TEMPERANCE LEAGUE

A league has just been formed in Toronto, to protest against the recently enacted Sunday law. It is called the Canadian Rational Sunday League, and they are sending out the following circular explanatory of their aims and objects:

The formation of this league has been forced upon us by the tyrannical Sunday laws recently enacted at Ottawa. This legislation was secured by professional agitators in the name of religion, and under sanction of this iniquitous law a religious persecution has commenced. Those who do not agree with the Lord's Day Alliance are to be converted to their views by fines and imprisonment. Like St. Paul before his conversion, who said . . . . . "and being exceeding mad against them I persecuted them even unto strange cities." How accurately this represents the attitude of the well paid agitators of the Lord's Day Alliance, who travel from one city to another, instituting legal proceedings, taking up collections and stirring up strife!

True religion is honest and never aggressive and leaves everyone free to live his own life as his conscience dictates.

The religion which requires police, fines and imprisonment to support it, that causes strife, hatred and malice, is not the Christian religion.

We are unworthy the names of free men if we submit to these tyrannical laws.

The objects of this league are to secure:

The right to buy and sell refreshments on Sunday, intoxicating liquors excepted.

The right to have popular lectures or similar recreations on Sunday where an admission fee may be charged.

The right to have music in the parks, to open museums, picture galleries and reading rooms on Sunday.

That selling a postage stamp, cigar, tobacco, newspapers or magazines on Sunday shall not be considered a crime, making the vendor liable to a fine or imprisonment.

Note—This clause in not intended to authorize the opening of news or cigar stores, but simply to permit druggists, hotels, etc., which are always open to incidently oblige the public if they wish without incurring penalties.

We shall continue the agitation until these objects are obtained, and invite the co-operation of all men and women who love freedom and hate injustice and oppression.

(MAJOR) W. H. ORCHARD,
Chairman of the committee.
J. ENOCH THOMPSON, Secretary.

There is an average of 1,268 persons married in New York city each day.

A TEMPERANCE LECTURE

Prof. John A. Nicholls, of Boston, delivered a very interesting lecture yesterday afternoon in Leinster street Baptist church. It was the first of a series of lectures which he will give in St. John, under the auspices of the I. O. G. T. Prof. Nicholls is a very entertaining speaker and his adress was very much enjoyed by all who attended.

Rev. W. Camp acted as chairman of the meeting and Rev. C. W. Hamilton, provincial organizer of the Sons of Temperance, was called upon to offer prayer.

On Wednesday evening Prof. Nicholls will speak in the Charlotte street Baptist church, west end.

At 8 o'clock last evening a mass meeting was held in Fairville Presbyterian church and was adressed by Prof. Nicholls. The church was crowded to the doors and the speaker's remarks were listened to with much interest.
