WALL STREET

NEW YORK, July 15—The open dealings in stocks while in moderate volume, carried prices briskly skywards. Transactions in Union Pacific were on a large scale and carried the price of that stock 2 over Saturday. Great Northern Preferred, Reading and American Smelting rose 1 3-4, and Northern Pacific 1 1-2. Atchison and Amalgamated Copper rose 1; National Lead, 1 1-2; and St. Paul, American Locomotive and Erie Second Preferred, 2 3-4. Central Railroad of New Jersey sold at an advance of five. New York Air Brake, 3, American Ice 2 1-2, and D. & H. 2.

THE STOCK MARKET

The stock market outlook is unsettled and we cannot advise purchases except on pronounced reactions. Until conditions become more settled, favorable stock market operations will have to be conducted with exceptional prudence. The market seems liable to another attack of indigestion, through excessive security issues.
