## THE ST. JOSEPH'S TAKE A ANOTHER

Before a large crowd last evening St. Joseph's defeated St. Rose's on the Shamrock grounds 8-1 in a four inning game. For the St. Joseph's McGuffigan twirled and allowed but one hit and the team did not make an error. O'Keefe did good work for St. Rose's and was found for five hits. St. Rose's made their run in the first inning when Downey was given a base on balls, stole second and scored on O'Keefe's hit. The following summary tells the tale:

A meeting of the league executive is called for tonight to arrange the remaining games.

Marathons vs. Portlands Saturday. On the Victoria grounds on Saturday afternoon the Marathons and Portlands will play. These teams are the leaders in the league and every game played between them has been decided by only one score, neither team scoring at any time during the series more than four runs. One game played a short time ago, resulted after seven innings, in no score.

Both teams will on Saturday present their best line-up and a good game is assured and should be well patronized.

Marathons Take the Lead. In the Amateur League on the Victoria grounds the Marathons defeated the Algonquins in a four inning contest last evening. Score, 8-2. This places the Marathons at the first time at the head of the league, with one game to play.

Amateur League Standing. The standing of the teams in the amateur league is:

Team	Won.	Lost.	To play	P.C.
Marathons	9	5	1	.643
Portlands	8	5	1	.615
Clippers	5	2	5	.500
Algonquins	3	4	4	.273

Two Games in View. There will be a lively game of base ball on the Victoria grounds on Saturday afternoon when the Marathons will meet in fierce battle with the Clippers.

On the following Saturday afternoon on the same grounds the Portlands Y. M. C. A. will meet the Hampton team. The King's county shiretown has a fast team and a great game may be expected.

BASEBALL TALK. "Nothing doing" was all President Do-vey of the Boston Nationals said concerning the attempt to make a deal with the Pittsburgh club for "Young Cy" Young. A cash offer for Young was refused.

President Duffrey and Manager Fred Clarke of the Pittsburgh club were in consultation with Manager Fred Tenney of the locals in the office of the club in the Paddock building yesterday morning and they failed to arrive at any agreement. Boston wanted a catcher and an outfielder, and while Manager Clarke could use "Young Cy" he could not see his way clear to give Tenney what the latter wanted. It is safe to say there will be nothing doing in the way of a deal so far as Pittsburgh is concerned.

Manager Tenney has another deal in the air. Without a doubt New York would like to make a deal for Young. That club has been desirous for a long time to secure the player and is in a good position to make a desirable trade.

The only reason that President Do-vey announces his readiness to make a trade is because Young has not proved to be the winning pitcher he once was, and he thinks he may do better elsewhere.

"Lefty" Davis will not come here. It is difficult to see where he would strengthen the club. He has a good throwing

arm, and that lets him out.

"All that I want to say," said Fred Clarke, on departing, "is I hope Boston will not get the small end of any deal. A club should be very careful to get as good as it gives in any case."

THONEY NOT SOLD YET. It is reported in Buffalo that Manager McGraw of the New York Giants has outbidded Murray of Philadelphia Nationals for Outfielder Jack Thoney of Toronto.

However, deals are known to be on the famous Thoney, but nothing has been settled as yet, and not likely to be for some time. The price McGraw is said to have paid is \$8,500.

It was thought here that Boston Nationals were to have the first claim on Thoney, and perhaps when the deal is completed they will be found the victors. Fitcher Riddell is also said to have been secured by New York.

THE OAR Dartmouth Regatta.

Halifax, N. S., July 25.—(Special)—Rain interfered with the attendance at the Dartmouth regatta this afternoon in Dartmouth, but it did not stop the sport. The chief event of the regatta was the four oared race. Three crews were entered, namely, the North Stars, Northwest Arm, and Mary's. Since the victory of the Arm crew Saturday, and the foul between the St. Mary's and North Stars who follow aquatic events were keenly interested in the result of the race when the three rivals came together again.

The water was perfectly calm and the course clear. The North Stars gained a decided advantage at the very start and rowed a good course. The North Stars were the first to strike the buoy. St. Mary's reached the turning stake second, but the three crews practically turned together. If there was any advantage it was Mary's. DAN PATCH, 2,02 1/4. TERRE HAUTE, Ind., July 23.—Dan Patch's mile in 2:14 today was phenomenal for this time of the year. His best previous mile was 2:07 several days ago.

ATHLETIC Every Day Club Prizes. The winners of medals and other prizes at the Every Day Club sports in June can get them by calling at the store of J. N. Harvey, Opera House block. It had been intended to have them presented at a public meeting but as there would be difficulty in getting a large attendance at this season that idea was abandoned.

SHRUBB'S NEW RECORD. BOSTON, July 23.—Alfred Shrubbs, the English runner, lowered the American professional record for two miles, at the games of St. Augustine, parish at the Lyceum street grounds. He was a competitor against several of the best runners in this section, and being pressed hard, he went the distance in 9:34 3/5.

The old record was 9:38, made by Jim Grant in 1890. The track which Shrubbs ran on is eight laps to the mile, and was not in the best of condition.

SOME BIG MATCHES IN SIGHT. As a result of the Irish-Canadian athletic meet at the Island Saturday there are apt to be some big matches. Tom Longboat never quite got over the beating Bonnah gave him in Buffalo. Bonnah signed his willingness Saturday to run the Indian again. The pair got together and agreed to run at the Irish-Canadian games in Hamilton in August, and again at the Central Y. M. C. A. meet here in September. The distance will be four miles in each event.

Longboat will run at the Ottawa meet August 20th, meeting Hilton Green and two others in relays. Tom has agreed to have a sprinter pitted against him for the end of the three-mile journey.

YACHTING RACES AT JAMESTOWN. The international yacht and motor boat races will be held at the Jamestown exposition, as scheduled, the appropriation requested by the committees of the yacht and motor boat clubs of America having been made. Beginning with Sept. 14, there will be races daily for three weeks. Four cups have been offered for the principal races—the president's cup, the king's cup, Sir Thomas Lipton's cup and the Jamestown Exposition cup. The motor boat carnival will be held the week before the yacht races.

FOOTBALL ONTARIO TEAM DEFEATED. The Thistle Football Club, soccer champions of Ontario returned Monday night after their unsuccessful trip to Winnipeg, where they met defeat in their first game at the fair by Calgary, the team that won the final. Only four were in the others, being Qu'Appelle and Winnipeg Britannias. The westerners are big men and their game rough. They play the kick and rush style rather than combination. On Monday, July 23, the team played over for a game in Port William that resulted in a draw, John Lees, the champion amateur boxer, was given a chance in this match and proved a success on the forward line.

THE RING CONNOLLY AND CARROLL. Bartley Connolly and Johnny Carroll will meet in a 15-round bout before the Lymanville A. C. of Rhode Island July 31. Carroll and Connolly are evenly matched and should furnish the Rhode Island ring followers a good night's sport.

GAINES vs CONNOLLY. At the Winnismett A. C. last night, Jerry Gaines and Bartley Connolly, the Maine welterweight, fought their scheduled 10-round contest, the bout going the limit, neither man having any decided advantage.

Jerry fought the battle of his life and showed that when pushed to it he can box as cleverly as any. In Connolly he met the cleverest as well as the hardest hitting man he has ever had to contend with, and found for round he held the Portland man on even terms. Jerry had a little of the best of it in weight on Bartley, but the Portland lad had the ring generalship and that stood him well on several occasions, Jerry landing one of his famous rights to Connolly's ear in the opening of the second round that bewildered the latter.

BOXING NOTES. Young Neary and Kid Ryan will furnish the preliminary bout to the Belvidere-Walton-Dave Sawyer contest at Rockland, Me., July 26.

Eddie Greenwald of Milwaukee and Conney Kelly of Peoria, Ill., are matched for a ten-round bout to take place some time next month at Stratford, Ill.

Tommy Rawson, the amateur 125-pounder, has gone to New York with George McCarthy, the heavy-weight who boxed Jerry Gaines, and they will try and get on with some of the boys in their respective classes.

Iver Benson, a good boy in the light weight class, who has just graduated from the amateur ranks and who always performs creditably, will be pitted against a good boy in one of the preliminaries at the next show of the Winnismett A. C. George Dennis will be given another chance to show his prowess in the ring and will meet Young Mason, who competed in the amateur 105-pound class. Mason and Dennis will furnish one of the preliminaries at the Winnismett A. C. July 30.

Weak Women. To weak and ailing women, there is at least one way to help. But with that way, two treatments, vantage combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the Local. Dr. Shoop's Restorative is the Constitutional.

The former—Dr. Shoop's Night Cure—is a topical remedy that restores the system. The latter—Dr. Shoop's Restorative—is a whole internal treatment. The Restorative reaches throughout the entire system, and repairs the repair of all nerve, all tissue, and all blood ailments.

"The Night Cure" as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals, calms weakness and discharges, while the Restorative, cures nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and health. Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well.
