GOVERNMENT MAY BUILD NEW WHARF

There is a possibility that the Dominion government may build the extension to the Clarke & Adams wharf to the harbor line.

Yesterday afternoon Aldermen McGoldrick, Baxter and Bullock saw the minister of public works and discussed with him the possibility of the wharf being built by the government, as is being done in other parts of Canada, and especially on the St. Lawrence.

They report very favorably of their interview. They left the minister with the understanding that the matter would be placed before the common council and brought before the government in a proper form. The aldermen feel that in government construction they have a solution of their whole problem.

NURSES FINISH TRAINING COURSE

Graduation Certificates and Medals Presented at Hospital Last Night.

Graduating exercises were held last evening at the training school in connection with the General Public Hospital, for the first time since its establishment. Eight nurses received diplomas and two were presented with medals. Ward A. was used as an auditorium and a large number of representative citizens were present.

The graduates were Esther Blanch Rainnie, Nellie E. L. McDonald, Bessie Jean Craib, Margaret Jamieson McDonald, Nora Gleason Foss, Rose Ella Donahoe, Nella Myrtle Wilson and Maude Pearl Gaskin. During the proceedings Nurse Rainnie received the gold medal for the highest aggregate of marks in the examinations. Nurse Gaskin, who closely followed Nurse Rainnie in the number of marks, also received a gold medal, the gift of a friend of the institution.

On the platform were Dr. Thomas Walker, chairman of the board of commissioners, Henry Hilyard, chairman of the training school board; Dr. J. W. Daniel, M. P., also a commissioner, and Rev. W. O. Raymond, whose interest in the institution has extended over many years. Besides the members of the hospital commission, the mayor, Ald. J. B. Hamm warden of the municipality, and many of the aldermen and councillors occupied seats near the platform. Members of the St. John medical profession, including the visiting staff of the hospital, were also largely represented.

The proceedings opened with a piano selection by Miss Hea. Dr. Walker then called on Rev. Dr. Raymond, referring to the interest which the rector of St. Mary's church had always taken in the institution and to his readiness at all times to minister to the spiritual needs of the patients. Dr. Raymond, he said, had come to be regarded almost as the chaplain of the hospital.

The diplomas were then presented amid hearty applause. A large bouquet of chrysanthemums from the Victorian Order of Nurses, and individual bouquets from Mrs. Dunham, representing the Graduate Nurses' Association, were also presented.

After three hearty cheers had been given at the call of the warden, J. B. Hamm, the gold medals were presented to Nurse Rainnie and Nurse Gaskin. Dr. Walker announced that Nurse Rainnie had made 75.3 marks and Nurse Gaskin 74.5.

One of the nurses called for three cheers for Dr. Walker and they were given with much enthusiasm. Refreshments were then served and dancing brought a successful evening to a close.

WEDDINGS

Campbell-Gibbons

(Toronto World, Nov. 11).

One of the most fashionable weddings of the season in London, Ont., took place in St. Paul's Cathedral Saturday afternoon, when Miss Marjorie Campbell Gibbons, daughter of George C. Gibbons, K. C., of that city, was married to John Leith Counsell of Hamilton. Over a hundred guests from London and other parts of Canada and from the United States were present. The floral arrangements were attractively artistic in the profusion of ferns and chryanthemums, heaped about the chancel and in the window niches. From the door to the chancel the effect of green masses and festoons of flowers about the windows was oddly beautiful. Added to this, the handsome dresses of the lady guests and the delicate white of the bride's and the bridesmaids' gowns contributed to an impressive array of life and color such as old St. Paul's has seldom seen. The driveway leading to the church was lined with spectators. At 2.30 the bride, daintily attired in white satin, trimmed with panels of chiffon and cut velvet, with veil of tulle and orange blossoms, entered the church upon the arm of her father. The bridesmaids, Miss Evelyn Campbell of Winnipeg, Miss Mary Campbell of Toronto, Miss Leslie Smith of St. John, N. B., and Miss Mary Glassco of Hamilton, wore dresses of white point d'esprit trimmed with satin, with hats to match, and carried large bouquet of chrysanthemums. Fred Waldy, of Toronto acted as best man. The service in the church was choral in nature. Rev. Canon Dann officiating. The bride's going-away dress was of brown tweed with brown plumed hat to match. After the ceremony the bride received at her father's home beneath a marriage bell of white flowers. The main body of the drawing-room was decorated in pink flowers. Mr. and Mrs. Counsell left on a special train for the east. A short time will be spent in New York, Philadelphia and other American points, after which their residence will be made in Hamilton.

Vroom-Stevens

St. Stephen, N. B., Nov. 12—(Special)—This afternoon at 4 o'clock, Hawthorne Hall was the scene of a pretty but quiet wedding when Miss Annie Stevens, daughter of the late Judge Stevens, was united in marriage to Edwin G. Vroom, of the firm of Vroom Bros. The ceremony was performed by Rev. Mr. Gibson, pastor of the Presbyterian church. The happy couple left by C. P. R. for Montreal where they will spend a few days.

Owing to the recent death of Judge Stevens no invitations were issued and only the immediate relatives of the bride and groom were present. The bride was attended by her niece, Miss Edith Stevens, and the groom by Edgar R. Lacoutre, of Woodland. The bride was married in a travelling dress of grey chiffon broadcloth. The presents, which were very many and very choice, included a cut glass pitcher and tumblers from the employes of Vroom Bros., Ltd.

CONFIDENCE IN THE WEST

(Montreal Gazette, Nov. 7)

At the latest sale of school lands in Manitoba 9,000 acres were disposed of at an average of $10 an acre. The land was unbroken prairie without improvements, and not much of it seems to have been taken for speculation. People who live in the West, in spite of their much-complaining, have confidence in the country.
