tells of the present prosperity and great prospects of Canada, which has "the steady, irresistible impulse of a great and growing nation."

With regard to its own affairs the bank has had a prosperous year, and has continued its progressive policy. Thus the report says: "The profits for the half year, after making our usual liberal provision for bad and doubtful debts, amount to £67,255; and adding thereto the amount carried forward in June last of £37,861, to have a sum of £105,116 to deal with.

The full report is worthy of the careful attention of business men. It indicates not only prudent management but progressive policy, on the part of this one of the greatest financial institutions doing so large a business in Canada.

CANADIAN FACTORY—77 FRONT STREET EAST 81

A Great Easter Shirt-waist Sale Comprising Lawn, Linen, Lace and Silk Waists.

The papers one week ago announced that we had secured a large lot of Shirtwaists at one of the big factories in Montreal at very special prices. The goods have now come to hand, and the sale will commence on **MONDAY MORNING**. Altogether there will be about five hundred waists on sale. Prices from **29c. to $3.35.** We make it a point every season to have a great shirtwaist sale. We will probably have two this season, and this is the first we announce for 1907. At one of these shirtwaist sales, we sold over four hundred waists in one day, because the people were offered $1.00 worth of shirtwaist for about 60c. This is about the same proportion that will be asked during this sale. Every waist is 1907 style. They are mostly shown with three-quarter sleeves, but if you prefer long sleeves you can find lots of them here.

Lawn Waists.

Even the 29c. ones are trimmed and tucked. Those ranging around $1 are worth $1.75. The sizes are from 32 to 38.

Linen Waists.

Some that were $2.50 are marked $1.25. Some that were made to sell at $3.50 are marked $2.25. These are made from pure Irish Linen and are prettily trimmed. Sizes from 32 to 38.

All-over Lace Waists.

Priced from $1.50 up to $3.35. The $3.35 being the regular $5 quality, the $1.50 being the regular $2.50 quality. These are very dainty stylish waists. Sizes 32 to 38.

Silk Waists.

They are very attractively trimmed. Neat, serviceable and stylish. Prices range from $1.95 to $3.35. They come in white and black, and the sizes run from 32 to 42.

---

The Allan liner Corinthian, Captain Pickering, sailed from Glasgow on Saturday, for Halifax. She has 247 second and 745 steerage passengers, al lof whom will be landed there.

Liverpool, N. S., March 22—Schooner New Era, which sailed from here on Tuesday, loaded with pulp for New Haven, arrived back here today with deck load and sails gone and leaking. She took the gale a hundred and sixty miles off the Cape. The wind and seas swept her decks and spars of everything moveable. Cargo and vessel are insured.

The Allan line steamer Laurentian arrived at Halifax last Thursday on her way to Boston. The steamer sailed from Glasgow on the 9th and from Moville on the 10th, and met ordinary winter weather up to Wednesday evening when the wind increased to a gale with a tremendous sea. The ship suffered no damage, however, but the wind blew with such force that it was all she could do at times to keep headway and in the 24 hours only covered 92 miles. On March 19th, in latitude 42.24, longitude 52.50 west, the Laurentian passed a large gas buoy, showing three flashes every 30 seconds.

New York, March 22—Capt. Massey and Mate Cramer of the American schooner Wm. H. Bailey, who, with the other members of the crew were picked up in an open boat at sea on March 9 after abandoning their vesse l,were brought here Friday on the steamer Venetia from the West Indies. The other members of the crew were landed at Nassau and will be brought to New York later. On March 7, when the Bailey became unmanageable the crew left her to her fate. They were picked up by the steamer Gracia after they had been drifting about in the little boat for 30 hours. The Gracia was bound for Hayti and the shipwrecked men were landed at Inagua. From that port the captain and mate were brought here while the other members of the crew were sent to Nassau.

THE THEATRES

UNCLE JOSH SPRUCEBY

"UNCLE JOSH SPRUCEBY."

Recognizing the tendency of the times to cheapen prices for sensible healthy amusements, the managers of the 'Uncle Josh Spruceby" Company, which appears at the Opera House on Easter Monday have decided to appear this season at popular prices. The wisdom of this move appears to have been justified by the packed houses that greeted the company everywhere. The play is an enjoyable New England comedy-drama, and for the past nine years has appeared only at regular prices all over the country. Special scenery, the great saw-mill scene, the big operatic orchestra, and a first-class company are still carried, and no attempt has been made to cheapen the attraction on account of playing at popular prices.

SIR THOMAS TALKS

Sir Thomas Shaughnessy, president of the C. P. R., who arrived in the city yesterday, was asked concerning the car shortage on the C. P. R. this winter. He said the shortage was due to the exceptional weather conditions, and he thought it would not occur again. He referred to the fact that the company has $13,000,000 worth of equipment on order. He was glad, he said, to see that St. John was going ahead with the building of wharves, but trade was increasing so rapidly, he thought the facilities in a few years would be altogether inadequate. Concerning the proposed fast steamship line from Blacksod Bay, Ireland, to Halifax, Sir Thomas said it would never materialize.

Col. Hanbury-Williams, C. V. O., C. M. G. and A. D. C. to his excellency the governor-general called to pay his respects to the mayor at city hall yesterday afternoon and to inform him that Earl Grey would visit St. John towards the end of July or the beginning of August.
