BUYING LOCOMOTIVES

Grand Trunk Has Placed Contracts for 100 New Ones.

Montreal, Nov. 29—Orders were given today by the Grand Trunk Railway for 100 locomotives at a cost of about $1,500,000. This is one of the biggest orders for rolling stock of this kind that have been given by a Canadian railway for a very long time, and coming at this season, when the American railroads are all drawing in their horns, is taken as a remarkable sign of the strength of the Canadian system of railroading.

The locomotives are of all kinds, but chiefly heavy freight engines. The orders have been distributed amongst various Canadian and American firms, and call for delivery within the first nine months of next year.

A Few Ha Ha's.
By GEORGE O. BAKER.

Mrs. Henpeck — My brother doesn't know the meaning of the word fear.

Mr. Henpeck — Don't boast. He's not too old to get married yet.

Mr. Askitt—Do you think marriage is a failure?

Mrs. De Vorsay—No; merely a temporary embarrassment.

The Newly-Wedded Wife—I heard that Jim Bradford and you drew straws to see which one would get me.

The Brute—Yes; and I've come to the conclusion that I drew the wrong straw.

THROWN OUT.

Tessie—Who are those two tramps you spoke to up the road?

Tom—They wern't tramps. They were a couple of millionaires who had been out automobile racing.

Mr. Kicker—Some dogs are almost human.

Mr. Kicker—Yes; they growl over their meals just as some men do.

MUST HAVE BEEN.

Mr. Naggitt—He never said an unkind word to his wife.

Mrs. Naggitt—How long has he been deaf and dumb.

OPERA HOUSE PICTURES

Today's pictures at the Opera House are especially prepared and selected for the ladies and children and parents can take their little ones this afternoon to enjoy the story of Alladin and the Wonderful Lamp; also the Simple Peasant, a beautiful story of a heroic rescue of a child who has strayed from its mother and fallen in a lake; Wonderful Wood Workers; The Forty Thieves, and other interesting subjects. These pictures are beautifully colored and are clear and bright. In addition to the pictures there will be illustrated songs and comic songs by Bert Howe, comedian. This evening there will be a big list of pictures, songs and specialties.

HARKINS COMPANY RETURNS

The W. S. Harkins company will begin a week's engagement in the Opera House on Monday evening, presenting Squire Kate for the first time in St. John. The Halifax Chronicle says: With all the forcibleness that characterizes an interesting play, the W. S. Harkins company presented Squire Kate at the Academy of Music last evening. There was not a moment that was without sensational acting or quaint humor. It is seldom that the casts are more fitting to the individual actor than in the make-up of Squire Kate. Each part seemed to be made for the one acting it and each one acted it to perfection.

The striking feature of the story is the old-fashioned "twixt love and duty," and Miss Van Duser added another laurel to her crown in the splendid manner in which she met the call to duty. Orson M. Dunn, as Gaffer Kingsley, a tight-fisted miser of the first water, gave without exception the most realistic impersonation of the long-haired money-clutching fiend that has ever appeared in Halifax. His part brings him into prominence throughout the entire play, and his retiring from the stage is regretted by all, so exceptionally well is his part taken.

BRITISH PICTURES TO BE SHOWN AT NICKEL TODAY

The children will have a great time at the Nickel this afternoon when the British naval views, the story of Ali Baba and the Forty Thieves, the magic pictures, Some Weird Fancies and the Mysterious Boudoir are shown. In all, the programme will consume the better part of an hour and will be entirely free from objectionable features. In keeping with the policy of the house the short execution scene in Ali Baba will be skipped.

Mr. Cairns will sing and there will be special music; matron in attendance, so that parents may rest assured their little ones will be well cared for if unaccompanied. On Monday Miss Mildred Elsa, of New York, and Master Matthew Hanlon, of Portland (Me.), will join the Nickel's singing staff.

LIFE DEPENDS ON HEALTHY BLOOD

Is Yours Rich and Pure?

When you are weak and ailing—When appetite is poor—when mental efforts seem impossible, sleep hard to get, be sure your blood has grown poor and your nervous system in consequence is impaired.

Nothing so quickly stimulates the formation of rich, red blood as Ferrozone.

Ferrozone's action upon the digestive powers is immediate—everything you eat is converted into nourishment and building material.

Ferrozone fortifies the action of the kidneys, liver and stomach, increases circulation, and by these means throws into the blood a vast store of material to build up and to strengthen.

Ferrozone by making blood and stimulating vital action, transmits to the debilitated brain cells, exhausted by toil, by anxiety, or by sickness, the strength they need.

The beneficent action of Ferrozone on the brain is transmitted through the nervous system, and all powers of the body are enormously increased.

Ferrozone enables the body to perform all its functions in a normal and natural way, and with an absolute freedom from reaction, which is the most positive assurance that the body is strengthened—not stimulated.

Whether the weakness you suffer is profound or of long standing, whatever the conditions are—if the blood is impaired, if its redness is reduced, if its activity is lessened—Ferrozone is an absolute and rapid remedy.

For any condition of weakness, debility or ill-health in men, women and children, you can't find so nourishing and strengthening a tonic as Ferrozone; try it, sold everywhere in 50c. boxes.

IMPERIAL SCOTS COMING

A week from next Monday and Tuesday the Imperial Scots, probably the best Scottish concert company since the days of the Kennedys will be at the Opera House. J. H. Hamilton, the great Scottish tenor, who has been making such a success since landing in this country four weeks ago, is the star, supported by Mary McLeod, the Scottish successor of Jessie Maclachlan; Elsie Dixon Craig, humorist, and Henry George, pianist. This will be a real old-fashioned Scottish night, and the Opera House should be crowded. Remember Monday and Tuesday week.

MEN AND WOMEN.

"77"
Seventy-seven for Grip and
COLDS
Guaranteed by the Manufacturer under the Food and Drugs Act, June 30, 1906.

There is hardly a Cough Syrup or a Cold cure made that is not loaded with opiates or quieting drugs.

Humphreys' Seventy-seven for Colds and Grip differs from these. It is made of remedies in Homeopathic potencies, is harmless, only does good, and does it quick and sure.

Seventy-seven breaks up colds that hang on. All druggists, 25c.

Humphreys' Homeo. Medicine Co., Cor. William and John Streets, New York.
