COLLISION AT MOOSEPATH

Some Sulkeys Overturned, But No One Hurt—Miss Letha and Marguerite Winners.

The threatening weather kept many from the second day's races on Moosepath and consequently there was but a fair crowd. Those that took the chance with the weather man, however, were well repaid, as there was some excellent racing. Marguerite and Miss Letha were the winners in the 2.26 and 2.21 respectively, though some of the heats were hard fought in both events. A collision that caused some little excitement but no damage occurred during the second heat of the 2.21 class, when Little Egypt, Ruth Wilkes and Meadowvale got into a mix-up. The latter ran away but was caught before he reached the turn.

Little Egypt in trailing Miss Letha pulled into Ruth Wilkes, upsetting the driver and in the turnover Marguerite and bike were also upset, the same fate befalling Meadowvale. The latter bolted but was caught. Fortunately no one was hurt, though some of the drivers were somewhat shaken up and bruised.

The officials were: Starter, James McGivern; judges, N. R. Colter, S. T. Golding and James H. Pullen; timers, John E. Wilson, Thomas H. Colter, of Fredericton, and Leon Keith; clerk of the course, A. M. Sancton.

JOE GANS ILL AT 'FRISCO

SAN FRANCISCO, Aug. 29—Joe Gans, champion lightweight of the world, is suffering from an intestinal ailment, and unless he shows improvement in the next few days it is likely the fight with Jimmy Britt, September 9, will be postponed. Gans has been ailing with this stomach trouble for the past year, and it has handicapped his training considerably. He is being attended by a physician and has been ordered to eliminate his rough training until he shows signs of improvement. As the fight is less than two weeks off, it is doubtful if the colored fighter is able to reduce to the required weight, 133 pounds.

SHE DIED LIKE JOAN OF ARC

MONTREAL, Sept. 3—(Special)—Believing that she had been directed by Christ to die as Joan of Arc died, Mrs. Joseph Lalonde, of St. Lazare, near Vaudreuil, burned herself to death yesterday. The woman went out to a hill near the village and built a funeral pyre, hung her clothing on the surrounding bushes, and stepping into the fire stood amid the flames till death ended her sufferings.

Coroner McMahon, of Montreal, after inquiry, reported that she had committed suicide while temporarily insane.

ANNUAL HARBOR SINGLE SCULL

Will Take Place Either This Saturday or Saturday Week. What About Belyea? Is the the General Enquiry.

It is understood that the intention is to pull off the single scull harbor championship either the coming Saturday or Saturday week. From present indications James Ross is the only man that will tackle Coates, though there is a bare possibility of Bud Nice entering. This is not as it should be. While both Ross and Nice are hard workers neither, it will be freely conceded, has the slightest chance with the Neptune single sculler. This paper has tried to impress upon the two clubs here, the Marathons and Neptunes, the desirability of making some effort to have Hilton Belyea re-instated, pointing out at the same time the injury the rowing game here is receiving as a result of his continued suspension. Surely the puritanical ones are satisfied to allow the fast west end sculler to be one of the starters in what will probably he his first and last race of the season.

In case the coming Saturday is chosen it is further urgently pointed out that either one of the two clubs mentioned, probably the Marathons, as he has been skating under their colors, should take up this matter immediately with the M. P. A. A. A. Any race that Belyea is not in would be devoid of all interest, and instead of incvreasing the interest in these annual contests it will kill for all time the slight enthusiasm shown now for this sport.

DARING AMERICAN ACROBATS

During the past winter a discussion was started among owners of the big circuses as to whether the foreign or native circus acrobat was the more daring, and consequently more valuable as a drawing card to the circus manager. The discussion has aroused general interest and will probably be seriously taken up at the next meeting of those interested in the white tents. Heretofore the average circus manager thought it impossible to start his four without several high priced European acrobats and the consequence was that a number of clever American performers took the names of foreigners, with the result that they pleased both the public and the manager. Norris & Rowe claim they have played all the sensational European acrobats and finally came to the conclusion that for daring and originality, the American performers took the palm. For instance, Norris & Rowe have two acts this season that discount any troupe of acrobats ever brought from Germany where it is acknowledged the best athletes of Europe come from. They are the famous Leffel Troupe of mid-air horizontal bar performers. Upon triple silver bars placed at the extreme top of the tent, these intrepid acrobats accomplish a series of graceful and difficult feats. Even when the horizontal bars are placed upon the ground one can appreciate the agility and cleverness of the bar-performers but when the same bars are placed high in the air, the dangerous nature of their hazardous calling is at once apparent, but it is a beautiful act that is always applauded. Another splendid American act is that of the Banvard troupe of young men and women aerial acrobats who do a "flying act," passing each other in long graceful flights through the air. Norris & Rowe will exhibit at St. John, Saturday September 14th.

A WOMAN'S SUFFERING

Consultations With Doctors and Specialists Gave But Little Relief.

Halifax, N. S., Sept. 4—Mrs. R. J. Rawlings, of 12 Argyle street, gives the following statement which should be of interest to every reader: "No one could know what I have suffered with torturing headaches, faint feeling, and lassitude. In the mornings I was scarcely able to do my work and when night came I felt too miserable to sleep. The doctors did me little good, so I decided to buy Dr. Hamilton's Pills, about which I had heard so much good. In a week I improved. My headaches were less severe, my appetite increased, and faintness passed away. Day by day I gained strength, and increased in weight. The trouble I am sure was in my stomach, and Dr. Hamilton's Pills did what was necessary. I used twenty boxes and in consequence will live twenty years longer."

Just the prescription for every tired, ailing woman,—try Dr. Hamilton's Pills and see if this isn't so. Sold by all dealers, 25c. per box.

REGISTERS A KICK

St. John, Aug. 30, 1907.

The Editor of the Times:

Dear Sir,—Since the protests which have recently appeared in the daily papers of this city, I have noticed a great decrease in the number of American flags flown in our streets. But I have observed of late, a tendency in some of the moving picture theatres to include songs in their programmes, both whose words and illustrations were likely to produce a spirit of anything but patriotism.

The American flag is a great and good thing in its place, but that place is not in the British Empire, nor in theatres maintained for the amusement of a British audience. I have no doubt but that these theatres would gain increased popularity by songs that, if not British, are at least not patriotic to a foreign nation. Thanking you for your space, I am

Yours truly,

COMMON SENSE.

TWO BAD FIRES LAST EVENING

Four Buildings Burned at Waterford and House and Barn at St. Martins.

St. Martins, N. B., Sept. 3.—(By telephone)—Fire tonight destroyed an unoccupied house and barn opposite the post office, on the Simeon Vaughan estate. The property is under lease to J. A. Vaughan for hay cutting, but the house was unoccupied. It is supposed that some boys who were in the house about noon today caused the fire by carelessness in smoking cigarettes and that it smouldered until tonight.

The wind carried the sparks from the burning buildings towards the house of James Rourke, M. P. P., about 100 yards away, but a bucket brigade prevented them gaining hold.

In the barn were some farming implements owned by Mr. Vaughan and some goods owned by Ernest Hatfield. These were saved.

Sussex, N. B., Sept. 3—A destructive fire occurred at Waterford about eight miles from here, tonight, in which four buildings were burned. The store owned by B. F. Myles, general merchant; store owned by Henry Deforest, general merchant; residences of Samuel McFee, and Thomas McFhane.

The origin of the fire is a mystery, having started in an unoccupied building. The inhabitants turned out from far and near and it was through hard and persistent fighting that the pretty little village was saved.

It could not be ascertained tonight the exact amount of damage done but the loss is reported partly covered with insurance.

All the occupants were thrown off and fifteen of them more or less seriously injured. Mr. Macaulay had his leg so severely jammed that, after removal to a hospital, it was found necessary to amputate the leg below the knee. Mr. Macaulay has been six or seven years in Pittsburg, where he is employed in one of the railway car shops. CONSERVATIVES TAKE NO ACTION

Executive Met Last Night But Did Not Decide to Put Candidate in Field.

The local Conservative executive at a meeting held in the Keith Theatre assembly rooms last evening considered the question of a candidate to oppose Hon. Wm. Pugsley in the bye-election for St. John city and county on Sept. 25. The matter was talked over, some names were mentioned, but as no strong man was available as candidate, the meeting adjourned without taking a vote on the matter.

As the meeting adjourned without date and as the bye-election is to be held in a few weeks this was said to practically mean no Conservative in the field unless something should develop and this was not considered likely.

Instructions were given to call the ward meetings at the regular date in January. Among those at the meeting were J. D. Hazen, M. P. P., who presided, Dr. J. W. Daniel, S. S. de Forest, H. H. Pickett, W. F. Hatheway, Dr. A. W. MacRae, J. B. M. Baxter, W. C. Dunham, John E. Wilson, Geo. A. Blair, W. H. Thorne, Dr. S. Alward, Dr. J. H. Grey, Thomas Kickham, Dr. J. B. Gilchrist, R. B. Emerson, John Ewing, Robt. Maxwell, M. P. P., G. Hevenor, R. R. Patchell, Jonas Howe, M. E. Agar, F. R. Fairweather, R. J. Wilkins, E. J. Neve, Frank Tufts, F. A. Dykeman, W. H. Harrison, P. Grannan and A. S. Osborne.

Mayor Sears when told of the result of the meeting of the Conservative executive and asked as to his intentions, replied that he had all along stated he would contest the seat. "If the Conservatives," continued his worship, "have not party spirit enough to take the field I will run as a straight Liberal. I have received good promises of support," added his worship, "and it all depends on the weight which Mr. Pugsley's new office carries with it as to what the result will be. I have very little doubt myself."

"There is nothing more to be said at present," he concluded, "except that the people may depend, as I have no money to spare, my campaign will be an absolutely pure one."

A. B. Copp, M. P. P. of Albert, Liberal organizer for New Brunswick, arrived in the city yesterday. Being asked if he had come for organization purposes in connection with the local bye-election, Mr. Copp said no, that he was here to meet Hon. Mr. Pugsley.

WANTS $5,000 DAMAGES

Fred Smith's Mother Takes Action Against Owner of the Crystal Stream.

Amon A. Wilson, K. C., has been retained in a suit for damages against D. J. Purdy, M. P. P., owner of the steamer Crystal Stream, which was burned at Cole's island June 21st last. The action is in behalf of Mrs. Smith, mother of Fred Smith, one of the four men who lost their lives in the catastrophe, and the amount sued for is $5,000.

Mr. Wilson, when asked about the matter last night, said that the report that he has been retained in the cause is correct. He had, he said, served notice of the intended action on Mr. Purdy before the latter left for England. The next step is the service of the writ, which would be seen to at once. The cause, he said, would not likely be tried before November.

ENTERTAINMENT IN TRINITY CHURCH

The Old Maids' Convention, held last night in the school room of Trinity church, drew a very large number of spectators, who thoroughly appreciated the entertainment provided.

The Old Maids, twenty in number, were attired in all kinds of old world costumes, and their manners were as quaint and amusing as their dresses. Prof. Pinkerton had a wonderful electric transformer on the stage, and it certainly wrought some marvelous changes in the appearance of the Old Maids.

The following were the young ladies who took part: May De Cue, Edith Nelson, Helen Kenney, Sadie Greany, Mona McMann, Annie Baizley, Frances Bell, Myrtle Fox, Helen Fotheringham, Isabella Millidge, Beatrice Irving, Josephine Lynch, Bertha Bell, Annie Fraser, Alice Ludgate, Jennie Robinson, Gertrude Dobson, Norah Matthews, Ida Smith and Elsie Murdoch.

Godfrey Kenney, in the part of Prof. Pinkerton, proved very amusing.

The programme included two vocal solos, a violin solo and two readings, and a number of very pretty tableaux. These were Charm From the Sky, Battle of the Roses, In Sight of Home, All in a Rosy Bower, Death of Virginia, Good Night.

The performance was under the direction of Miss Minna L. Harding, of Boston, and was a great success.

Dorchester, N. B., Sept. 3—All the criminal cases on the docket in Westmorland Circuit Court which opened here this afternoon are from Moncton. The cases are the King vs. Michael Cronin, John Weir and John Donnelly, charged with theft.

King vs. Henry Horsmon, charged with immoral conduct with one Annie Leaman.

King vs. Henry E. Berry, charged with unlawful conduct with Sarah E. Perkins, his stepdaughter.

King vs. E. P. Cook, charged with furious driving and running over a woman in Main street Moncton.

In referring to the criminal cases Judge Tuck said two of them were enough to make a man blush. He referred to the cases against Henry Horsman and Henry Berry. The evidence in the latter case being especially revolting.

The grand jury found true bills in all the cases, except that against E. P. Cook, charged with furious driving, which was thrown out.

One of the criminal cases will be taken up in the morning.
