

NEW BRUNSWICK KENNEL CLUB'S BENCH SHOW IN FULL SWING

It Was Successfully Opened Yesterday Afternoon
---Result of Last Night's Judging.

The dog show at Queen Rink held by the New Brunswick Kennel Club, under the auspices of the Canadian Kennel Club, is a "howling" success, and it is without doubt the best dog show ever held in this city. Some of the best dogs from Montreal and Ottawa are shown and the local dogs in all classes are away ahead of any former exhibition. Harry W. Lacey, the expert judge from Boston, was well pleased with the exhibition, and in some classes he had some trouble in picking a winner. The show will continue today, when the judge will continue his work.

What Morgan Did	Insane People	Going to Jail	Pathologist of New York State Hospital for Insane Makes Astounding Statement.
-----------------	---------------	---------------	---

ALBANY, N. Y., Nov. 13.—That insane people are still committed to jail within the state of New York was asserted by Dr. Adolph Meyer, a pathologist for the New York State Hospital for the Insane, at Wards Island, N. Y. city, in an address today before the state conference of charities and correction which began its eighth session last evening in the state capital.

Said Dr. Meyer in part: "There are still in the record of this state in the care of that peculiarly helpless and pitiable class, the insane, inasmuch as even in a city which has a hospital for the insane within its limits, many patients are still taken to jail."

The number of insane under the supervision of the New York state commission in lunacy, Dr. Meyer said, now reaches the startling total of 27,102 or 745 more than last year. Of these over 1,000 have committed criminal offenses before their commitment to the insane asylum. The state still lacks accommodation for nearly 2,000 of its insane.

CHICAGO, Nov. 13.—Large reductions in working forces in many industries in Chicago during the last few days, owing directly to scarcity of orders and business depression. Several hundred men were laid off directly in various woodworking establishments. Several other concerns are running short time in an effort to maintain their forces. Nearly 1,000 machinists in Chicago are idle as a result of west of Chicago have laid off an aggregate of 25,000 men.

SUNDAY SCHOOL ASSOCIATION
A communication just received from the president of the Charlotte County Sunday School Association, W. H. Farnham, conveys the intimation that they are extending an invitation to the New Brunswick S. S. Association to meet with them in annual convention next year. This is extended on behalf of the Presbyterian, Methodist and Baptist Sunday schools of St. Stephen and Miltown. There is every probability that this invitation will be accepted by the executive committee at their next regular session.

SAM LANGFORD WON
LOS ANGELES, Calif., Nov. 13.—Sam Langford of Boston was given the decision over Jason Peter Jackson in a fight before the Pacific Athletic Club last night. Chase Eytan was the referee. Jackson was unpopular because of his failure to fight, and Langford showed superiority throughout.

JACKSON, a ten to six favorite, was hooded by the large crowd in attendance.
