LAIDLAW & CO'S LETTER.

NEW YORK, Nov. 29.—While there can be little doubt that the industries of the country will reflect the shocks recently experienced in the financial markets, the untoward results could be greatly minimized by a quick return of confidence throughout the country. It is understood that careful enquiry has developed the fact that the great majority of interior banks are about ready to return to an unlimited cash payment basis. Money on call on the stock exchange is very nearly normal again and the time money market is not wholly bare of offerings. Secretary Cortelyou has stopped the further issue of three per cent certificates of indebtedness in action which at once indicates that the situation is well in hand and placates that element of the banking community which appears to be a large one, who believed the issue an unwise one. Considering the liquidation that has occurred in the stock market, the increased bank circulation and the stupendous majority of gold in the just grounds for apprehension of a money inflation in the country within the next six months. Business reaction would emphasize such a condition. For the time being a much better feeling prevails in speculative circles based on the developments mentioned and it would not be surprising if the further retirement on short contracts did not bring further improvement before the recovery is checked.

LAIDLAW & CO.

A sale of forty pretty trimmed hats and feathers, flowers, etc at F. W. Daniel & Company's commencing tomorrow. They had such success with their last sale of trimmed hats that their milliners have prepared about forty more hats for this event. They are as strictly stylish and of the best materials, but as it is so near the end of the season we are quoting very low prices. Every hat worth double the sale price. See advertisement on page two.

MOROCCAN SITUATION

France Has Awakened to Find That the Problem is Far From Solved.

PARIS, Nov. 28.—Yesterday's disaster has suddenly awakened France to the fact that the vexing Moroccan problem, far from being settled, has only assumed another perplexing phase. Although the trouble in western Morocco is now confined to native strife between Abdel Aziz, the sultan of record, and Mulai Hafid, the sultan of the south, the powerful Beni Assen tribe has suddenly broken out in the northeast and even daringly invaded the French colony of Algeria, several Arabs having crossed the frontier and attacked the French at Bab-el-Rassa. Under a galling fire, the French force, which was totally inadequate to cope with the enemy, retired slowly, after a long and determined struggle. They were finally reinforced by reserves that had been ordered up from Oudja and Nemours and then immediately began a vigorous assault upon the Arabs who fell back to the Moroccan hills.

DeLORY NOT GUILTY

But at Mr. McKeown's Request the Prisoner is Held for the Present.

The circuit court case against Nicholas DeLory charged with stealing a trunk and \$12 from Edward Wilson, and a coat from one Broadfoot, was resumed yesterday afternoon and the jury brought in a bill of not guilty on both counts. On application of Attorney-General McKeown, the prisoner was remanded as Mr. McKeown wished to consider the presenting of an indictment for receiving stolen goods knowing them to be stolen.

The Italian shooting case will not likely be taken up till about December 10th.

HON. DR. PUGSLEY'S SEVEN

(Toronto News.)

Mr. Pugsley has appointed a committee of seven to manage federal patronage in St. John. This little nest of partisans will flock together whenever an office becomes vacant, and decide who shall be quartered upon the taxpayers. Nothing will be taken into account—except the party service of the applicant, the good which may result to the party from the appointment, or the harm which the applicant may do to the party if the office is withheld. The public interest will receive no particular consideration.

The right of faithful and hard-working public servants to promotion will go unrecognized. Indeed, they will be expected to fit for their duties the untrained partisans by whom they will be supplanted. The whole system is vicious, unjust to the civil service, and destructive to public morals and national efficiency.

AT THE PRINCESS

The subjects dealt with in the new motion picture programme at the Princess Theatre should prove attractive to all classes of patrons. An exciting story entitled "A Pirate's Romance," is a wonderfully lifelike reproduction of the adventures of a kidnapped sailor. The color effects are especially fine.

"An Inebriate's Dream," as its title indicates, portrays many weird incidents and is a temperance lecture in itself. "The Airship Thieves," tells of a clever ruse to defeat the police. "His Pay Was 25 Cents Short," is a laughable film, in which a heckled husband and his better half figures prominently. Before the finish the spectators cannot fail to agree that the unfortunate man paid dearly for his extravagance.

The new illustrated songs by Mr. Bernard and Miss Dalzell are the latest of the kind and won hearty applause from the large audiences present yesterday.

A MYSTERIOUS SUICIDE

ALBANY, N. Y., Nov. 28.—With a revolver lying beside him and a bullet wound in his temple, the body of a man who registered as N. Brodsky, aged 28 years, of North Adams, Mass., was found in a room of a hotel here today. Brodsky registered at the hotel yesterday and, it is believed, killed himself soon after that for the bed was undisturbed.

Baby Laugh

It belongs to health for a baby to eat and sleep, to laugh and grow fat.

But fat comes first; don't ask a scrawny baby to laugh; why, even his smile is pitiful! Fat comes first.

The way to be fat is the way to be healthy.

THE SCOTT ACT IS NOT ENFORCED AT HAMPTON

Correspondent Writes Complaining Bitterly of Conditions in Hampton Station and Village.

The failure to enforce the Scott Act at Hampton Station and Village is a source of much complaint on the part of residents. A correspondent writes:

"At Hampton Station last Saturday midnight a number of men—some belonging to the crowd that are getting out Christmas trees to ship to the States, and others from this vicinity—were so drunk and noisy that the night operator sent for the sheriff, who, with his deputy, soon arrived. Even they had difficulty in quieting matters, but they finally did. Part of the crowd went towards the village shouting and yelling all the way in the early Sunday hours. Also on last Saturday evening's Quebec express there were some intoxicated men hailing from here. One dragged the conductor over the seats and another pulled the cord and stopped the train."

WEDDINGS

Caldwell-Thorne

At the residence of Rev. Angus A. Graham, pastor of St. David's Presbyterian church, Thursday, Robert E. Caldwell, of Middleton (N. S.), and Miss Mott Alward Thorne, of Havelock, Kings county (N. B.), were married by Rev. Mr. Graham. Miss Edith P. Milne, of St. John, was bridesmaid and George D. Milne, also of this city, groomsmen. Mr. and Mrs. Caldwell left on the steamer Yarmouth Friday morning for Middleton, where they will reside and where Mr. Caldwell is a photographer.

Worrell-Kenreid

A pretty and interesting wedding occurred in St. John Wednesday, the contracting parties being Mabel Louise Kenreid, daughter of Albert Kenreid, of Recton, Kent county (N. B.), and Thomas E. Warrell, son of Alexander Warrell, 127 Wright street. The ceremony, which was witnessed by only immediate relatives, was performed by Rev. A. A. Graham. Numerous beautiful presents attested the popularity of the bride and groom. Among them may be mentioned a sum in gold. The groom, who has for the past year been taking in the western states intends returning to California, where and his bride will make their home. A large number of friends wish them a happy journey through life.

OBITUARY

Miss Mary McNally

The death occurred at the general public hospital this morning of Miss Mary McNally, a member of the nursing staff. Miss McNally was about 30 years of age and was a daughter of Michael McNally of Fredericton. On Tuesday she was operated on for appendicitis but the operation was unsuccessful and she passed away this morning.

Miss McNally entered the hospital about 2 years ago and was a general favorite with all who knew her. She had a bright sunny disposition that made her friends everywhere. During the past summer while the lady's superintendence was away on her vacation Miss McNally attended to her duties in an able manner.

Besides her father, she is survived by one sister, Miss Frances McNally on the St. John school teaching staff, Dr. Harry and Dr. George McNally, of Fredericton and cousins.

The body will be taken to Fredericton on the 5 o'clock train this evening and the funeral will be held on Sunday afternoon from the residence of her aunt, Mrs. James G. McNally.

Mrs. James Logan

Relatives in St. John have received word of the death of Mrs. Logan, widow of James Logan, formerly of St. John, which occurred on Nov. 19 in Seattle (Wash.). Mr. Logan was a member of the grocery firm of Logan & Lindsay, so well remembered here. Mrs. Logan had been living for some years with her daughter, Mrs. Hugh Robertson, in Seattle. Many in St. John will be sorry to learn of her death.

Mrs. Margaret T. Stackhouse

The death of Mrs. Margaret T. Stackhouse, widow of ex-Cd. A. G. Stackhouse, and an old and respected resident of Carleton, took place on Wednesday evening. She had been ailing only a few days. Heart failure was the cause. Two daughters—Apollon, of Rat Portage, and Miss Stackhouse, of St. John—and one son—C. J. Stackhouse, of Carleton Place, were present at the funeral. Deceased was seventy-three years old.

CHURCH ENTERTAINMENTS

A number of very enjoyable church entertainments were held yesterday.

The senior branch of the W. M. Workmen's Mission Band of St. David's church held a very successful tea and sale yesterday afternoon.

The annual high tea conducted by the Ladies' Aid Society of St. John Presbyterian church, was held last evening and proved very successful. About 300 were in attendance.

The bazaar and art gallery held in the Church of England Institute rooms German street, yesterday afternoon by the Mission church, was attended by many, and a large sum was realized.

The cathedral high tea was continued last evening with a good attendance. The children will have this afternoon.

The mission study class of the Baptist Ladies' Union met in German street Baptist church last evening. Owing to the large attendance they were obliged to gather in the vestry, instead of the parlors, as planned. Interesting papers prepared by Mrs. D. Hutchinson, Mrs. T. S. Simms and Mrs. A. B. Colcoe were read.

SAPPHIRE LODGE

Sapphire Lodge, Daughters of Rebekah, celebrated the second anniversary of the founding of the lodge last evening, with a birthday party held in the meeting rooms, Simonds street. H. E. Codner presided, and in a short address told of the benefits of the Rebekah lodge.

The programme consisted of recitation, Miss Dunham; quartette by Messrs. Dunham and Holder and Misses Scribner and Thorne; recitation, Ida Sprague; solo, Wm. Collins; piano solo, Helen Dunham; piano duet, Miss Perry and Miss McIntyre; reading, Miss Currie.

A number of visitors were present, including officers from Jewel Lodge, of Carleton. The serving of dainty refreshments brought the delightful evening to a close.

ST. MARY'S BAND

The fourth annual anniversary of St. Mary's Band, observed last evening in St. Mary's church school room, was the most successful yet. Rev. Dr. W. O. Raymond presided and gave a short address. Inter-spersed with selections of the band were the following numbers: Exmouth street quartette, song by Miss Mary M. Campbell, violin solo by *Baudouin*.
