IN THE WORLD OF SPORT

POLO

At a meeting held last evening in the Queen's Rollaway, details in connection with the Rugby polo league were arranged. The teams are: Queen Square, Shamrocks, Carletons, Ramblers and Queens. The nights for practice will be Monday, Tuesday, Wednesday, Thursday and Friday for the teams in the order named. The practices will be held after the usual skating session, and at first the public will be excluded. In due time, however, spectators will be allowed at the practice games.

BILLIARDS

London, March 24—What will rank as one of the most extraordinary billiard matches ever played was brought to a conclusion tonight, when Reece, the Oldham professional, beat the Australian champion, F. H. Weiss, by 4,135 points out of a game of 7,000 points up, running out with an unfinished anchor stroke break of 4,593. This break beats all records, even Peall's 3,304 "all in," and 2,539 made by the American champion Ives when playing John Roberts fourteen years ago.

It only took Reece 97 minutes all told to run up his huge score, and his opponent never handled his cue after Wednesday evening.

Owing to the conditions under which Reece and Weiss played their match, the ball being spotted after each break, Reece's effort will not be officially recognized. Lovejoy, who originated the anchor stroke, also made a huge score of 2,257 unfinished tonight against Pindar. This latter will rank as the official record.

ATHLETIC

Marathon Sports Wednesday Night.

The second of Marathon sports will take place in Queen's rink tomorrow night, the 27th inst. The following are the events:

40 yards dash—Handicap.
220 yards dash—Handicap.
440 yards dash—Handicap.
Half mile run—Handicap.
One mile run—Handicap.
Quarter mile, boys race—Handicap, 15 years and under.
Half mile, boys race—Handicap, 18 years and under.
One mile roller race, boys under 17 years; handicap.
Relay race, one mile.

Entries will close at Queen's rink this evening at 6 o'clock sharp. Contestants will please call and get passes at the rink before Wednesday noon.

THE RING

JACK TWIN AND PALMER TONIGHT

BOSTON, March 25—Jack (Twin) Sullivan figures in an international match in Los Angeles tonight and several other noted boxers are down on the cards for contests in the east and west.

The Los Angeles bout being an international affair is considered of more importance than the others. Jack Palmer, who is to go against the Twin, is one of England's foremost boxers, and, notwithstanding that he was beaten by Gunner Moir in their battle for the heavyweight championship of England, is thought highly of as a mitt artist by the English sports. He is no stranger to the "Twin," for they met in London in 1903. Their 15-round bout was declared a draw, but unbiased spectators conceded that Sullivan should have been given the award.

Since then Palmer has not shown that he has improved, nor has the "Twin." As a matter of fact, many of the local experts believe that the latter has fallen off on his form.

Palmer is an aggressive boxer, with considerable science, and a good punch with both hands. He is a rugged fellow and can stand a walloping if it is handed to him. In his bout with "Gunner" Moir he had hardly got started when he was declared the loser on a foul. Palmer has always claimed he was "jobbed" in that battle, but the English sporting writers deny it.

Palmer has claimed since coming to America that he boxed Philadelphia O'Brien in private in England and had bested him, but Palmer is the only one that says so.

The Englishman will have weight on the "Twin," but it is not believed that he can defeat the Cambridge boxer. At present Sullivan is a 10 to 7 favorite, and 10 to 9 has been offered that the English boxer does not last more than 15 rounds.

CHECKERS

BARKER STILL CHAMPION.

BOSTON, March 25—Charles F. Barker of Boston, successfully defended his title as national checker champion today in the final game of this year's tournament, with August J. Heffner, also of this city. Barker received the first prize of $150; the other money winners in the tournament being Heffner, $100; L. S. Head of Bronxvile, $80; H. V. Reynolds, of Syracuse, $60. These four finishing in the major division. H. Zink, of Boston, $50; Willis A. Hill, of Lowell, $40, and George Andrews, of Boston, $20. The last three finishing in that order in the minor section. From the players who participated in this year's tournament a team of five will be selected to go to Great Britain next year and play English and Scottish teams for the International championship.

BASE BALL

At Jacksonville, Fla.—Brooklyn (National), 4; Jacksonville (South Atlantic) 0.

At Charleston—Charleston (South Atlantic), 1; Philadelphia (National) 3.

THE TURF

BIG HACKNEY STUD SALE IN BOSTON.

BOSTON, March 25—Eben D. Jordan of this city sold to Edwin Pabst, Jr., of Milwaukee, 121 head of horses comprising practically the entire Plymouth Hackney stud which has been one of the leading breeding establishments devoted to the production of high stepping harness horses in the country for a number of years past. The horses will be shipped to Milwaukee immediately.

Mr. Jordan's horses have won scores of blue ribbbons at the various shows in New York, Boston, Philadelphia, Newport and Chicago. As a breeder of this family of carriage horses Mr. Jordan has been one of the mose successful in Amerca.

It is understood the stud was disposed of on account of the ill health of Mr. Jordan. Two famous breeding stallions, Gentleman John and Dilham Prime Minister, are included in the sale. They are said to be the finest Hackney stallions on this side of the Atlantic and have many prizes to their credit.

BURTON'S HOME COMING

Ex-Kansas Senator Just Out of Jail Receives Royal Welcome.

ABELINE, Kas., March 23—Joseph R. Burton was welcomed home from a five months' confinement in the Ironton, Mo., jail with an enthusiasm that exceeded any welcome he received in his home town when senator. Burton was convicted of having appeared for pay before a government department while senator. Several hundred townsmen with a band met Burton at the station. Many persons carried banners inscribed "Welcome, Burton." The former senator rode from the station to his home in an open carriage, and his progress through the streets was in the nature of a triumphant procession.

PLANS 33 KNOT SHIP TO CROSS THE ATLANTIC

NEW YORK, March 25—Within eighteen months there will start out from the port of New York the first vessel ever attempting to cross the Atlantic from shore to shore in four days.

That this can be accomplished with comparative ease is to be demonstrated by Lewis Nixon, the designer and builder of the craft. Last Tuesday night he gave a few of his friends an inkling of the project at the home of Mr. Kolff, at Staten Island, and that the ship is to be one of war and not peace was stated by Mr. Nixon at his office in this city yesterday. The first four day vessel is to be of the destroyer type,, propelled by five screws, each driven by an internal combustion engine of 6,000-horse power or 30,000 horse power in all. The endurance of the destroyer is 3,000 miles at a speed of 30 knots, and the top notch is to be 33 knots.

Wm. Smith, John Keeffe, Fred H. Murray and John A. McAvity went to Halifax yesterday to attend a meeting of the Hardware Association executive.

A $100,000 POKER GAME

After Four Days' and Nights' Steady Play Chicago Gamblers Adjourn.

CHICAGO, Ill., March 25—A sensational poker game, lasting through four consecutive days and nights, has been hurriedly adjourned from Magnet hotel, after more than $100,000 has been won and lost.

Publicity drove to other quarters six participants of the greatest game ever known in Chicago, and the worn and pallid gamblers have resumed play.

Four of the players had been continually in their seats night and day for four days waging a battle of chips for high stakes.

In the rooms occupied by the players, of whom Mont Tennes is said to be a heavy loser, he was said to have been one and John Sullivan, better known as "Sully," another. Smoke of cigars still lingered when the outsiders reached the place. Broken wine glasses and cigarette stubs covered the partly deserted deal table.

A state senator, whose name is guarded, is said to have won heavily.

The men hurried away in a cab at the first word that the game had gained wide attention, leaving a sleepy housekeeper on watch.

Mrs. Mont Tennes declares she knows nothing about her husband's reputed losses or the long game.

"They must have been very cute men if they got that much from Mont." she said. "I know nothing about the circumstances, but there has been a game."

Rosy Cheeks

The Ambition of Every Woman.

Hollow cheeks with dark lines, sallow complexion—how a woman hates them.

But rosy cheeks, clear skin, bright eyes—give them to a woman and she is happy.

In the blood is found the first sign of trouble.

It grows thin and watery, its color fades, and increasing pallor and sallowness give the outward evidence of the change within.

Soon the nerves weaken, the heart easily tires and palpitates, strength declines.

The delicate mechanism of the womanly functions is interfered with, and pleasures, activities and even duties are loaded down with the burden of declining health.

Why is it that women neglect the first warnings?

Usually she waits till she is reddy to drop—often then it's too late.

These conditions are easily checked, easily cured at the beginning,—but even when long established Ferrozone will remove the cause and cure the trouble.

Ferrozone's action aids the three principal functions of the body—digestion, assimilation, elimination.

By strengthening digestion it forms an abundance of rich, red blood—this gives good color.

By perfecting assimilation, Ferrozone supplies nutrition—this gives strength, vim, stability.

Elimination is assured because Ferrozone quickens the action of the liver, kidneys and bowels—this guarantees the maintenance of vigorous health.

Ferrozone puts you on the right road—the one that leads to health.

Not a man, woman or child needing blood, vigor, endurance—not a person who is weak, nervous or sickly, not a person in ill-health who won't receive immediate help from Ferrozone.

As a tonic and restorative, as a health-bringer and body-builder, Ferrozone is unrivalled. It cures because it feeds and nourishes, because it contains the elements that build up and strengthen. Try it yourself—sold everywhere in 50c. boxes.

CANADIAN CLUB

Decides to Ask Several Noted Men to Speak Here.

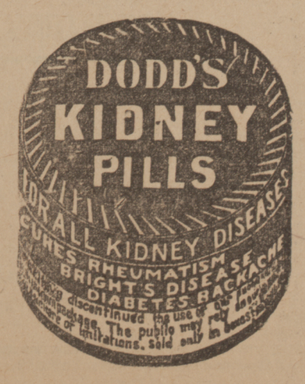

At a meeting of the Canadian Club executive yesterday afternoon in the Times editorial rooms it was decided to correspond at once with President Cockshutt of the Canadian Manufacturers' Association, who will visit St. John early in April, and ask him to address the club. Mr. Cockshutt is a very interesting speaker. It is expected he will be dined while here by the local members of the Manufacturers' Association.

The secretary of the Canadian Club was authorized to cable W. T. Stead, editor of the Review of Reviews, who will be in Canada about a month hence, and will address the club in Toronto, and ask him to address the St. John club; also to write Earl Grey and ask his excellency to address the club when he visits St. John next summer. Sir Thomas Shaugnessy will inform the club when it will be convenient for him to address them.

Those present at the executive meeting, which had to be somewhat hurriedly called, were President W. E. Earle, Geo. A. Henderson, J. N. Harvey, A. M. Belding, Dr. Bridges, M. E. Agar and Dr. T. D. Walker. It was stated that J. S. Willison was greatly pleased with his visit to St. John. He was shown about the city on Saturday by Mr. Earle, Dr. Bridges and W. Frank Hatheway, and went west on the same train with Sir Thomas Shaughnessy.

REVOLT IN VENEZUELA

Washington, March 25—Cablegrams received at the state department today report that fighting has been going on at a place called Ponombia, in Venezuela. This town cannot be located as yet, but is believed to be near the Colombian border where General Penalosa was last week reported to have started an insurrectionary movement against Castro's government.

THURSDAY THE DAY SET FOR VALLEY ROAD TALK

Premier Will Move Resolution On St. John River Valley Railway, and Discussion Will Be In Order---Yesterday in the Local House.

Fredericton, N. B., March 25—The Hon. Mr. Pugsley gave notice that on Thursday he would move a resolution that it was desirable to construct a railway along the valley of the St. John river, and to provide assistance by way of the guarantee of bonds to McKenzie, Mann & Co., who have made a proposal to the government to construct and operate such line of railway.

Mr. Tweeddale gave notice that he would on Thursday move that in consequence of the attempt on the part of the N. B. Lands & Railway Company to exclude the public from the right to go upon their forest lands and kill and take away the wild game, the government be requested to prepare a bill giving the public right to go upon any forest lands to kill and take away wild game under authority of the surveyor-general's license.

The house met at 3 o clock.

Hon. Mr. Pugsley said: It will perhaps be proper for me to indicate the course of procedure. We will adjourn the house from Thursday evening till the following Tuesday so as to enable members to go home for the Easter holidays. After that I think we will by holding night sessions, be able to dispose of the public business in about ten days or so. I do not think that anything will be lost by adjourning over.

Mr. Campbell, presented the petition of Frederick Clements and others and of Delancy Robinson and others asking for certain amendments in the bill vesting the property of the Fredericton Boom Company in the St. John River Log Driving Company.

Mr. Maxwell for Mr. Dobertson introduced a bill to incorporate the Associated Charities of St. John.

Hon. Mr. Pugsley—I desire to remind honorable members that the time for private bills will expire today.

The house then went into committee and agreed to the following bills:

The bill authorizing the board of school trustees of the city of Moncton to issue debentures for school purposes.

The bill to amend the act to authorize certain of the inhabitants of the parish of Bathurst to assess themselves for lighting purposes.

The bill to incorporate the Sisters of the Hotel Dieu Tracadie (N. B.)

The bill to amend the probate court act.

On the consideration of the bill to amend the consolidated statutes respecting the protection of sheep from the dogs, the Hon. Mr. Pugsley explained that the bill was brought in at the request of the New Brunswick Farmers and Dairymens' Association. The law, as it is at present, was that dogs should be taxed, but that on the petition of fifteen ratepayers, in each parish the county council might pass a by-law rendering the act inoperative, and this power had in most instances been acted upon. It was now thought desirable in the interests of sheep raising, that the council should have the power to bring the act in operation on the petition of fifteen ratepayers and the bill was to enable it to be done.

Mr. Ryan thought that the bill did not go anything like far enough. It did not touch incorporated towns, where there were more dogs than there were in the country places.

Mr. Robinson thought it would be better to allow the council to repeal the by-law on their own authority without the necessity of any petition. The opinion of people in the county of Westmorland was very strong on the subject. The dogs should be taxed and the proceeds go to a fund to repay for sheep destroyed.

Hon. Mr. Pugsley, said it would not do to make the bill too drastic, otherwise it might defeat its object. He suggested leaving the municipal councils the power to repeal the by-law if they thought it advisable to do so on a majority of two-thirds of the council voting for such repeal without the necessity of any petition.

Mr. Carpenter suggested that the act might be made operative in the different parishes on the petition of residents in those parishes without reference to the other parishes at all.

On the motion of Hon. Mr. Pugsley it was decided to report progress.

CHARLOTTE COUNTY WEIR MEN'S UNION

They Meet and Fix Price for Their Herring to American Packers.

St. Andrews, March 25—(Special)—At an important meeting of the recently formed weir men's union held here today, the prices at which the fishermen will sell their sardine herring catches to the packers at Lubec and Eastport was fixed. Sixty or seventy members from various parts of Charlotte county were present.

James A. Belyea, of St. John, the president, was in the chair. George M. Byron, of Campobello, on behalf of the executive, reported decision that the price of sardine herrings shall be from the first of the season to July 31, $8 a hogshead, and from July 31 to the end of the season $6. These prices are to apply only to United States packers, a preference being given to Canadian canners.

A proposition to make the price $7 for the whole season was voted down, and the executive report was adopted.

Last year the price received from Lubec and Eastport packers was about $4, and in some cases even lower.

A standard of measurement was also fixed by today's meeting, that hitherto in use being unsatisfactory. At the meeting today a standard tub was decided on, to hold fourteen imperial gallons, ten of these tubs to be regarded as a hogshead.

The union also passed a resolution permitting the sale of herring for smoking purposes at any figure the market will bring. If it is found that the packers are buying herrings for smoking purposes and really using them for sardines, the dealers so offending will be penalized by having their supplies cut off for a fortnight.

A WOMAN'S BACK WAS NOT MADE TO ACHE

Thousands of Women sufter Untold Misery Every Day with Aching Backs That Really have no Business to Ache.

Under ordinary conditions it ought to be strong and ready to bear the burdens of life.

It is hard to do housework with an aching back. Backache comes from sick kidneys, and what a lot of trouble sick kidneys cause.

But they can't help it. If more work is put on them than they can stand it is not to be wondered that they get out of order.

Backache is simply a warning from the kidneys and should be attended to immediately so as to avoid years of terrible sufferering from Kidney trouble.

Doan's Kidney Pills

will cure you in the same way as they have cured thousands of others.

Mrs. Thos. Craig, Almonte, Ont., writes: "I was doctoring for six months for kidney trouble and my back was so lame I had to lie in bed. I was advised to try Doan's Kidney Pills. I did so and in one week I was able to walk with very little pain, and in five months my back was as strong as ever.

Doan's Kidney Pills are 50 cents per box or 3 boxes for $1.25 at all dealers, or will be mailed direct on receipt of price by The Doan Kidney Pill Co., Toronto, Ont.

VERDICT FOR RYAN

Geo. W. Fowler's Former Partner Wins Both His Suits.

Toronto, March 25—Justice Clute gave judgment in the suits of John D. Montgomery against Peter Ryan on a note for $12,000 and Peter Ryan against John D. Montgomery and the Bank of Montreal today. The action of Montgomery vs. Ryan was dismissed without costs.

In Ryan vs. the Bank of Montreal, Ryan is awarded $1,000 damages for wrongful inspection of his account.

Donaldson Hunt left last evening on a short business trip to Montreal.

TWO KILLED IN A C. P. R. COLLISION

Freight Trains in Head on Smash and Two Train Men Killed.

Toronto, March 25—A head-on collision in which two freight trains smashed together, killing two men and seriously injuring two more, occurred this morning on the C. P. R., a couple of miles east of Myrtle station.

The dead are fireman, C. Jones; brakeman, H. Howe, both of Toronto Junction, who were caught in such a position under the debris of the wreck that their bodies were not removed until nearly two hours after the collision occurred.

Howe was in the engine cab at the time of the collision and was scalded to death. The impact reduced the engines to scrap iron, and the bodies when found were almost unrecognizable. They were badly burned, bruised and scalded.

A fire started immediately after the collision, but was extinguished before it had made great progress. The tragedy was due to alleged mistake of orders on the part of the conductor of the eastbound train, and the fact that both trains were running at the time in the midst of a dense fog too thick to permit either end to avoid the danger in time.

MOUNT ALLISON MAKES A CHOICE

Geo. D. Rogers the Rhodes Scholar for New Brunswick.

Sackville, N. B., March 25—Mount Allison University has just appointed as Rhodes scholar for New Brunswick, George Douglas Rogers, son of Rev. Dr. Rogers, of Sussex (N. B.)

He was born in 1885, and received his preparatory training in Truro, Halifax and Lunenburg. In 1900 he entered Mount Allison and, after a distinguished course, winning prizes in Latin and chemistry, he graduated in 1904 with first class honors. The next year he returned as a post-graduate to Mt. Allison and, besides taking advanced work in philosophy, French and German, he completed an honor course in classics. The academic year 1905 and 1906 he served most acceptably as classical master at Acacia Villa school. Last autumn he went to Harvard, where he is now pursuing advanced courses in Latin and Greek.

While at Mt. Allison, Mr. Rogers took an active part in the various branches of athletics, football, base ball, hand ball, hockey, tennis. He was very popular with his fellow students, and was prominent in the society life, such as the athletic association, the Eurhetorian and the Y. M. C. A.

Mr. Rogers possesses a well balanced union of the qualities, physical, social, intellectual and moral, which, according to the will of Mr. Rhodes, are to be considered in election to his scholarship.

MORE MONEY FOR POLICE

Salaries Committee Again Recommends Council to Grant Increase.

At a meeting of the salaries committee held yesterday afternoon to consider the question of increasing the pay of the police force, which was referred beck to the council, the increase of twenty-five cents a day to the men was again recommended, Detective Killen was increased to $2.50 and Deputy Chief Jenkins to $2.75 a day, William Boyle the janitor of the lockups, was given $1.50, an increase of five cents a day, and the annual payment to Marshall Coughlan was raised from $18 to $25. In consideration of his long service Court Sergeant Hipwell was given the same increase as the active sergeants.

The total addition to the estimates is about $3.900 a year. It is understood that the members of the board were not unanimous, there being suggestions to increase the pay ten cents or fifteen cents a day. There will likely be considerable discussion on the matter in the council next Monday.
