THE RING

WELSH IS HOT STUFF.

BOSTON, Dec. 6—Fred Welsh, the English boxer, who meets Dave Deshler in Chelsea next Wednesday night, is one of a few boxers that has come from the other side and made good here. He bested many good boys around Philadelphia, and when Matty Baldwin met him there Matty had his hands full in a bout of six rounds. Hock Keyes, the champion of Australia, was stopped in the 17th round of a bout with Welsh at Dayton, O. Cyclone Thompson, who met Kid Goodman here, was outclassed by Welsh in a six-round bout in the Quaker City. Deshler, however, is confident that he will be the victor.

GUNTHER KNOCKED OUT BY BLACKBURN.

PHILADELPHIA, Dec. 6—George Gunther of Australia was tonight knocked out by Jack Blackburn in the fifth round of a bout at the Industrial Boxing Club. Gunther was after Blackburn all the time, swinging away for Jack's face and body but missing more times than he landed.

Blackburn took his time and jabbed and hooked Gunther on the face, drawing blood from the Australian's mouth and nose and sending in hard uppercuts to the Australian's jaw and damaging his body with hard swings.

Gunther took his punishment gamely. In the fifth Blackburn pretended to run away from Gunther and the latter rushed savagely. Blackburn, after reaching a corner suddenly swung around and caught Gunther coming in with a furious right swing on the jaw and Gunther went down and out, it being necessary to carry him to his corner.

DAVE DESHLER AND WELSH.

BOSTON, Dec. 7—The Chelsea Club will hold a show on Wednesday night when it will have no conflict with the strong counter attraction of election returns as if the show was held on the regular night, Tuesday. Freddy Welsh of England, who is expected here Sunday ,and Dave Deshler of Cambridge in the main bout, should furnish a very hot argument for ten rounds.

Deshler has been restored to the good graces of the fight followers by his good work against Rouse O'Brien, but if Welsh is what he is cracked up to be, he will be obliged to go as fast as when he fought Kid Sullivan and Maurice Sayers. Then Deshler was at his best. The Pythian rink people arranged a good semi-final when they booked Denny Ryan and Denny McLaughlin for an eight-round engagement. The preliminary will be listed for six rouds.

KID FARMER AND SULLIVAN.

LOS ANGELES, Dec. 6—Kid Farmer of Chicago has received an offer from a Marysville, Cal., club to fight Dick Sullivan on Dec. 18. The men will fight at catchweight. Farmer leaves in a few days to begin to train for the bout.

ANOTHER MILL FOR GLOVER.

Billy Glover of Boston, has signed articles to box Johnny Dolan at the Brown A. C., New York, next Tuesday night.

BOXING GOSSIP.

Tom McCary offers $10,000 for a fight at Los Angeles between Owen Moran and Abe Attell. This is on the basis of ten rounds without a decision.

Frank Martell has accepted the challenge of Jimmy Williams, of New Haven, to box for a stake of $500. Williams boxes Pat O'Keefe at Danbury, Dec. 19.

Joe Gans, who has just returned to Baltimore after a threatrical trip, said there was no chance of his meeting Willie Fitzgerald. "It's nobody but Nelson, and then only for sufficient inducements," he added.

Jim Driscoll, another of the many "featherweight champions of England," who drove Owen Moran out of England," is coming to this country and will locate in Philadelphia. His ambition is to meet Attell.

Clergymen of Joplin, Mo., are strongly advocating boxing by preaching and practice. As a means of exercise boxing was barred some years ago by the Y. M. C. A., and the present agitation is to have the ban lifted.

BASE BALL

DELAHANTY TO SUE CLEVELAND CLUB.

CLEVELAND, Dec. 5—The Cleveland baseball club will shortly be defendant in an action which will be of vital interest to organized baseball. It will be a test case to determine the authority and control of players by clubs and owners.

Frank Delahanty, the Cleveland outfielder, was suspended without pay Aug. 3 for the remainder of the season for insubordination. He will bring suit for approximately $1000, which the suspension cost him in salary, claiming that the club had no authority over his actions while he was off the field. Delahanty was released to New Orleans Tuesday.

YALE 'VARSITY NINE TO PLAY McGRAW'S MEN.

NEW YORK, Dec. 5—The New York Nationals have arranged an exhibition game with the Yale 'varsity baseball team to be played on the Polo grounds on April 11, night after the return of the New Yorks from their southern training trip. Tad Jones, the star quarter-back, is captain and catcher of the Yale nine. Princeton wants a game with the New Yorks, to be played at Princeton, and, if possible, the Tigers will be accommodated. The New Yorks will train at Marlin Springs, Tex., and among the games to be played on their way back, while schedule is not yet completed, will be one in Little Rock, on April 6.

LEACH MAY GET HANLON'S PLACE.

PITTSBURG, Dec. 5—President Barney Dreyfuss to day received a letter from Manager Fred Clark in which plans for the spring training trip of the pirates are outlined. The squad is to go to Hot Springs and will consist of 25 men, which means that 12 will be dropped before the start. The club now has 36 men on its list.

Baseball fans are excited over a rumor that Garry Herrmann is after Tommy Leach, the little centre field of the Pirates to succeed Hanlon. No direct offer has been made, it is said, but Herrmann has asked friends to sound Dreyfuss on the matter.

BILLARDS

SUTTON EASIL BEATS SCHAEFER.

PHILADELPHIA, Dec. 5—Jacob Schaefer was in very poor form in his match with George Sutton at the Germantown Cricket club tonight and the latter won by 400 to 59. Sutton reached double figures eight times and in two successive innings totalled 110 points. It required only 14 innings for Sutton to complete his string of 400.

McLAUGHLIN'S GAME BID.

NEW YORK, Dec. 5—George Slosson made 300 points tonight at 18.1 balk line to Edward McLaughlin's 377 at 18.2. The two are playing a 1200-point contest. Slosson made a run of 107. The totals for the two night are 600 for Slosson and 585 for McLaughlin.

DALY CHALLENGES CLINE FOR TITLE.

ST. LOUIS, Dec. 5—John Daly today filed a formal challenge, accompanied by $100, to play Harry Cline for the three-cushion billiard championship. Cline won the emblem by defeating Daly in a match for the championship Monday. The money and challenge will be sent to Jordan W. Lambert, donor of the trophy, who is in New York.

Cline will have ten days in which to accept the challenge. He can then name any city in which the contest must be played. Daly will then post $150 more, as the matches for the championship must be for $250 a side.

ATHLETIC

SHERIDAN REFUSES TO GO UNDER HALPIN.

NEW YORK, Dec. 6—Martin Sheridan, the greatest all-round athlete in this country, comes out openly and says: "If Matt Halpin of the N. Y. A. C. is manager of the American team which goes to London next summer, then I am out of it. I for one will stay at home if Halpin goes." With one exception, according to reports from the Irish-American Athletic Club, the members of this club take sides with Sheridan.

It will be interesting for local athletic fans to read what Bob Dunbar has to say on the same proposition, when he honestly admits that his prejudice against this man Halpin would prevent any comment.

A WRINKLE FOR CAKE-MAKERS.

If you are your own cake baker—and surely you are—you perhaps have noted the difference there is in flour.

There are two prinicpal constituents in flour—starch and gluten. All wheats contain both, but in varying quantities. Ontario fall wheat is rich in starch, while Manitoba spring wheat contains a large percentage of gluten. By combining the two kinds of wheat scientifically a flour is made that gives delightful results, whether for cake, pastry or bread.

Millers are now blending these two kinds of wheat in such a way that the rich delicacy of the first is combined with the strength of the second—making an ideal flour.

Expert cooks have given Blended Flours exhaustive tests, and they are one in the opinion that no other flour can make such white, light, wholesome cake, pastry and bread.

Housekeepers will find Blended Flours without equal, both for making dainty foods, and substantial baking, and they will find Blended Flours most economical, too.

BASKET BALL

Another League Ends.)

The city may have no senior basket ball league this year as the representatives of the teams which would make up the league were unable to come to any agreement at a three hour meeting held in the Portland Y. M. A. rooms Saturday evening.

The trouble arose between the Algonquins and Portlands over the place of playing the games, the Indians wanting two of the three games with the champions played in the Algonquin gymnasium while to this the Portlands would not agree and after much fruitless discussion the meeting broke up without forming a league or setting any date for a future meeting.

The Portlands, Algonquins, Victorias and G. L. C.'s were represented and with four teams it was planned that each team would play three games.

The Algonquins have the largest and best equipped gymnasium in town and they insisted that the majority of the games should be played in their rooms. The Portlands, however, would not agree to this and offered to play the third game in a neutral gymnasium, but this proposition was not received with favor and no agreement could be reached, though it was 10.30 o'clock before the meeting broke up.

ROLLER SKATING

Billy Merritt.

Boston, Dec. 7—By cleverly holding the corners in the first few miles, Billy Merritt registered a victory under the new system of scoring in the five-mile professional roller skating race at the Park Square rink last evening.

Four points were given the winner of every half-mile, and the second, third and fourth places counted for three ,two and one points, and this system made the skaters exert themselves to their utmost to keep in the bunch. The table of points follows:

First, Merritt, 37; second, Hamilton, 34; third, Gendron, 25; fourth, MacDougal, 12.

John D. Roddick, Lyndhurst, Tells His Experience

After Two Years' Suffering With Lame Back and Weak Kidneys, Was Cured by Dr. Hamilton.

Lyndhurst, Ont., Sept. 7—The following statement made by Mr. Roddick, lumber merchant, tells of the remarkable knowledge possessed by Dr. Hamilton:

"Two years ago I had grippe which settled in my back and kidneys. I was sickly and very miserable, suffered great pain and inconvenience. Different remedies were tried without benefit and then I decided to try Dr. Hamilton's Mandrake and Butternut Pills. I derived immense good from their use in short time. When two boxes were used I was immeasurably better. Today I am well. Neighbors suffering from kidney and back trouble have also been cured by Dr. Hamilton's Pills which I am convinced is the best medicine for regulating and cleansing the system. They are very mild, but do the work just the same."

White Model L. Touring Car, 20 Steam Horse Power.

ANNOUNCEMENT!

I desire to announce that I have secured the agency for the Maritime Provinces for the WHITE STEAMER. This is the car which was, after exhaustive tests, selected by experts for the use of the United States Government for army service and for President Roosevelt.

More than 1500 White Steamers were manufactured and sold in 1906, and almost double that number in 1907, about twice as many large cars as were made by any other company in the world. Though known everywhere as "The Car for Service," the White holds the world's record for the fastest mile on the track, and has easily won the leading hill-climbing and endurance contests of England and America. Send for Bulletin No. 14 telling of the service of WHITE STEAMERS at the Kingston earthquake, at the Pittsburg floods. In Japan, India, the Philippines, etc., and giving much additional information.
