OLD HALIFAX SHACKS WILL BE TORN DOWN

Halifax, May 22—There are many dilapidated, unsightly and unused buildings in Halifax that long have been a nuisance.

Notices have been prepared by the city engineer's department to be sent to the owners of these buildings asking them to have the said structures torn down, as they are a menace to the public safety and they endanger the lives of citizens. The notices were issued in accordance with the new building law which became operative last month.

Unless the buildings are torn down within forty-eight hours the city will commence proceedings to remove the same and charge the cost of the work to the owner.

The act provides for a penalty of $500 if the owner violates the law in this respect. The owners of some eight or ten structures are on the list for immediate treatment.

Let me send you free for Catarrh, just to prove merit a Trial size Box of Dr. Shoop's Catarrh Remedy. It is a snow white creamy, healing antiseptic balm. Containing such healing ingredients as Oil Eucaliptus, Thymol, Menthol, etc. it gives instant and lasting relief to Catarrh of the nose and throat. Make the free test and see for yourself what this preparation can and will accomplish. Address Dr. Shoop, Racine, Wis. Large jars 50 cents. Sold by all druggists.

On the programme of a pupils' recital in the New England Conservatory of Music, Boston, on Saturday afternoon last, Clarence S. Jordan, of St. John, had a prominent place. His performance of Hollander's Tarantella in E minor, violin was accounted by a large and critical audience as of very considerable excellence. These public appearances at the New England Conservatory are an important part of the school work, and the chance to appear on a programme is highly prized by the students.

EVERY PHYSICIAN ADMITS

There is only one permanent cure for catarrh. Inhale the soothing vapor of Catarrhozone and lasting cure will follow. Try Catarrhozone yourself—it's pleasant and sure.

Thomas Phillips, a clerk employed with M. R. A., Ltd., has been advised by his physician, Dr. Case, to give up the dry goods business and will leave the employ of that firm on Saturday. Mr. Phillips will go first on a short visit to Nova Scotia and if his health does not improve he may go home to England. He has been in this city four years and has made many friends who will be sorry to hear of his departure.

Percy G. Smith, of Bass River (N. S.), has been granted a patent for speed recording and indicating mechanisms.

"Is this the best hotel in the town?" asked the stranger.

"Well," replied the native, "I won't say that, but it ain't as bad as the rest of 'em."
