Stringent Liquor Regulations Which Will be Enforced During the Miners Strike.

(Toronto News.)

The provincial government has inaugurated a regime, based on strict temperance principles, in the New Ontario mining districts.

This state of affairs will continue in force during the entire duration of the miners' strike.

The Temiskaming & Northern Ontario Railway will carry no packages containing intoxicating liquor into the district.

All hotels are prohibited from selling any liquor in packages.

All hotels are prohibited from contributing in any way to free drinking at their bars.

Any violation by the license-holders will result in the immediate suspension or cancellation of their licenses.

The license commissioners in the district have been instructed to enforce the new conditions to the letter.

It is probable that special license officers may be detailed to assist in the carrying out of the regulations.

The thanks of the association were passed to the church choir and people for their hospitality.

It was resolved that a provincial B. Y. P. union be organized to meet September or October and that a committee of five be appointed to carry this into effect.

A resolution of thanks to Miss Gaudin, in India, for her letter, was passed.

Resolved that a course of study be inaugurated in mission Sunday school work and the Bible.

Resolved that it is the duty of many ministers within the province to attend the association meetings, unless prevented by some worthy excuse.

A resolution of sympathy was passed in regard to Revs. J. J. Barnes and T. O. Dewitt, and hopes expressed for their recovery.

It was resolved to proceed with the ordination of F. S. Paster, M. A.; C. A. Colishan, Percy M. Hayward and L. M. Orchard, B. A., and further resolved that George Balster, H. McGill, F. Orchard and J. S. Sharp be given assistance. Rev. D. Hutchinson preached the ordination sermon. "We are laborers together with God," Dr. McIntyre presented the candidates. Dr. McLeod questioned them.

Rev. C. T. Phillips delivered the ordination prayer. Rev. Hughes gave the charge to the candidates. Rev. "Father" Noble spoke to the people.

There were receipts for home mission work of \$3,767.77; expenditure, \$3,478.

It was resolved that henceforth the books of the association treasurer should close June 30, and that a record be presented to the association.

It was also resolved that the report and financial statement of the home mission board be printed and submitted at the first session of the association.

The appointment of denominational funds was left to the executive.

Rev. J. B. Daggett was elected assistant clerk; Dr. McLeod, corresponding secretary; Colonel Vince, auditor; Colonel Vince, Woodstock, and Dr. Creed, Fredericton, were appointed delegates from this association to the maritime convention.

The evening session was taken up by an address by T. S. Simms, of St. John, on his recent trip to the missions of India.

Miss Harrison, a returned missionary from India, spoke of the work there.

Dr. McIntyre spoke on home missions. The association then adjourned.

FIRE IN NORTH END

Robertson's Grocery Store Damaged to the Extent of \$1,200 Last Night.

About 8:30 o'clock last night a lamp in the cellar of the grocery store of Robertson & Co., 615 Main street, exploded and about \$1,200 damage was done. The insurance covers the loss.

The chemical was the first to arrive, and by means of the cellar window, did good work. With the aid of a few streams the fire was extinguished in half an hour.

There being some defect in the wall, a quantity of water found its way into Philip Grannan's store and caused slight damage.

The Robertson building is owned by William Gray, who carries \$4,000 insurance. The damage to it, however, will not exceed \$50.

Robertson & Co. are the heaviest losers. In the cellar was \$800 worth of groceries and Mr. Robertson says these will be almost a total loss. The stock on the main floor was damaged considerably by water and smoke and the loss may reach \$1,000. The firm carry \$2,000 on the stock, \$1,000 each with the Quebec and the Atlantic Mutual. Mr. Grannan is insured for \$5,000 in the Sun, Commercial, Phoenix and Atlas.

EXCELLENT SHOW AT OPERA HOUSE

A Dutchman's Honeymoon is Very Funny and Scored a Big Hit Last Night.

A Dutchman's Honeymoon presented at the Opera House last evening, proved to be a laughable comedy on novel lines which won instantaneous success with the audience. There was a hearty laugh about once a minute. The members of the cast were thoroughly at home and never let an opportunity slip to make the most of the comical situations which were for ever presenting themselves.

The story deals with the elopement of Hans Snitzle and Araminta Jones and they appear upon the scene at the home of Adolph Busch, a friend and compatriot of Mr. Snitzle. Fearing pursuit and the police they ask to be hidden away but unfortunately Busch is himself dodging the officers of the law and cannot comply. In company with Jack Clinton, a young pugilist, he has just escaped from a raid at a sporting exhibition and is anything but comfortable under the circumstances. To account for Clinton's presence and deceive the police he disguises himself as a minister and introduces him to the eloping couple and also to his wife and daughter as Rev. Augustus Jagwell.

Then the trouble begins. Hans sees a way out of his difficulties by getting the minister to marry him to Araminta and in the presence of the family the ceremony is performed, Busch and the pseudo parson, not daring to object. Then Mrs. Busch discovers that Jack is not a minister, and tries to stop the honeymoon. The complications which ensue and the efforts of Busch, who is in love with Vinita, Jack's daughter, to redeem himself furnish no end of comedy in which an Irish policeman also becomes involved.

The performance is interspersed with several good songs and dances which last evening were heartily enjoyed.

Wm. Franks, as Jack Clinton, brought back memories of What Happened to Jones and made the Reverend Jagwell a very funny creation. W. A. Bohme, in the role of the love-sick Dutchman, was exceptionally funny and kept the audience in roars of laughter. R. T. Parkinson sang a clever patter song and in the character of Busch made the most of his many opportunities. Kolter Facke was a typical Irish policeman as Dennis.

Mrs. Busch, a lady who ruled her husband and all concerned with a rod of iron was well interpreted by Miss Annie Ince. Vinita, in the hands of Miss Mae Falardeau, was a dainty ingenue. Miss Camille Falardeau proved herself a clever dancer and bright comedienne as Araminta.

There is a hearty laugh in store for those who witness The Dutchman's Honeymoon. The comedy will be repeated this evening and twice on Saturday.

THEY WILL CRUISE TO FREDERICTON

Four North End young men are preparing for a pleasant cruise on the river during next week. On Saturday, George Crosby, Leonard Brown, Joseph Patchell and Edward Cochrane will set sail in the Bonnie Jean for Fredericton, and will cruise about the river for a week or ten days. The Bonnie Jean is a rejuvenated salmon boat, and is fitted in a novel way. Batteries have been installed, and the luxury of electric lights will be enjoyed. The boys are looking for a gramophone to furnish music and expect to enjoy a very good time.

They met with rather hard luck with their boat this spring, however, as some time ago, while tied to the wharf at Indian town, she struck against the wharf, knocking a hole in her side and filled and sank. She was raised, taken through the falls again and the repairing has just been finished.
