with the company's proposed works at Grand Falls. They were told that the matter was now in the hands of the provincial engineer.

Governor Tweedie returned to Chatham today so it is scarcely likely that the vacancies in the government will be filled this session.

Hon. A. S. White, of Sussex, and A. H. Hanington, K. C., of St. John, had a hearing at a late hour this evening in reference to a dispute between the Empire Cream Separator Company and the Maritime Dairying Company. Mr. White, on behalf of the dairying company, is opposing an application of the Empire Cream Separator Company for an extra provincial license. No decision was reached.

CHARGED WITH SMUGGLING

NEW YORK, Sept. 16—A woman of social position and influence was taken before Gen. James S. Clarkson, surveyor of the port, charged with attempting to smuggle $17,000 worth of gowns, laces, stockings and hats.

Gen. Clarkson said yesterday that as the case was still under investigation he was not at liberty to disclose the name of the woman.

By her elegance in dress and stylish bearing she had attracted attention on the French steamer La Provence, on which she arrived Friday morning. Every evening she appeared in a new gown. A stewardess is credited with informing the customs officials that the woman had a lot of valuable stuff in the trunk room on board La Provence.

The stewardess said she had accompanied Madame to the trunk room to help find her gowns and had overheard Madame declare to a fellow passenger that she would beat her Uncle Sam. Madame had said according to the stewardess, that her husband and brothers were in the Treasury service. The woman's husband was sent for and an adjournment was taken from the Custom House until counsel could be obtained for the accused traveller.
